Timothy Wells set up a committee of trustees based in Kenya during his December 2018 trip.

The Kenya-based committee of trustees currently includes two teachers and a student representative (a graduate of the TWCT sponsorship programme) and it aims to meet four times a year (using Zoom as necessary) to oversee the programme and to check the accounts.

This committee of trustees is responsible for assessing any new student referrals for the sponsorship programme. The ongoing plan is to take on up to five new students a year.

In Q4 2022 a Programme Coordinator, Julia Wanjiru Mwai, was appointed on a 4-year contract predominantly to help manage the evaluation process for new students, to proactively visit each student to check on their progress, as well as to manage ongoing elements of the programme.

Committee members are available to mentor/counsel the students at any time.

Section C Objectives and activities

Summary of the objectives of the charity set out in its governing document

The objects of the Timothy Wells Charitable Trust are the advancement of such charitable purposes for the public benefit (according to the law of England and Wales) as the trustees see fit from time to time and in particular, but without limitation of the foregoing:

(a) the advancement of the education of persons in East Africa;

(b) the relief of poverty, hardship, and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa;

(c) the advancement of the Christian faith;

(d) the protection and preservation of the environment and the preservation of endangered species of animals;

(e) the relief of those suffering from Alzheimer's disease or from cancer.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Funds from the charity are divided between East African Education Sponsorship and UK Charities (ratio between 90:10 to 70:30) at the discretion of the main trustee.

In 2024 the funds were split approximately 89:11 East African Education Sponsorship Charities, £40,587: £4,927.

- Most of the funds were donated to ACK (Anglican Church of Kenya) Kirinyaga Diocese in Kenya for the running of the Timothy Wells Sponsorship Programme there.
- The next main recipient of funds was St Stephens Children's Home.
- Funds also went to other colleges and universities providing ongoing education for sponsored pupils progressing further to higher education: Kabarak University, Kenya Medical Training College. Frontlearn Institute of Technology.
- 11% of the annual funds were donated to UK-based charities (outlined further in section D of this report).

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Activities during 2024 relating to the charity's main objectives:

(a) the advancement of the education of persons in East Africa:
(See photos on pages 5-7)

This year, the charity sponsored 30 students (16 in secondary school and 14 in further education) who required financial assistance as identified by the Diocese, equipping them with the skills and opportunities to progress in their education and chosen careers. Seven secondary students graduated, and the Trust assisted them in finding suitable tertiary courses or next steps in their education. Additionally, one student graduated with a BSc in Pure Mathematics.

The Programme Coordinator continued to visit sponsored students throughout the year to monitor their progress and encourage them in their ongoing studies. She also assisted those who were being admitted to tertiary institutions.

Students who graduated from Form Four were given the opportunity to receive computer training as part of the initiative to prepare them for the world of work.

On 23rd August 2024, the sponsored students attended another Mentorship Day to help students to prepare mentally and emotionally for their exams, ably arranged by the Programme Coordinator. The agenda included sessions on specific school subjects and performance, a presentation by one of the trustees on re-branding for discipline and academic success, and a session on overcoming procrastination to support students in achieving their goals.

In November 2024, during the long two-month holiday, a two-week course was conducted at Utugi Children's Home to provide secondary students with extra coaching in subjects such as math's, physics, chemistry, and biology.

The Timothy Wells Charitable Trust Alumni Programme for students who have benefited from the Trust's sponsorship continued during the year, with alumni reconnecting online in a monthly fellowship. This provided an opportunity for ongoing interaction and encouragement for those now pursuing tertiary education.

In December 2024, Timothy Wells visited Kenya. During his visit, the Trust organized a three-day team-building camp at the Utugi Children's Centre, bringing all the students together. A group of graduates from the TWCT programme extended the poultry unit as part of their work project to support the facility, while another group conducted general cleaning in the compound, including weeding around the cowpeas (black-eyed peas) and some playground landscaping. This initiative was coordinated with another group of children sponsored by an American donor. Social activities, including football matches, were also part of the camp.

During his December 2024 visit, Timothy Wells met with the local Kenyan trustees for an annual update meeting. He also visited St Stephens Children's Home and met the current students and several previous students who TWCT had sponsored.

There have been strong educational results for some of the programme's students. Ruth Doris achieved her degree in Pure Mathematics and is to be highly congratulated. The secondary Form Four graduate students on the programme also achieved good results (1 x B+, 2 x B, 1 x B-), marking the best secondary graduation outcomes received for TWCT-sponsored students to date.

Enormous success for TWCT student, Ruth, graduating with a BSc in Pure Mathematics

Poultry House extension – side and front views - that the Trust provided the materials for. Started by another team of students who joined us on the Work Camp at the Utugi Children's Centre.

Some TWCT students at Utugi Children's Centre are shown working together to weed a cowpea farm, using machetes to clear the area and ensure healthy crop growth. This hands-on activity highlights their teamwork and practical agricultural skills.

A group photo of the entire working team, including TWCT students and the American donor students, gathered in front of the building at Utugi Children's Centre after completing their project. They stand together smiling, highlighting their unity and shared accomplishment during the camp.

A final day gathering took place in the Utugi Children's Centre dining hall, where Timothy Wells and the trustees addressed the TWCT students. The students sat attentively, listening to Timothy's farewell message and his best wishes for the new year.

Timothy Wells, George Mwangi Chege and the Programme Coordinator, Julia Wanjiru Mwai, on a visit to a farmer, recently widowed, who has 4 sons. TWCT has sponsored one son through secondary school and is now sponsoring two sons through their further education at the University.

(b) the relief of poverty, hardship, and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa:

In 2018, the local accountant for the TWCT in Kenya opened a 'Cooperative Finance System', to which the TWCT makes regular contributions. Local people can borrow funds from this account at a low interest rate, and any profits generated are returned to the Trust. We continue to contribute to the Cooperative Finance System to support the local Kenyan community; while the income is small, it remains an ongoing initiative.

The cooperative tea farm, located in the Kirinyaga Diocese on ¾ acre of land purchased by the Timothy Wells Charitable Trust in 2016, continues to be managed with student participation. The Programme Coordinator proactively arranged for young avocado trees to be planted on a slope too steep for tea bushes, with the aim of generating additional income.

Various contributions were also made to UK-based charities such as: Amnesty International, Barnabas Aid, Christian Solidarity Worldwide, the Gurkha Welfare Trust.

(c) the advancement of the Christian faith:

Various contributions were made to UK-based charities such as All Souls Church, London; Premier Christian Media Trust, Christian Solidarity Worldwide, Evangelical Alliance, Jews for Jesus, Tearfund, Feba Radio, Langham Partnership.

(d) the protection and preservation of the environment and the preservation of endangered species of animals:

Various contributions were made to UK charities such as The National Trust, The Woodland Trust, WWF UK, Greenpeace Environmental Trust, Friends of the Earth Trust, Solar Aid, Kew Foundation.

(e) the relief of those suffering from Alzheimer's disease or from cancer:

Various contributions were made to UK charities such as Alzheimer's Society, Cancer Research UK, Tom's Trust, Macmillan Cancer Support.

Section E Financial review

Brief statement of the charity's policy on reserves	As of 31st December 2024, there were financial reserves in both the Trust's UK and Kenyan-based bank accounts: UK: Barclays Community Account: £17,038. CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	Timothy Wells Charitable Trust		
On accounts for the year ended	December 2024	**Charity no.**	1165079
Set out on pages	See document 'TWCT income and outgoings year ending 31 Dec 2024.xlsx'		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2024.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Activities during 2023 relating to the charity's main objectives:

(a) the advancement of the education of persons in East Africa:

This year the charity sponsored 26 students (15 secondary school and 11 further education) needing financial assistance, as identified by the Diocese, giving the individuals the skills and possibilities to progress further with their education and chosen career. Four students graduated from secondary education and the trust has helped them find suitable tertiary courses/next steps in their education. Two students graduated from tertiary education, one with a BSc in Economics and Finance, and one graduated from a music school course in DJ and video production.

The Programme Coordinator continued her visits to sponsored students during the year both to check in with them on their progress and to help encourage them in their ongoing studies.

The Programme Coordinator and Trustees on a home visit in January 2023.

She also arranged a Mentorship Day on 29 April 2023 that all sponsored students attended. The agenda included some helpful sessions both for specific school subject areas (maths and sciences), transferable skills (effectiveness) as well as for students' mental health (self-esteem).

Another new initiative for 2023 is that sponsored students are being given the opportunity to have computer training as part of efforts to prepare them for the world of work.

In August 2023 students had their annual celebration and teambuilding event at Nanyuki, gateway to Mount Kenya and the wilderness of Mount Kenya National Park, which involved some helpful group sessions.

Students' teambuilding safari trip in August 2023 at Ol Pejeta Conservancy in Nanyuki also attended by Timothy Wells.

Of note, the Trust has agreed to change the format for the December team-building event and to invest in a safari outing once every four years, with hotel-based teambuilding events for the other three years.

In December 2023 during the long 2-month holiday, a 2-week course was conducted at Utugi Children's Home to help the secondary students with extra coaching in subjects such as maths, physics, chemistry and biology.

Students during December 2023 holiday tuition at Utugi Children's Home.

The Timothy Wells Charitable Trust Alumni programme ran a celebratory Mentorship Day in December 2023, recognising the achievements of the two graduates at tertiary education level from the programme this year, and continues to build an ongoing link with those students who have benefitted from the sponsorship of the Trust and to give them an opportunity to continue to be part of the Trust.

(b) the relief of poverty, hardship, and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa:

In 2018 the local accountant for the TWCT in Kenya opened a 'Cooperative Finance System' that the TWCT pays regular contributions to. Local people can borrow money from the account and pay it back with a low interest rate. Any profit on the account is returned to the Trust. We are continuing to make payments into the Cooperative Finance System to support the local Kenyan community. It is a small amount of income, however an ongoing initiative.

The cooperative tea farm sited in the Kirinyaga Diocese on ¾ acre of land purchased by the Timothy Wells Charitable Trust in 2016 continues to be managed with student participation. The Programme Coordinator was proactive in getting young avocado trees planted on a slope too steep for tea bushes with a view to generating further income.

Tim Wells' visit to the tea plantation with Julia Wanjiru Mwai and some students in September 2023.

Various contributions were also made to UK-based charities such as: Amnesty International, Barnabas Fund, Christian Solidarity Worldwide, Gurkha Welfare Trust.

(c) the advancement of the Christian faith:

Various contributions were made to UK-based charities such as All Souls Church, London; Premier Christian Media Trust, Christian Solidarity Worldwide, Evangelical

Alliance, Jews for Jesus, Tearfund, Feba Radio, Langham Partnership.

(d) the protection and preservation of the environment and the preservation of endangered species of animals:

Various contributions were made to UK charities such as National Trust, The Woodland Trust, RSPB, WWF UK, Greenpeace Environmental Trust, Friends of the Earth Trust, Solar Aid, Surrey Wildlife Trust, Kew Foundation.

(e) the relief of those suffering from Alzheimer's disease or from cancer:

Various contributions were made to UK charities such as Alzheimer's Society, Cancer Research UK, Tom's Trust, Macmillan Cancer Support.

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	Timothy Wells Charitable Trust		
On accounts for the year ended	December 2023	**Charity no.**	1165079
Set out on pages	See document 'TWCT income and outgoings year ending 31 Dec 2023.xlsx'		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2023.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

- trustees' consideration of major risks and the system and procedures to manage them.

Timothy Wells set up a committee of trustees based in Kenya during his December 2018 trip.

The Kenya-based committee of trustees currently includes two teachers and a student representative (a graduate of the TWCT sponsorship programme) and it aims to meet four times a year (using Zoom as necessary) to oversee the programme and to check the accounts.

This committee of trustees is responsible for assessing any new student referrals for the sponsorship programme. The ongoing plan is to take on up to five new students a year.

In Q4 2022 a Programme Coordinator, Julia Wanjiru Mwai, was appointed on a 4-year contract predominantly to help manage the evaluation process for new students, to proactively visit each student to check on their progress, as well as to manage ongoing elements of the programme.

Committee members are available to mentor/counsel the students at any time.

Section C Objectives and activities

Summary of the objectives of the charity set out in its governing document

The objects of the Timothy Wells Charitable Trust are the advancement of such charitable purposes for the public benefit (according to the law of England and Wales) as the trustees see fit from time to time and in particular, but without limitation of the foregoing:

(a) the advancement of the education of persons in East Africa;

(b) the relief of poverty, hardship and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa;

(c) the advancement of the Christian faith;

(d) the protection and preservation of the environment and the preservation of endangered species of animals;

(e) the relief of those suffering from Alzheimer's disease or from cancer.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Funds from the charity are divided between East African Education Sponsorship and UK Charities (ratio between 90:10 to 70:30) at the discretion of the main trustee.

In 2022 total income was £29,885 and outgoings were £29,332 with the funds split approximately 82:18 East African Education Sponsorship:UK Charities.

- Most of the funds were donated to ACK (Anglican Church of Kenya) Kirinyaga Diocese in Kenya for the running of the Timothy Wells Sponsorship Programme there
- The next main recipient of funds was St Stephens Children's Home
- Funds also went to universities providing ongoing education for sponsored pupils progressing further to higher education: Africa International University, South Eastern Kenya University, Kenya Medical Training Institute
- Nearly 18% of the annual funds were donated to UK-based charities (outlined further in section D of this report).

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Activities during 2022 relating to the charity's main objectives:

(a) the advancement of the education of persons in East Africa:

This year the charity sponsored 27 secondary school and further education students needing financial assistance, as identified by the Diocese, giving the individuals the skills and possibilities to progress further with their education and chosen career.

Students had their annual celebration and teambuilding event at the Maya Resort Centre in December 2022 which involved some helpful group sessions.

The newly appointed Programme Coordinator visited a number of the sponsored students during November 2022 to check in with them on their progress and help encourage them in their ongoing studies.

The Timothy Wells Charitable Trust Alumni programme, launched to the students at the Mentorship Day in April 2021, has continued to build an ongoing link with those students who have benefitted from the sponsorship of the Trust and to give them an opportunity to continue to be part of the Trust.

(b) the relief of poverty, hardship and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa:

In 2018 the local accountant for the TWCT in Kenya opened a 'Cooperative Finance System' that the TWCT pays regular contributions to. Local people can borrow money from the account and pay it back with a low interest rate. Any profit on the account is returned to the Trust. We are continuing to make payments into the Cooperative Finance System in order to support the local Kenyan community.

The cooperative tea farm sited in the Kirinyaga Diocese on ¾ acre of land purchased by the Timothy Wells Charitable Trust in 2016 continues to be managed with student participation. There are now approximately 500 tea plants, and this brings in some income as well as providing a good opportunity for self-development, teamwork and bonding especially during the school holidays. The new Programme Coordinator, Julia

Wanjiru Mwai, was proactive during November 2022 in tending to the area with the students, fertilising where necessary, planting further tea stems, and fencing in the land to protect it.

Various contributions were also made to UK-based charities such as: Amnesty International, International Liberty Association, Barnabas Fund, Christian Solidarity Worldwide, Gurkha Welfare Trust.

(c) the advancement of the Christian faith:

Various contributions were made to UK-based charities such as All Souls Church, London; Premier Christian Media Trust, Christian Solidarity Worldwide, Evangelical Alliance, Jews for Jesus, Tearfund, Feba Radio, Langham International.

(d) the protection and preservation of the environment and the preservation of endangered species of animals:

Various contributions were made to UK charities such as National Trust, London Wildlife Trust, Wildfowl and Wetlands Trust, WWF UK, Greenpeace Environmental Trust, Plantlife International, Friends of the Earth Trust, Kew Foundation, Soil Association.

(e) the relief of those suffering from Alzheimer's disease or from cancer:

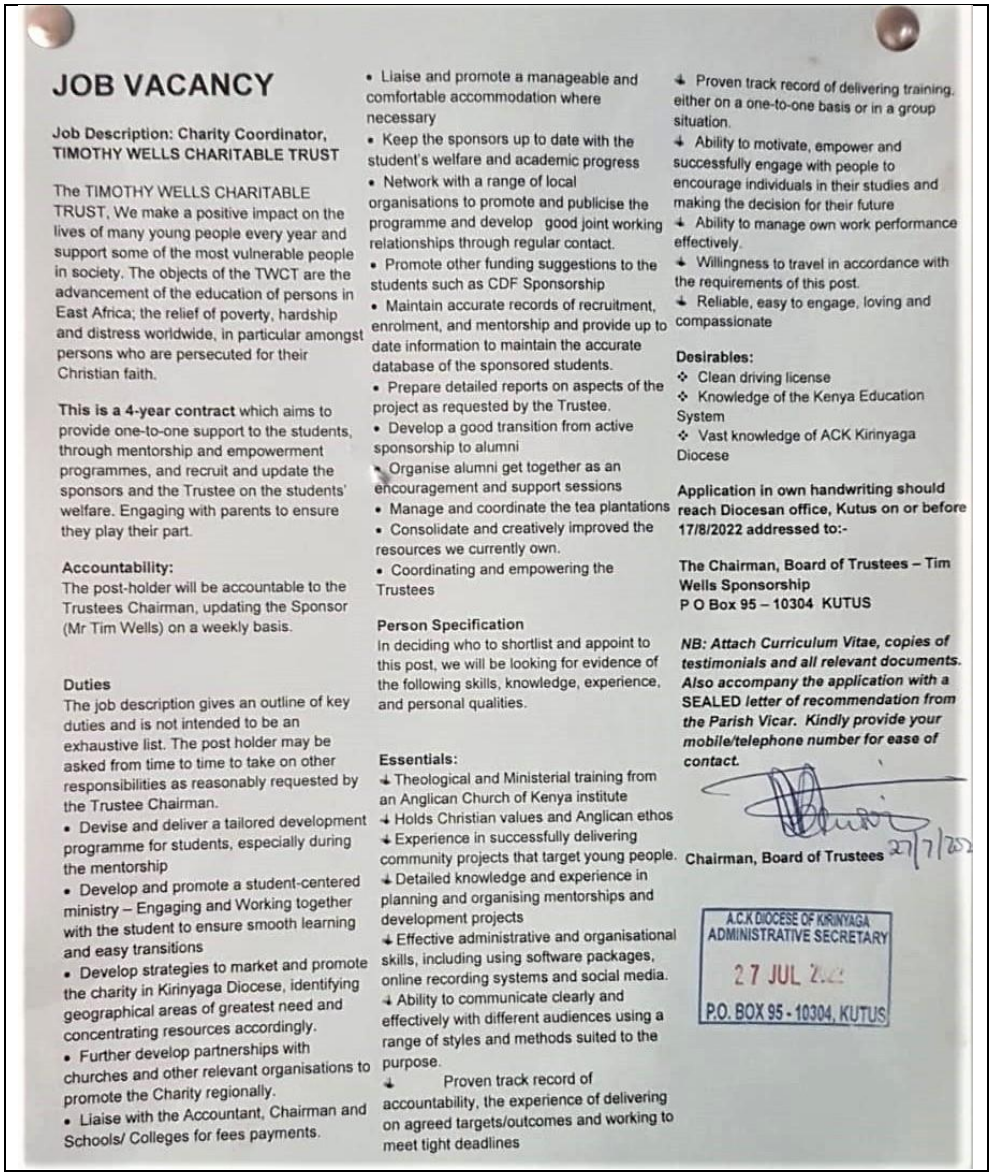
Various contributions were made to UK charities such as Alzheimer's Society, Cancer Research UK, Prostate Cancer UK, Tom's Trust, Macmillan Cancer Support.

Section E Financial review

Brief statement of the charity's policy on reserves	As of 31st December 2022, there were financial reserves in both the Trust's UK and Kenyan-based bank accounts: UK: Barclays Community Account: £8,034.91 Kenya: Co-operative Bank Account 32,097 KES (Kenyan Shillings) = c£220 @ 145.7 KES:£1 FX) These funds are carried over into 2023 to continue the ongoing work of the Trust and to ensure a continuing education opportunity for the sponsored students in Kenya with school and university fees paid in a timely manner.
Details of any funds materially in deficit	NA

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about: • the charity's principal sources of funds (including any fundraising); • how expenditure has supported the key objectives of the charity; • investment policy and objectives including any ethical investment policy adopted.	Of note, during 2021 and early 2022 the Kenya-based Trustees spent a significant amount of their time as volunteers carrying out a thorough approval process for new students to be accepted onto the Timothy Wells Charitable Trust's sponsorship education programme in Kenya. This involved a fair amount of travel, visiting the families of potential students in their homes and doing due diligence to ensure they accepted those students who would benefit the most from the sponsorship. Due to the time commitment required for this crucial aspect of the running of the Timothy Wells Sponsorship Programme in Kenya, the Trust decided to appoint a Programme Coordinator. The position was filled in autumn 2022 by Julia Wanjiru Mwai and she has settled into the role excellently, getting involved in key aspects of the running of the trust's affairs in Kenya. The job description is included below. As a result, there has been a reduction in travel and meeting expenses which more than offsets the Programme Coordinator's salary costs for Q4 2022.



JOB VACANCY

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	Timothy Wells Charitable Trust		
On accounts for the year ended	December 2022	**Charity no.**	1165079
Set out on pages	See document 'TWCT income and outgoings year ending 31 Dec 2022.xlsx		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Timothy Wells set up a committee of trustees based in Kenya during his December 2018 trip.

The committee of trustees currently includes two teachers and a student representative (a graduate of the TWCT sponsorship programme).

This committee of trustees is responsible for assessing any new student referrals for the sponsorship programme. The ongoing plan is to take on up to five new students a year.

The Kenya-based Committee plans to meet four times a year (using Zoom as necessary). Among other things, the accounts are checked.

Committee members are available to mentor/counsel the students at any time.

Section C Objectives and activities

Summary of the objectives of the charity set out in its governing document

The objects of the Timothy Wells Charitable Trust are the advancement of such charitable purposes for the public benefit (according to the law of England and Wales) as the trustees see fit from time to time and in particular, but without limitation of the foregoing:

(a) the advancement of the education of persons in East Africa;

(b) the relief of poverty, hardship and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa;

(c) the advancement of the Christian faith;

(d) the protection and preservation of the environment and the preservation of endangered species of animals;

(e) the relief of those suffering from Alzheimer's disease or from cancer.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Funds from the charity are divided between East African Education Sponsorship and UK Charities (ratio between 90:10 to 70:30) at the discretion of the main trustee.

In 2021 the funds were split approximately 84:16 East African Education Sponsorship:UK Charities.

- Most of the funds were donated to ACK (Anglican Church of Kenya) Kirinyaga Diocese in Kenya for the running of the Timothy Wells Sponsorship Programme there.
- The next main recipients of funds were St Stephens Children's Home and Good Faith Children's Home.
- Funds also went to universities providing ongoing education for sponsored pupils progressing further to higher education: Africa International University, South Eastern Kenya University, Kamgaru Youth Polytechnic.
- Around one sixth of the annual funds were donated to UK-based charities (outlined further in section D of this report).

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Timothy Wells' End of Year 2021 Statement:
This year we introduced 'Break-out Groups' to our Mentorship Days – one held in each of the three school vacations. Each group of about 6 students was chaired by an undergraduate student (college/university). Two of the leaders were female students recently taken onto the programme. We listened to the students and made it a two-way communication.

Timothy Wells visited for two weeks over Christmas 2021 after a 2-year absence due to the global Covid pandemic. We all (27 in total; 23 students, 4 committee members) travelled to Maasai Mara to stay two nights at Siana Springs Tented camp https://siana-springs.co.ke/.

A Maasai warrior was our guide as we spent a day in the wildlife reserve viewing the animals.

Activities during 2021 relating to the charity's main objectives:

(a) the advancement of the education of persons in East Africa:

This year the charity sponsored 26 secondary school and further education students needing financial assistance, as identified by the Diocese, giving the individuals the skills and possibilities to progress further with their education and chosen career.

The Timothy Wells Charitable Trust Alumni programme was launched to the students at the Mentorship Day in April 2021. The plan is to build an ongoing link with those students who have benefitted from the sponsorship of the Trust and to give them an opportunity to continue to be part of the Trust. The Alumni Certificate (see below) was handed out to a handful of students who, having graduated from the sponsorship programme, have gone on to build a strong future for themselves in terms of a career/vocation.

Examples of two of the graduates who received this certificate are:

- Antony Mwangi Munyua who has completed his Teacher Training Diploma in Physics and Maths
- Lucas Murimi Waweru who has completed his vocational certificate in electrical car wiring and is now a self-employed automotive engineer

DATE

(b) the relief of poverty, hardship and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa:

In 2018 the local accountant for the TWCT in Kenya opened a 'Cooperative Finance System' that the TWCT pays regular contributions to. Local people can borrow money from the account and pay it back with a low interest rate. Any profit on the account is returned to the Trust. We are continuing to make payments into the Cooperative Finance System in order to support the local Kenyan community.

The cooperative tea farm in the Kirinyaga Diocese, sited on land purchased by the Timothy Wells Charitable Trust in 2016, continues to be managed with student participation, providing a good opportunity for self-development, teamwork and bonding.

Various contributions to UK-based charities such as: Amnesty International, International Liberty Association, Barnabas Fund, Send A Cow, Gurkha Welfare Trust, Christian Solidarity Worldwide.

(c) the advancement of the Christian faith:

Various contributions to UK-based charities such as All Souls Church, London; St Helen's Church, Premier Christian Media, Christian Solidarity Worldwide, Evangelical Alliance, Jews for Jesus, Tearfund, Feba Radio, Langham International.

(d) the protection and preservation of the environment and the preservation of endangered species of animals:

Various contributions to UK charities such as National Trust, London Wildlife Trust, Wildfowl and Wetlands Trust, WWF UK, RSPB, Greenpeace Environmental Trust, Plantlife International, Friends of the Earth Trust, Kew Foundation, Soil Association, Fauna & Flora International.

(e) the relief of those suffering from Alzheimer's disease or from cancer:

Various contributions to UK charities such as Alzheimer's Society, Cancer Research UK, Prostate Cancer UK, Tom's Trust, Macmillan Cancer Support.

Section E Financial review

Brief statement of the charity's policy on reserves	As of 31st December 2021, there were financial reserves in both the Trust's UK and Kenyan-based bank accounts: UK: Barclays Community Account: £7,161.91 Kenya: Co-operative Bank Account 1,217,716 KES (Kenyan Shillings) = c£8,200 @ 147 KES:£1 FX) These funds are carried over into 2022 to continue the ongoing work of the Trust and in particular to ensure a continuing education opportunity for the sponsored students in Kenya with school and university fees paid in a timely manner.
Details of any funds materially in deficit	NA

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about: • the charity's principal sources of funds (including any fundraising); • how expenditure has supported the key objectives of the charity; • investment policy and objectives including any ethical investment policy adopted.	Of note, during 2021 the Kenya-based Trustees spent a significant amount of their time as volunteers carrying out a thorough approval process for new students to be accepted onto the Timothy Wells Charitable Trust's sponsorship education programme in Kenya. This involved a fair amount of travel, visiting the families of potential students in their homes and doing due diligence to ensure they accepted those students who would benefit the most from the sponsorship. Due to the time commitment required for this crucial aspect of the running of the Timothy Wells Sponsorship Programme in Kenya, the Trust has decided to appoint a Charity Coordinator. The job vacancy advert for the Charity Coordinator role is shown below with the plan to appoint someone during the autumn of 2022:

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	Timothy Wells Charitable Trust		
On accounts for the year ended	December 2021	**Charity no.**	1165079
Set out on pages	See document 'TWCT income and outgoings year ending 31 Dec 2021.xlsx		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2021.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Timothy Wells set up a committee of trustees based in Kenya during his December 2018 trip.

The committee of trustees includes two teachers and a student representative (a graduate of the TWCT sponsorship programme).

This committee of trustees is responsible for assessing any new student referrals for the sponsorship programme. The plan is to take on up to five new students a year (though that was not possible in the 2020 global pandemic year).

The Kenya-based Committee plans to meet three times a year; in April, August and December. Among other things, the accounts are checked.

Committee members are available to mentor/counsel the students at any time.

Section C Objectives and activities

Summary of the objectives of the charity set out in its governing document

The objects of the Timothy Wells Charitable Trust are the advancement of such charitable purposes for the public benefit (according to the law of England and Wales) as the trustees see fit from time to time and in particular, but without limitation of the foregoing:

(a) the advancement of the education of persons in East Africa;

(b) the relief of poverty, hardship and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa;

(c) the advancement of the Christian faith;

(d) the protection and preservation of the environment and the preservation of endangered species of animals;

(e) the relief of those suffering from Alzheimer's disease or from cancer.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Funds from the charity are divided between East African Education Sponsorship and UK Charities (ratio between 90:10 to 70:30) at the discretion of the main trustee.

In 2020 the funds were split approximately 80:20 East African Education Sponsorship:UK Charities.

- Most of the funds were donated to ACK (Anglian Church of Kenya) Kirinyaga Diocese in Kenya for the running of the Timothy Wells Sponsorship Programme there.
- The next main recipients of funds were St Stephens Children's and Good Faith Children's Home.
- Funds also went to universities providing ongoing education for sponsored pupils progressing further to higher education: Dedan Kimathi University, Kenyatta University and Morgan Tuition Centre.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Timothy Wells' End of Year 2020 Statement:

This year of the global pandemic has impacted the work in Kenya in two respects:

1. TW was unable to visit the Educational programme in Kenya
2. Secondary schools were shut down in March 2020 for the rest of the year.

The first issue meant no face-to-face meetings with either the students or the Diocesan Committee members.
There was no end-of-year Mentorship Event staying at a resort.
All Committee meetings were conducted via Zoom.
Student representative George Mwangi was voted to receive an allowance of Ksh5,000 per month to keep in touch with all students, feeding back information to the Committee and talking to TW via WhatsApp each week.

The lockdown of schools resulted in a saving in school fees.
University tuition continued remotely (with just a slight fee reduction).
Mentorship gatherings were conducted on a smaller scale.
This resulted in an expenditure reduction of approx. £4,000 for the Kenyan Education programme.

In an attempt to encourage the students while staying at home for so long, we decided to gift each of them with five one-month old chicks plus some enhanced feed. These were handed over at an event at the Diocesan Office in September 2020.

In early 2020 a flyer introducing the charitable trust was produced with TW's input. It is being distributed in Kenya and UK in order to attract further donors for the Sponsorship Programme.

The reduction in expenditure for Africa during 2020 meant that the Trust was able to respond to some emergency appeals from UK charities that we support.

Section D Achievements and performance

Activities during 2020 relating to the charity's main objectives:

(a) the advancement of the education of persons in East Africa:

This year the charity sponsored 17 secondary school and further education students needing financial assistance, as identified by the Diocese, giving the individuals the skills and possibilities to progress further with their education and chosen career.

One of the TWCT's students has progressed so well at his boarding school that he has been elected Head Boy *(March 2020).*

(b) the relief of poverty, hardship and distress worldwide, and in particular amongst persons throughout the world who are persecuted for their Christian faith and persons in East Africa:

In 2018 the local accountant for the TWCT in Kenya opened a 'Cooperative Finance System' that the TWCT pays regular contributions to. Local people can borrow money from the account and pay it back with a low interest rate. Any profit on the account is returned to the Trust. The plan is for this to provide ongoing income for the Trust. The scheme had a couple of contributions in 2019, and the aim is to build it up slowly over the next few years.

(c) the advancement of the Christian faith:

Various contributions to UK charities such as All Souls Church, London; St Helen's Church, Premier Christian Media Trust, Christian Solidarity Worldwide, Evangelical Alliance.

(d) the protection and preservation of the environment and the preservation of endangered species of animals:

Various contributions to UK charities such as National Trust, London Wildlife Trust, Wildfowl and Wetlands Trust, WWF UK, RSPB, Greenpeace Environmental Trust, Plantlife International, Friends of the Earth Trust, Soil Association.

(e) the relief of those suffering from Alzheimer's disease or from cancer:

Various contributions to UK charities such as Alzheimer's Society, Cancer Research UK, Macmillan Cancer Research.

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

Section A Independent Examiner's Report

Report to the trustees/ members of	Timothy Wells Charitable Trust		
On accounts for the year ended	December 2020	**Charity no.**	1165079
Set out on pages	See document 'TWCT income and outgoings year ending 31 Dec 2020.xlsx		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2020.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
