- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The advancement of health and or saving of lives. To relieve sickness and promote and protect good health in England and Wales by: 1) promoting the early detection of cardiovascular related diseases including but not limited to DVT; pulmonary embolism, coronary heart disease and congenital heart diseases. 2) Raising awareness of the disease of the heart in the community and supporting early diagnosis. 3) Providing grant and support to person or persons diagnosed with such cardiovascular related diseases.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Awareness activity was reduced during the period in view due to COVID 19 restrictions. However between August 2020 and December 2020 at the Lewisham shopping centre, we are able to create awareness of our work by distributing leaflets and free measurement of blood pressure

All Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During the year and despite our limited finances, we continue to engage the local community and sensitise them on the benefits of healthy living, early diagnosis and tell-tale signs of potential cardiovascular challenges. We had a testimony from a local resident that as a result of our outreach, he went for checks and was diagnosed with treatment ongoing.
