## Trustees' Annual Report for the period

From **02/01/2022 - 01/01/2023**

Charity name: **Oxford Neurological Society**

Charity registration number: **1165235**

### Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	Promoting the knowledge of neurological sciences among the general public, providing a platform for research sharing and exchange for scientists and clinicians and campaigning for evidence-based approach in clinical medicine, research and public health policies
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<b>Despite facing challenges due to decreased activity post-pandemic and increased workloads for our members, our charity has continued to deliver significant public benefit. We've provided mentorship and guidance to students and early career researchers, championed their work, and facilitated knowledge sharing through our platform, all in support of our core goals of promoting neurological science awareness, fostering research collaboration, and advocating for evidence-based practices in medicine and public health policy.</b>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<b>Yes</b>

### Additional information (optional)

You may choose to include further statements where relevant about:

	SORP reference	
Policy on grant making	Para 1.38	<b>The Trustees have decided not to make any grants or pursue any fundraising at present.</b>
Policy on social investment including program related investment	Para 1.38	<b>N/A</b>

Contribution made by volunteers	Para 1.38	<b>Our work was made possible in part by our dedicated volunteers who provided invaluable support to our members. They facilitated networking opportunities, offered advice on healthcare entrepreneurship, clinical careers, and international collaborations. Their contributions were instrumental in empowering our members and furthering our mission, especially during a period of increased workload.</b>
Other		<b>N/A</b>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<b>Our main achievement has been the continuing success of our mentorship programme, as evidenced by positive feedback from mentors and mentees. The programme connects students from underrepresented backgrounds with clinicians and scientists from different countries, fostering a more diverse and inclusive future for the field of neurology. Some mentees secured placements in residency programs, received healthcare entrepreneurship awards, and significantly improved their scientific projects. By supporting the next generation of scientists and clinicians, our activities contribute to a more knowledgeable and well-equipped workforce tackling neurological challenges. This, in turn, benefits society as a whole by leading to advancements in diagnosis, treatment, and ultimately, improved patient outcomes.</b>
