Bury Hebrew Congregation
Report of the Trustees
for the Year Ended 31 December 2023

The trustees present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the Congregation shall be:

(a) To provide for people of the Jewish faith, a place of worship, religious services, religious education, and marriage and burial facilities, at such a scale of fees as may be laid down from time to time; and

(b) In furtherance of the primary object, to provide social and cultural facilities compatible with an Orthodox Congregation.

Public benefit

The synagogue was established as a place of worship. Services are held 3 times a day and are open to all whether a person is a fee paying member or not. Study is available in many forms and we have a free library of tapes and books.

Also, we are a social centre for the Community with activities for young and old. Events are usually connected to Festivals, as well as the Brownies and Friendship Group which meet weekly. Also, The Jewish Theatre Group holds rehearsals & productions in the building.

The synagogue hall is used for Weddings and other celebrations.

Led by the Rabbi we offer help to those who are ill and those who are bereaved. Visits to hospitals and homes are made. Meals are prepared and delivered and prayers are said.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

As reported in previous years, the past 12 months has seen an even bigger decline in the Synagogue membership due to the age demographics. There is little influx of new residents and some families have moved to other parts of Manchester and the UK in general. As a result we are now operating with only 3 services per week. Our volunteer choir is still operating to ensure our Sabbath and High Holy Day services are appealing and engaging. Our core membership who are very committed to the Synagogue is reducing but they continue to be the lifeblood of our services. Our social committee still put on events to raise money for the Synagogue but this is becoming harder.

Nevertheless, other activities continue on the premises including Brownies, the Jewish Theatre Company and Choir, the Manchester Jewish Soccer League, a very active men's discussion group, the League of Jewish Women, plus other fund-raising events for the community in general.

FINANCIAL REVIEW

Financial position

As membership is declining, so does our income and it is becoming harder to offset this. The building is in constant need of repairs and so we continue to operate strict cost controls, tight governance and a focus on other areas that generate income to support our activities as above. Where expenditure is needed we will often try to get this sponsored by voluntary donations where appropriate. Operating costs continue to rise (utilities mainly) although this year we have negotiated new utility contracts, but funeral costs are hard to predict. The Trustees are committed to ensure the continuance of the synagogue through good fiscal management and the continued use of the building as a community facility as well as a place of worship.

Reserves policy

The charity does not have a reserves policy in place. On an annual basis, the Trustees aim to balance expected expenditure with income and subscriptions are set to achieve this aim.

At 31 December 2023 the total reserves of the charity are £438,216. However £605,222 are restricted with free, unrestricted resources of £(167,006). Of the restricted funds £560,268 is in the Burial Fund which is there to meet the future funeral and associated obligations of its members.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Bury Hebrew Congregation

The Board of Management shall consist of a maximum of 9 elected members together with the officers and retiring officers of the Executive Committee. No person shall be eligible for nomination to the Board of Management until he has been a member of the Congregation for at least 12 months. No member shall be nominated for Executive Office unless he has served as a member of the Board of Management for at least 2 years unless otherwise expressly agreed at an Annual General Meeting.

Independent examiner's report to the trustees of Bury Hebrew Congregation

I report to the charity trustees on my examination of the accounts of Bury Hebrew Congregation (the Trust) for the year ended 31 December 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Objectives and aims

The objects of the Congregation shall be:

(a) To provide for people of the Jewish faith, a place of worship, religious services, religious education, and marriage and burial facilities, at such a scale of fees as may be laid down from time to time; and

(b) In furtherance of the primary object, to provide social and cultural facilities compatible with an Orthodox Congregation.

Public benefit

The synagogue was established as a place of worship. Services are held 3 times a day and are open to all whether a person is a fee paying member or not. Study is available in many forms and we have a free library of tapes and books.

Also, we are a social centre for the Community with activities for young and old. Events are usually connected to Festivals, as well as the Brownies and Friendship Group which meet weekly. Also, The Jewish Theatre Group holds rehearsals & productions in the building.

The synagogue hall is used for Weddings and other celebrations.

Led by the Rabbi we offer help to those who are ill and those who are bereaved. Visits to hospitals and homes are made. Meals are prepared and delivered and prayers are said.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

As reported in previous years, the past 12 months has seen an even bigger decline in the Synagogue membership due to the age demographics. There is little influx of new residents and some families have moved to other parts of Manchester and the UK in general. As a result we are now operating with only 3 services per week. Our volunteer choir is still operating to ensure our Sabbath and High Holy Day services are appealing and engaging. Our core membership who are very committed to the Synagogue is reducing but they continue to be the lifeblood of our services. Our social committee still put on events to raise money for the Synagogue but this is becoming harder.

Nevertheless, other activities continue on the premises including Brownies, the Jewish Theatre Company and Choir, the Manchester Jewish Soccer League, a very active men's discussion group, the League of Jewish Women, plus other fund-raising events for the community in general.

FINANCIAL REVIEW

Financial position

As membership is declining, so does our income and it is becoming harder to offset this. The building is in constant need of repairs and so we continue to operate strict cost controls, tight governance and a focus on other areas that generate income to support our activities as above. Where expenditure is needed we will often try to get this sponsored by voluntary donations where appropriate. Operating costs continue to rise (utilities mainly) although this year we have negotiated new utility contracts, but funeral costs are hard to predict. The Trustees are committed to ensure the continuance of the synagogue through good fiscal management and the continued use of the building as a community facility as well as a place of worship.

Reserves policy

The charity does not have a reserves policy in place. On an annual basis, the Trustees aim to balance expected expenditure with income and subscriptions are set to achieve this aim.

At 31 December 2022 the total reserves of the charity are £457,553. However £595,839 are restricted with free, unrestricted resources of £(138,286). Of the restricted funds £550,885 is in the Burial Fund which is there to meet the funeral and associated obligations of its members.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

11. RELATED PARTY DISCLOSURES

During the year, Trustees made donations or paid subscriptions totalling £3,539 to the charity.

12. POST BALANCE SHEET EVENTS

The continuing COVID-19 pandemic still affects the Synagogue in various ways. The Synagogue premises have remained partially closed and alternative arrangements have been put in place to allow the members to participate in a limited range of services and to support the community, primarily using Zoom as the core technology. The situation is continually under review and a further expansion of the arrangements will be introduced whilst still in full compliance with Government regulations and guidance from the Office of the Chief Rabbi. It is anticipated that when full re-opening is permitted, with no restrictions, it will take many months for attendance levels to return to normal due to ongoing concern over Covid 19.

Bury Hebrew Congregation
Report of the Trustees
for the Year Ended 31 December 2021

The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the Congregation shall be:

(a) To provide for people of the Jewish faith, a place of worship, religious services, religious education, and marriage and burial facilities, at such a scale of fees as may be laid down from time to time; and

(b) In furtherance of the primary object, to provide social and cultural facilities compatible with an Orthodox Congregation.

Public benefit

The synagogue was established as a place of worship. Services are held 3 times a day and are open to all whether a person is a fee paying member or not. Study is available in many forms and we have a free library of tapes and books.

Also, we are a social centre for the Community with activities for young and old. Events are usually connected to Festivals, as well as the Brownies and Friendship Group which meet weekly. Also, The Jewish Theatre Group holds rehearsals & productions in the building.

The synagogue hall is used for Weddings and other celebrations.

Led by the Rabbi we offer help to those who are ill and those who are bereaved. Visits to hospitals and homes are made. Meals are prepared and delivered and prayers are said.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

As reported in previous years, the past 12 months has seen a decline in the Synagogue membership. This is due to the demographics of the community with little influx of new residents but in addition some families have moved to other parts of Manchester and the UK in general. As a result we have further reduced the number of services we hold. Our volunteer choir is still operating to ensure our Sabbath and High Holy Day services are appealing and engaging. Our core membership who are very committed to the Synagogue is reducing but they continue to be the lifeblood of our services.

Our social committee also put on events to raise money for the Synagogue. People who visit us from other communities report favourably on the very welcoming atmosphere in our Synagogue and the quality and ambience of our services.

Other activities continue on the premises including Brownies, the Jewish Theatre Company and Choir, the Manchester Jewish Soccer League, a very active men's discussion group, the League of Jewish Women, plus other fund-raising events for the community in general. The core ethos of our Synagogue is to promote it, not just as a place of worship but a focal point in the area for the Jewish Community of Sunnybank and Unsworth.

FINANCIAL REVIEW

Financial position

As membership continues to fall, so does our income and it is becoming harder to offset this. We continue to operate strict cost controls, tight governance and a focus on other areas that generate income to support our activities as above. Where expenditure is needed we will often try to get this sponsored by voluntary donations where appropriate. Operating costs have increased (utilities mainly) but funeral costs are hard to predict. The Trustees are committed to ensure the continuance of the synagogue through good fiscal management and the continued use of the building as a community facility as well as a place of worship.

Reserves policy

The charity does not have a reserves policy in place. On an annual basis, the Trustees aim to balance expected expenditure with income and subscriptions are set to achieve this aim.

At 31 December 2021 the free, unrestricted resources available to the charity were £(113,418). Total reserves are £496,159 of which £537,623 is the Restricted Burial Fund. That fund is to meet the funeral and associated obligations of its members and is by its nature long term.

Report of the Trustees
for the Year Ended 31 December 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Organisational structure

The Congregation shall be governed by an Executive Committee and Board of Management. The Executive Committee shall consist of 5 elected members and is subject to the direction of the Board of Management. The Board of Management shall consist of a maximum of 9 elected members together with the officers and retiring officers of the Executive Committee. No person shall be eligible for nomination to the Board of Management until he has been a member of the Congregation for at least 12 months. No member shall be nominated for Executive Office unless he has served as a member of the Board of Management for at least 2 years unless otherwise expressly agreed at an Annual General Meeting.

The Annual General Meeting of the Congregation shall elect the Executive Committee and Board of Management. The Annual General meeting may also confirm that a past member of the Executive Committee may become Hon. Life President (retiring Chairman only) or Hon. Life Vice President.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- not provided
Burial plots	- not provided
Sifrei Torah & Appurtenances	- not provided
Fixtures and fittings	- 20% on cost and 10% on reducing balance

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Burial Levy and Burial Fund

This represents funds raised for the provision of funeral and associated services on the death of a member of the Burial Fund. The Burial Levy ceased raising income on 30 June 2010.

Building Fund

This represents funds raised specifically to be used for the maintenance and repair of the Synagogue building.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

12. RELATED PARTY DISCLOSURES

During the year, Trustees made donations or paid subscriptions totalling £3,539 to the charity.

13. POST BALANCE SHEET EVENTS

The continuing COVID-19 pandemic still affects the Synagogue in various ways. The Synagogue premises have remained partially closed and alternative arrangements have been put in place to allow the members to participate in a limited range of services and to support the community, primarily using Zoom as the core technology. The situation is continually under review and a further expansion of the arrangements will be introduced whilst still in full compliance with Government regulations and guidance from the Office of the Chief Rabbi. It is anticipated that when full re-opening is permitted, with no restrictions, it will take many months for attendance levels to return to normal due to ongoing concern over Covid 19.

Bury Hebrew Congregation
Report of the Trustees
for the Year Ended 31 December 2020

The trustees present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the Congregation shall be:

(a) To provide for people of the Jewish faith, a place of worship, religious services, religious education, and marriage and burial facilities, at such a scale of fees as may be laid down from time to time; and

(b) In furtherance of the primary object, to provide social and cultural facilities compatible with an Orthodox Congregation.

Public benefit

The synagogue was established as a place of worship. Services are held 3 times a day and are open to all whether a person is a fee paying member or not. Study is available in many forms and we have a free library of tapes and books.

Also, we are a social centre for the Community with activities for young and old. Events are usually connected to Festivals, as well as the Brownies and Friendship Group which meet weekly. Also, The Jewish Theatre Group holds rehearsals & productions in the building.

The synagogue hall is used for Weddings and other celebrations.

Led by the Rabbi we offer help to those who are ill and those who are bereaved. Visits to hospitals and homes are made. Meals are prepared and delivered and prayers are said.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Continuing the trend, the past 12 months has seen a further decline in the Synagogue membership. This is due to the demographics of the community with little influx of new residents but a continual move of families to other parts of Manchester and the UK in general. As a result we have reduced the number of services we hold to the absolute minimum. Our volunteer choir continues to ensure our Sabbath and High Holy Day services are appealing and engaging. We still have a core membership who are committed to the Synagogue and its survival and who are the lifeblood of our services. We have a very dedicated young member of the Board who has arranged some excellent children's events and these have proven to be very popular in the community and we will continue to hold these.

Our social committee also puts on a variety of events to raise money for the Synagogue. People who visit us from other communities report favourably on the very welcoming atmosphere in our Synagogue and the quality and ambience of our services.

We continue to support many other activities on the premises including Brownies, the Jewish Theatre Company and Choir, the Manchester Jewish Soccer League, a very active men's discussion group, the League of Jewish Women, plus other fund-raising events for the community in general. The core ethos of our Synagogue is to promote it, not just as a place of worship but a focal point in the area for the Jewish Community of Sunnyside and Unsworth.

FINANCIAL REVIEW

Financial position

As membership continues to fall, so does membership income and we have offset this by running social events. We continue to operate strict cost controls, tight governance and a focus on other areas that generate income to support our activities as above. Where expenditure is needed we will often try to get this sponsored by voluntary donations or grants from the Office of the Chief Rabbi. Operating costs are mainly fixed, save for items such as repairs which we allow for and funeral costs which are hard to predict and our ongoing goal is to try to encourage new members as well as improve other revenue streams. The Trustees are committed to ensure the longevity of the synagogue through good fiscal management and the promotion of the building and its environs as a community facility as well as a place of worship.

Reserves policy

The charity does not have a reserves policy in place. On an annual basis, the Trustees aim to balance expected expenditure with income and subscriptions are set to achieve this aim.

At 31 December 2018 the free, unrestricted resources available to the charity were £84,971. However, this does not take into account the fact that the General (or unrestricted) Fund has liabilities of £499,239 to the restricted funds.

for the Year Ended 31 December 2020

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Organisational structure

The Congregation shall be governed by an Executive Committee and Board of Management. The Executive Committee shall consist of 5 elected members and is subject to the direction of the Board of Management. The Board of Management shall consist of a maximum of 9 elected members together with the officers and retiring officers of the Executive Committee. No person shall be eligible for nomination to the Board of Management until he has been a member of the Congregation for at least 12 months. No member shall be nominated for Executive Office unless he has served as a member of the Board of Management for at least 2 years unless otherwise expressly agreed at an Annual General Meeting.

The Annual General Meeting of the Congregation shall elect the Executive Committee and Board of Management. The Annual General meeting may also confirm that a past member of the Executive Committee may become Hon. Life President (retiring Chairman only) or Hon. Life Vice President.

There shall be 4 elected Trustees. No member of the Congregation shall be eligible for election as a Trustee unless he has served at least 2 years on the Board of Management or is a current member of the Board of Management.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- not provided
Burial plots	- not provided
Sifrei Torah & Appurtenances	- not provided
Fixtures and fittings	- 20% on cost and 10% on reducing balance

12. RELATED PARTY DISCLOSURES

During the year, Trustees made donations or paid subscriptions totalling £3,539 to the charity.

13. POST BALANCE SHEET EVENTS

The continuing COVID-19 pandemic still affects the Synagogue in various ways. The Synagogue premises have remained partially closed and alternative arrangements have been put in place to allow the members to participate in a limited range of services and to support the community, primarily using Zoom as the core technology. The situation is continually under review and a further expansion of the arrangements will be introduced whilst still in full compliance with Government regulations and guidance from the Office of the Chief Rabbi. It is anticipated that when full re-opening is permitted, with no restrictions, it will take many months for attendance levels to return to normal due to ongoing concern over Covid 19.
