

## Meet & Remember Trustee Report 2024/5

The Exeter 'Meet and Remember Club' which was founded and supported by The Rotary Club of Exeter, aims to combine combating the onset of memory problems with community social activity and the awareness of the importance of local and personal verbal history in combating loneliness in the community. It meets weekly on a Thursday at the The Devon Yeoman in Beacon Lane, Exeter at 10.30am and has a two hour morning session, followed by a lunch. Thanks must be given to the Devon Yeoman for allowing the club to meet in its function room in exchange for lunch provided at a very reasonable cost.

Apart from two Thursdays at Christmas, meetings were held every week and activities and a hot meal provided. The structure of the meeting had been decided after a pilot period and had proved popular. Membership and attendance were high, and retention of members was exceptionally high. Financially the club is on a sound footing with donations and income meeting expenditure. The club benefits from having volunteers who provide their services entirely freely, without this resource the club could not exist

## **Meet and Remember Summary account 24 25**
