Report of the Trustees **for the Year Ended 31 January 2023**

The trustees present their report with the financial statements of the charity for the year ended 31 January 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objects as stated in its constitution are:

"For the benefit of the public to relieve the suffering of racehorses in need of care and attention by providing and maintaining a rescue home or other facilities for the reception, care and treatment of such animals.

To promote humane behaviour towards racehorses by providing care, protection, treatment and security for racehorses which are in need of care and attention by reason of sickness, maltreatment, poor circumstances or ill usage and to educate the public in matters pertaining to animal welfare in general and the prevention of cruelty and suffering among animals."

New Beginnings was established in 2010 as a CIC (Community Interest Company) and became a registered Charity in 2016. Since its inception New Beginnings has strived to build its reputation to now becoming recognised as the Centre of Excellence for rehabilitation, retraining and re-homing of former racehorses in the North East of England. The Charity has got this reputation by always putting the horse's welfare first and foremost. The Charity is also one of only ten centres accredited to the RoR (Retraining of Racehorses the official Charity of the British Horseracing Association)

The references to racehorses includes former racehorses.

Report of the Trustees **for the Year Ended 31 January 2023**

OBJECTIVES AND ACTIVITIES

Significant activities

Horses are taken in by the charity directly from trainers, owners, from post racing private homes and the RoR through their Vulnerable Horses Scheme. At this stage the horse comes under the care of the charity and belongs to the charity. An inward donation is requested in all cases to contribute to the future cost of stabling, rehabilitating and retraining the horses before re-homing.

The horse is assessed and may be turned away for a period of time to adjust from its former situation. When ready, the horse will be brought into work at a pace suitable for each individual horse.

When the horse has been retrained, can carry itself in an outline, is hacking out alone or in company and is considered suitable to be offered out on loan, their details will be added to the website so potential loaners can view their details and see if they may be compatible.

Where potential loaners have contacted the charity with or without seeing the details of the current horses available on the website, they will be sent a Horse Enquiry Form asking questions in relation to their experience along with what they are looking for. These will then be discussed and if any horses are considered suitable for them, a visit by the potential loaner to the charity's base will be arranged so horses and loaner can meet and be assessed together.

The process of re-homing the horses is taken carefully and the charity will not re-home a horse until they are satisfied it is a suitable match for the horse, and the loaner is fully aware of the ongoing training requirements to achieve a successful move and can continue with the horse's development into a ridden horse. The process can take several weeks to match horse and loaner.

Once loaned out, the horses cannot be sold by the loaner, they will always belong to the charity. If the circumstances change and the horse needs to be returned to the charity, the charity will take the horse back to ensure its security and where suitable, a new home will be sought for the horse, whilst continuing its schooling.

The charity can attend up to 20 race meetings per year. Racecourses usually attended include York, Pontefract, Ripon, Wetherby, and Doncaster. They also work with York Racecourse for their emergency procedures day. The charity also take their exhibition unit to the RoR Championship Show at Aintree, Middleham Stables Open Day and Malton Festival of Racing along with numerous local shows.

Most race meetings will consist of taking two former racehorses, this allows the public to meet and touch a horse, many for the first time. During the past thirteen years the charity have seen many of the then children, progress and learn to ride, just because they saw and touched one of their former racehorses. This also helps to promote the charity's objectives and aims to the wider public, many of whom have never considered what happens to racehorses once they are no longer active in the sport. The charity feels that this is important as it shows the true versatility of these wonderful horses.

The charity work with a local medium secure hospital, a low secure hospital, local hospices and care homes, where they will take a former racehorse and a pony companion to meet the patients. They feel that this work is very important. To be able to give someone who is either struggling or at the end of life the opportunity to interact with a horse and see them smile is priceless.

This work really does show the true versatility of these wonderful horses.

Public benefit

The trustees give due regard to guidance published by the Charity Commission on public benefit. The trustees consider the care, protection, treatment and security offered to racehorses and former racehorses to be a benefit to the public.

OBJECTIVES AND ACTIVITIES

Volunteers

The charity get support from businesses who donate a day, where they will donate their time to do the routine tasks like painting or specific projects. Due to the temperament and vulnerability of some of the horses that come to New Beginnings they do not have volunteers on the yard. They do however appreciate their help when attending race meetings and other events, to promote the charity and raise funds, supporting Kevin Atkinson and Pam Atkinson, the trustees who undertake these tasks on a day to day basis.

The assistance of the volunteers is invaluable to the charity.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Retraining of former racehorses

During the period £59,180 (£36,432: 2022) was received from the RoR (Retraining of Racehorses Charity) in respect of vulnerable horses taken into the care of New Beginnings Horses.

Fundraising activities

The charity was able to hold its main fundraising event (Charity Ball and Auction) in February 2022 and 2023 after the break due to COVID 19 restrictions. The event is also being planned to be held again in February 2024.

The charity rely on their "Friends of New Beginnings" these are the individuals and businesses who donate a monthly amount to help support the charity's activities.

The charity also received donations of feed from British Horse Feeds and Spillers which help enormously.

FINANCIAL REVIEW

Financial position

During the period the charity had a total income of £258,923 (£210,192: 2022). £79,180 (£36,432: 2022) of the income was from grants, the remaining £179,743 (£173,760: 2022) was raised from regular donations, gift aid claims, rehab livery, collections, fundraising, sale of merchandise and holiday cottage income.

Expenditure and depreciation of fixed assets amounted to £268,107 (£263,186: 2022), leaving a (deficit) of (£9,184) (unrestricted (£14,736), restricted £5,552) (deficit £52,994: 2022)

The deficit arose on unrestricted funds due to normal activity and the expenditure of the brought forward surplus and depreciation.

The restricted surplus in the year relates to an excess of grant income over expenditure and depreciation relating to the specific projects funding was received for.

In the year a total of £61,556 (£24,516: 2022) was invested in equipment additions and yard improvements.

Fund balances at the balance sheet date were:

Unrestricted £119,776 (£134,512: 2022)

Restricted £73,541 (£67,989: 2022)

Total £193,317 (£202,501: 2022)

FINANCIAL REVIEW

Principal funding sources

It remains essential that the level of income received each year is increased by way of building on existing fundraising sources and regular donations, but also the seeking of grants and donations towards specific projects wherever possible. New Beginnings Horses funded the majority of its own growth in the past (when the activities were carried out through a CIC prior to becoming a CIO and registered charity) and needs to concentrate on seeking funding for capital projects wherever possible so that its regular income can be used for the day to day running costs and support costs that will increase to enable the number of horses re-homed each year to rise.

Reserves policy

The trustees review the policy on reserves at least once per year with reference to the guidance issued by the Charity Commission.

As the charity is responsible for the care of horses, the trustees consider that a general reserve equivalent to two months' regular costs directly relating to the premises costs and insurance, wages, housing, feeding, farriery and veterinary care of the horses on site is appropriate. 30 horses are regularly stabled on site throughout any period. Considering the costs reported, an amount of £25,000 should be available at all times to protect the welfare of the horses, should any sudden change in the charity's income streams arise.

The general reserve is part of the unrestricted funds that are freely available to spend i.e. excluding restricted funds and tangible fixed assets.

This reserves policy also considers that horses can be returned from loan homes where circumstances have changed.

The level of free reserves, that is those unrestricted funds not tied up in tangible fixed assets, nor held in designated funds stood at £21,280 at 31 January 2023.

FUTURE PLANS

New Beginnings hosted its annual charity ball in February 2022. The ball in 2021 was unable to take place due to the pandemic which lost the Charity a valuable source of income for that year. The event was held again in February 2023 and is being planned for February 2024.

The charity continues to have a presence at York, Pontefract and Wetherby racecourses to promote awareness about a racehorse's life both during and after racing, the work of the charity, along with raising funds. New Beginnings feel that this work is important as it gives the racing public the opportunity to get up close and touch a former racehorse often for the first time. New Beginnings have been doing this for the last thirteen years, they have had people come to them who have fallen in love with horses and started riding because of their interaction with New Beginnings horses on a racecourse.

This year saw the charity work even closer with York racecourse, who has taken on Goldream (Remy) as their first ever Equine Ambassador. Remy has attended York's members meet and greet, along with attending St Leonards Hospice to meet some terminally ill patients as well as attending many race meetings. Here he stands with Nearly Caught (another New Beginnings ambassador racehorse) next to the running rail and allows the racing public to stroke him. He is showing the true versatility of these wonderful former racehorses.

The charity paraded several ridden horses retrained and rehomed by the charity at York and Pontefract, racecourses prior to a race meeting. This will be repeated in future years, as New Beginnings feels that it is important to show the racing public the true versatility of these fantastic horses.

The Charity is working hard to set up its TIE programme (Thoroughbred Interaction and Engagement) Two of the Trustees Kevin and Pam Atkinson will be visiting other organisations to see how they use not only horses but other animals for the benefit of people. New Beginnings have seen the benefit of people interacting with horses through the work they already do with a medium secure hospital, a low secure hospital and care homes.

New Beginnings takes suitable retrained but not yet rehomed horses to local competitions, they intend to continue with this to again highlight the level and quality of some of the horses that they are retraining and drive more people looking for a horse to them.

Notes to the Financial Statements
for the Year Ended 31 January 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Improvements to property	- 10% on reducing balance
Plant and machinery	- 15% on reducing balance
Fixtures and fittings	- 15% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- 33.33% on cost

Stocks

Stocks are valued at the lower of cost or net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the Balance Sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is shorter.

14. FEES FOR EXAMINATION OF THE ACCOUNTS

Fees for examination of the accounts £900 (2022: £900) are included in accountancy and legal fees.

15. DEFINED PENSION CONTRIBUTION SCHEME

The charity operates a defined contributions pension scheme on behalf of its employees. The assets of the scheme are held separately from those of the charity in independently administered funds. The total charge included in the accounts amounts to £1,679 (2022: £889). At the balance sheet date there were accrued contributions of £246 (2022: £396) of which £105 (2022: £170) related to employer contributions.

Pension expenses relating to staff allocated to a particular activity have been allocated directly to that activity. The employer pension cost is allocated between restricted and unrestricted funds in line with the allocation of the corresponding staff salaries.

Pension costs relating to management staff amounted to £1,264 (2022: £316).

16. RENT

The lease for the premises at The Grange, where the Charity is based, is in the names of Kevin Atkinson and Pam Atkinson personally, on trust for the Charity itself. The rent and lease are treated as being the Charity's expenditure and commitment.

The landlord is fully aware the Charity occupies the property under the lease and is also a donor and supporter of the Charity.

26. MOVEMENT IN FUNDS - continued

The purpose of the restricted funds are as follows:

Business development grant - provided by the Racing Foundation (£26,000)

This fund covered fees to help generate income for the charity and make grant applications

Racewood simulator - funded by Persula Foundation (£1,620)

This fund relates to a specific grant to purchase the simulator. The balance will fund the depreciation of the simulator.

Horse walker - contributions from RoR (£18,912) and Godolphin (£5,000)

These grants assisted in the purchase and installation of the Claydon Horse Exerciser. The balance will fund the depreciation of the simulator.

2 Stall Horsebox - funded by The Sir Peter O'Sullivan Charitable Trust (£28,200)

This grant was for the purchase of the 2 stall horsebox. The balance will fund the depreciation of the simulator.

10 stables - contribution by Persula Foundation (£9,000)

This grant was a contribution towards the costs incurred installing 10 stables in an outbuilding and associated costs. The balance will fund the depreciation of the 10 stables.

4 stables - contribution by Persula Foundation (£2,000)

This grant was a contribution towards the costs incurred installing 4 stables in an outbuilding and associated costs. The balance will fund the depreciation of the 4 stables.

All weather arena (covered round pen) - contributions from RoR (£26,700), Alborada Trust (£27,600) and Petplan Charitable Trust (£10,000)

A total of £54,300 of grants were initially received awaiting the raising of further funds to install a roof over the all weather arena. This project did not proceed in the same format and required less funds. RoR confirmed in 2021/22 that their grant of £26,700 could be allocated to unrestricted funds, so this was done. Petplan provided a further grant of £10,000 during the year to go towards the altered project, being the covered round pen. The balance will fund the depreciation of the round pen.

Exhibition unit trailer - funded by the Racing Foundation (£9,820)

This grant was for the purchase of the exhibition unit trailer. The balance will fund the depreciation of the trailer.

Painted Horse - funded by Persula Foundation (£5,000)

This grant was for the purchase of a life size horse model painted to show the anatomy of the horse. The project came in under budget and the remaining funds will be put towards another project or other costs as agreed with the funder. The balance will fund the depreciation of the trailer.

Exhibition unit fit out and promotional material - funded by The Sir Peter O'Sullivan Charitable Trust (£19,500)

This grant is to cover the costs of fitting out the exhibition unit and associated promotional material and to cover future depreciation.

Solarium - funded by a disbanded association, Harrogate Bridleways, (£1,430) given for a specific project

This grant was allocated to the costs incurred acquiring and installing a solarium used in the care of the horses. The balance will fund the depreciation of the solarium.

Horse box - funded by The Sir Peter O'Sullivan Charitable Trust (£10,000)

This grant was for the purchase of a larger horse box. The balance will fund the depreciation of the horse box.

27. TRANSACTIONS WITH TRUSTEES AND RELATED PARTIES

Trustee remuneration and benefits

Two of the trustees, Kevin Atkinson and Pam Atkinson, work in excess of full time for the charity. The only remuneration paid by the charity in the period was:

£27,300 (£22,371: 2022) to Kevin Atkinson

£27,300 (£22,371: 2022) to Pam Atkinson

Employer pension contributions paid were:

£632 (£158: 2022) for Kevin Atkinson

£632 (£158: 2022) for Pam Atkinson

The constitution allows for trustees to be remunerated with no more than a reasonable remuneration, provided that a majority of the trustees do not benefit under this provision.

Onsite residential accommodation with an estimated market value of £6,000 per annum (£6,000: 2022) plus council tax and water rates of £3,698 (£2,824: 2022) was provided for the trustees Kevin Atkinson and Pam Atkinson, and paid for by the charity. These trustees provide constant security and care for the horses on site at New Beginnings Horses. As the provision of residential accommodation for onsite trustees/staff is essential for the welfare of the horses to enable them to be monitored and cared for continually, this is considered to be an exempt benefit from a taxation and national insurance position.

Transactions with related parties

The trustees Kevin Atkinson and Pam Atkinson are jointly owed £5,504 (£1,361: 2022) by the charity at 31 January 2023. This will be repaid as unrestricted funds allow.

During the year an amount of £324 (£7,694: 2022) was paid to Kevin Atkinson's son, James Atkinson, for yard work throughout the year performed on a self employed basis.
