STRUCTURE, GOVERNANCE AND MANAGEMENT

AFRICAN VOICE IN MOSTON is a charity with a Constitution of a Charitable Incorporated Organisation. The charity is governed by the Trustees listed on page 2. New Trustees are appointed by the existing board of trustees based on their expertise and involvement in advancing the mission and vision of the charity.

The charity is endowed with diverse skills and businesspeople with some experiences in administrative and accounting that the Board of Trustees and advisers have at their disposal. The Board is accountable to the Charity Commission for the careful use of charitable and other public funds provided in a variety of forms, and for the achievement of appropriate performance standards in service delivery. The Board of Trustees meets at interval to oversee the vision and strategies of the charity.

With the growth of activities of the Charity, an ever-increasing level of expertise is required on a day-to-day basis and an established management team may be in place that can run the affairs of the Charity. The trustees listed on page 2 oversee the day-to-day management matters and are accountable to the public. They are not paid by the charity.

PUBLIC BENEFIT

The Trustees are satisfied that the information provided in the report and accounts meets the public benefit reporting requirements.

RISK ASSESSMENT

The Trustees actively review the major risks which the charity faces regularly and believe that maintaining the free reserves stated, combined with the review of controls over key financial systems carried out annually, will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

ACHIEVEMENTS AND PERFORMANCE

We have continued to consolidate our structures focusing on the development of informal learning, cultural and wellbeing projects, as well as social cohesion. Capacity building for AFRICAN VOICE IN MOSTON staff and volunteers has also been advanced.

Our key achievements this year are included below

Health and Wellbeing

Support and encourage participants in the importance of various activities and healthy eating. Exercise is very important activity in maintaining a healthy lifestyle.

Educational activities

Provide functional skills such as numeracy, literacy, and basic ICT. ESOL classes are planned and will start as soon as funds to run them are secured.

Family Support

We run the Collect & Go Foodbank to support isolated families, young mothers, low-income individuals, vulnerable adults on benefit sanction, registered destitute in need and Marginalised women/men unable to access public fund.

FINANCIAL REVIEW

The Trustees have prepared the accounting policies for African Voice in Moston (AVIM) in accordance with the requirements of the SORP and of best accounting practice.

Review of the year

The Trustees are pleased to report a period of a positive financial improvement even during the Covid -19 era. The baseline income has gone up to £23,169 (2021: £20,484). The costs have also gone up to £24,124 (2021: £17,629) and were contained within budget because of strong financial management and excellent cost control.

Surplus/Deficit

The total outgoing exceeded the incoming resources spent in the period by £955, and this is being covered by the excess fund of previous year brought forward.

Balance Sheet

The Balance Sheet as of 31st March 2022 was strong ensuring that the charity has the assets required to deliver its commitments to the people in the community.

RESERVES POLICY

The Trustees have adopted a reserves policy which they consider appropriate, to ensure the continuing ability of AVIM meet its objectives and obligations. The policy also seeks to maintain an acceptable ratio between the free reserves and the level of unrestricted cash expenditure. 'Free reserves' are represented by the unrestricted funds less the tangible fixed assets. 'Unrestricted cash expenditure' represents the operating costs for the year less the charge for depreciation. The Charity does not intend to accumulate significant reserves but depends upon the ongoing support of its donors to meet future costs. To be prudent, the charity aims to reserve 3 months operational costs at any one time; this would cover the charity in the event of unforeseen expenditure.

TRUSTEES' RESPONSIBILITIES

Charity Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its financial activities for that year together with its assets and liabilities at the end of the year, adequately distinguishing any material, special trust, or other restricted fund of the charity. In preparing those financial statements, the directors are required to:

- a) select suitable accounting policies and then apply them consistently;
- b) make judgments and estimates that are reasonable and prudent;
- c) state whether the policies adopted are in accordance with the appropriate SORP on accounting by charities and the Accounting Regulations and with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- d) prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in its activities.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Statements of Recommended Practice and the regulations made under section of the Charities Act 2011.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and irregularities. The trustees have the power to invest in such Assets as they see fit.

Independent Examiner's Report

To the members of

AFRICAN VOICE IN MOSTON, MANCHESTER

I report on the accounts of African Voice in Moston, for the year ended 31 March 2022, which are set out on pages 11 to 15.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144(2) of the Act and that an independent examination is needed.

It is my responsibility to:

1. examine the accounts under section 145 of the Charities Act;
2. to follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the Act; and
3. to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking such explanations from you as trustees concerning any matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act or
- the accounts do not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

AFRICAN VOICE IN MOSTON

Notes to the financial statements | Year ended 31 March 2022

1. Accounting Policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

African Voice in Moston meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern basis of accounting

The accounts have been prepared on the assumption that the charity is able to continue as a going concern, which the trustees consider appropriate having regard to the current level of unrestricted reserves. There are no material uncertainties about the charity's ability to continue as a going concern.

Fund accounting

General reserves are unrestricted funds that are available for use at the Trustees' discretion in furtherance of the objects of the charity.

Incoming resources

All incoming resources are included in the SOFA when the charity is legally entitled to the income, is reasonably certain of receipt and the amount can be measured with sufficient reliability. In accordance with the SORP, no value has been attributed to the work performed by volunteers, although their work is considered vital to the activities of the charity.

Donations and gifts

Donations and gifts consist of the total donations from individuals, trusts and corporates, along with income from fundraising events.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs of generating funds are those incurred in seeking voluntary income and do not include the costs of disseminating information in support of the charitable activities.

Grants

Grants to the charity are accounted for as soon as charity is notified of its legal entitlement and the amount due. Resources expended are included in the Statement of Financial Activities on an accruals basis.
