Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Our main focus remained to drive forward research into betel nut-induced oral cancer and nasopharyngeal cancer, supported by grants and donations. Furthermore, we have supported fellows with grants. In detail, we have awarded £4k of fellowship funds for 2025 with fellows travelling to Malawi and India. We have continued to closely work with our partners around the world and the company KARL STORZ has continued to support our programme.
