Achievements & Performance

Outputs and Outcomes for the Charity's Beneficiaries

The focus of the charity remains the ongoing provision of Ice Hockey related sporting activities for our membership. This exposes our members to healthy recreation, encourages personal development, increases self-confidence, and improves social skills within a safe and friendly environment. We welcome all young people regardless of personal background, faith, gender, or personal circumstances. We believe this philosophy enriches everyone through the sharing of the skills, aptitudes, and life experiences of our members. Our programme consists of but is not limited to the following: - Registered English Ice Hockey Association league teams from U9 through to U18 (Mixed gender Juniors teams), U18 Girls team, Senior Ladies, and Senior Men's teams. "In House" teams that encourages player development at an early opportunity. Players learn to play in game situations sooner than would be experienced if just league teams were in operation. Our governing body continue to use the "In House" programme as a showcase for other clubs throughout the UK. This remains a unique situation within UK ice Hockey and sees Swindon players gaining additional game experience. "Learn to play" enables young players to sample the benefits of the game of ice hockey in a safe, friendly, and encouraging environment. Community school programme. This consists of school visits to encourage healthy lifestyle choices through the promotion of ice hockey and related games and activities. This encourages participation in all ice sports irrespective of any disability.

Our Governing Body continue to use the club as a showcase and model for other clubs to follow. We continually provide support for the EIHA and fellow clubs in the following areas: "Junior Player recruitment", "In House League" and Staging of Ice Hockey events and tournaments. The club has maintained very healthy membership numbers and has the largest junior membership of any club in the UK. This is without considering the participation in Learn to Play and other associated activities. The club has continued to work closely with the Okanagan Hockey UK Academy (OHA) and built on the activities and support it provides. This enables access to professional expertise to assist in the following areas: Coach development and best practice. -Additional skills practices for members utilising the OHA coaches and training techniques. Player testing and evaluation. This utilises highly technical testing equipment to evaluate players and generate data for feedback and personal development. The Trustees continue to work closely with the club's Head Coach to identify player development opportunities on an ongoing basis.

Trustee Development

Trustees are encouraged to participate in development opportunities as and when appropriate.

Achievements & Performance

Outputs and Outcomes for the Charity's Beneficiaries

The focus of the charity remains the ongoing provision of Ice Hockey related sporting activities for our membership. This exposes our members to healthy recreation, encourages personal development, increases self-confidence, and improves social skills within a safe and friendly environment. We welcome all young people regardless of personal background, faith, gender, or personal circumstances. We believe this philosophy enriches everyone through the sharing of the skills, aptitudes, and life experiences of our members. Our programme consists of but is not limited to the following: - Registered English Ice Hockey Association league teams from U9 through to U18 (Mixed gender Juniors teams), U18 Girls team, Senior Ladies, and Senior Men's teams. "In House" teams that encourages player development at an early opportunity. Players learn to play in game situations sooner than would be experienced if just league teams were in operation. Our governing body continue to use the "In House" programme as a showcase for other clubs throughout the UK. This remains a unique situation within UK ice Hockey and sees Swindon players gaining additional game experience. "Learn to play" enables young players to sample the benefits of the game of ice hockey in a safe, friendly, and encouraging environment. Community school programme. This consists of school visits to encourage healthy lifestyle choices through the promotion of ice hockey and related games and activities. This encourages participation in all ice sports irrespective of any disability.

Our Governing Body continue to use the club as a showcase and model for other clubs to follow. We continually provide support for the EIHA and fellow clubs in the following areas: "Junior Player recruitment "In House League" and Staging of Ice Hockey events and tournaments. The club has maintained very healthy membership numbers and has the largest junior membership of any club in the UK. This is without considering the participation in Learn to Play and other associated activities. The club has continued to work closely with the Okanagan Hockey UK Academy (OHA) and built on the activities and support it provides. This enables access to professional expertise to assist in the following areas: Coach development and best practice. -Additional skills practices for members utilising the OHA coaches and training techniques. Player testing and evaluation. This utilises highly technical testing equipment to evaluate players and generate data for feedback and personal development. The Trustees continue to work closely with the clubs Head Coach to identify player development opportunities on an ongoing basis.
