THE BLACKPOOL BOYS AND GIRLS CLUB

Report of the Trustees for the Year Ended 31st March 2025

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The general objects of the Club are to promote the mental, physical and social well-being of boys and girls resident in the Blackpool area; to collect funds for administration and to administer such monies as may from time to time be subscribed for the benefit of the Club and its members; and to arrange and provide such outside activities as the committee may decide for the benefit of the members.

Organisation and activities

The Club is managed by an Executive Committee and activities are co-ordinated with the Lancashire Association of Boys and Girls Clubs (LABGC). The Centre organises meetings and activities for young and disabled people within the Blackpool area. The focus of our activities remains the design of personal development plans and a programme of youth orientated events and activities. This benefits young people by developing their self-confidence and social skills alongside practical IT skills and life skills.

The charity supports the delivery of youth services in furtherance of its charitable objectives. During the year, the charity did not always directly receive funding for the delivery of these services. Instead, funding was sometimes awarded directly by the funder to Effective Pedagogy Solutions CIC (EPS), an independent third-party organisation, which was contracted to deliver the services. In such circumstances, the charity entered into a subcontracting arrangement with EPS under which EPS was responsible for the operational delivery, staffing, and financial management of the youth services. The charity did not have control over the funds awarded to EPS and did not recognise this income or related expenditure in its Statement of Financial Activities.

The charity's role was limited to oversight and coordination, and any costs incurred by the charity in relation to this arrangement are included within expenditure on charitable activities. The trustees consider that this arrangement does not give rise to agency income, nor does it create a subsidiary, joint venture, or related party relationship for accounting purposes.

Public benefit

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit. We welcome all young people regardless of personal background, faith, gender or personal circumstances and we believe this philosophy of openness to all enriches everyone through the sharing of the skills, aptitudes and life experiences of our young people aged 8 to 19 and volunteers.

Volunteers

A great contribution is made by our member volunteers. We are grateful for the many hours volunteers have spent listening to and encouraging our young people and working with our youth workers. Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.

ACHIEVEMENT AND PERFORMANCE

Progress has been made in many areas of the Club activities this year and steps are in place to promote the Club's activities in the future.

FINANCIAL REVIEW

The financial position of the charity can be found on the main financial statements and related notes in these accounts.

The attached financial statements show the current state of the Club's finances, which the Committee consider to be sound. It is a stated aspirational policy of the Committee that the Club holds sufficient funding in reserve to ensure that the Club is operational for a minimum of 3 months. At the year end of 31st March 2025, the Committee is of the opinion that this reserves policy has not quite been achieved and reserves will look to be increased in line with the policy over the next 12 months.

The Committee, having recognised a new opportunity, has engaged with the local authority to look at future strategies going forward, and as part of that work it has identified various avenues of increasing reserves significantly in the short term, with the intention this will become the normal in the next 24 months. The ongoing reserves situation is being monitored on an ongoing basis, and the committee are comfortable there are relevant factors to negate the risk.

THE BLACKPOOL BOYS AND GIRLS CLUB

Statement of Trustees' Responsibilities for the Year Ended 31st March 2025

The trustees (who are also the directors of The Blackpool Boys And Girls Club for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

Independent Examiner's Report to the Trustees of
The Blackpool Boys and Girls Club

Independent examiner's report to the trustees of The Blackpool Boys and Girls Club ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

THE BLACKPOOL BOYS AND GIRLS CLUB

Statement of Trustees' Responsibilities for the Year Ended 31st March 2024

The trustees (who are also the directors of The Blackpool Boys And Girls Club for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

Independent Examiner's Report to the Trustees of
The Blackpool Boys and Girls Club

Independent examiner's report to the trustees of The Blackpool Boys and Girls Club ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31st March 2024

1. STATUTORY INFORMATION

The Blackpool Boys and Girls Club is registered as a charitable incorporated organisation and is domiciled in the UK. The charity's registered number and principal office can be found in the 'Reference and Administrative Details' section of the Report of the Trustees.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

No significant judgements have had to be made by the trustees in preparing these financial statements.

The trustees have concluded that it is appropriate to prepare the accounts on a going concern basis as there are no material uncertainties regarding going concern.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 20% on cost
Computer equipment	- 33% on cost

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

2. ACCOUNTING POLICIES - continued

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Donated services and facilities

Donated services and facilities are included at the value to the charity where this can be quantified.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are value at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. THE BLACKPOOL BOYS AND GIRLS CLUB

Report of the Trustees for the Year Ended 31st March 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The general objects of the Club are to promote the mental, physical and social well-being of boys and girls resident in the Blackpool area; to collect funds for administration and to administer such monies as may from time to time be subscribed for the benefit of the Club and its members; and to arrange and provide such outside activities as the committee may decide for the benefit of the members.

Organisation and activities

The Club is managed by an Executive Committee and activities are co-ordinated with the Lancashire Association of Boys and Girls Clubs (LABGC). The Centre organises meetings and activities for young and disabled people within the Blackpool area.

The focus of our activities remains the design of personal development plans and a programme of youth orientated events and activities. This benefits young people by developing their self-confidence and social skills alongside practical IT skills and life skills.

Public benefit

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit. We welcome all young people regardless of personal background, faith, gender or personal circumstances and we believe this philosophy of openness to all enriches everyone through the sharing of the skills, aptitudes and life experiences of our young people aged 8 to 19 and volunteers.

Volunteers

A great contribution is made by our member volunteers. We are grateful for the many hours volunteers have spent listening to and encouraging our young people and working with our youth workers. Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.

ACHIEVEMENT AND PERFORMANCE

Review of progress and achievements

Progress has been made in many areas of the Club activities this year and steps are in place to promote the Club's activities in the future.

FINANCIAL REVIEW

Financial position

The financial position of the charity can be found on the main financial statements and related notes in these accounts.

Finances

The attached financial statements show the current state of the Club's finances, which the Committee consider to be sound. It is a stated aspirational policy of the Committee that the Club holds sufficient funding in reserve to ensure that the Club is operational for a minimum of 3 months.

At the year end of 31 March 2023, the Committee is of the opinion that this reserves policy has not quite been achieved and reserves will look to be increased in line with the policy over the next 12 months.

The Committee, having recognised a new opportunity, has engaged with the local authority to look at future strategies going forward, and as part of that work it has identified various avenues of increasing reserves significantly in the short term, with the intention this will become the normal in the next 24 months. The ongoing reserves situation is being monitored on an ongoing basis, and the committee are comfortable there are relevant factors to negate the risk.

THE BLACKPOOL BOYS AND GIRLS CLUB

Report of the Trustees for the Year Ended 31st March 2023

FINANCIAL REVIEW

Going concern

The financial statements have been prepared on a going concern basis. This is the conclusion of the Trustees after taking full consideration of the uncertainties faced by the charity resulting from the Covid-19 pandemic that continues to affect both the UK and World's economies.

In preparing these financial statements the Trustees are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

Greater demand has been placed on the charity's financial resources due to Covid-19 and the various enforced closures of day to day operations that have had to be endured. This forced the Trustees to revisit their financial projections for the next twelve months after assessing the impact of limited or no individuals accessing the services offered.

Prudent assumptions have been made on the impact on each of the charity's revenue streams and how it can reduce costs whilst limiting the impact on the charity's ability to generate future income as soon as the pandemic is over and there is a return to operating as normal.

Whilst closed, the Charity made cost savings and the Charity has also taken advantage of government support by accessing the Coronavirus Job Retention Scheme. The Charity is also in the fortunate position that its premises are donated by the local council and there is no rent commitment.

The Trustees have reviewed in detail the Charity's updated cash flow projections and funding options and considered the Charity's ability to discharge its liabilities as they fall due. In doing so, and despite the challenges faced, they have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Trustees therefore continue to adopt the going concern basis of accounting in preparing the annual financial statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is a Charitable Incorporated Organisation (CIO) registered by the Charity Commission on 22nd February 2016. The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

The Executive Committee Members are elected or appointed on an annual basis.

THE BLACKPOOL BOYS AND GIRLS CLUB

Notes to the Financial Statements for the Year Ended 31st March 2023

1. STATUTORY INFORMATION

The Blackpool Boys and Girls Club is registered as a charitable incorporated organisation and is domiciled in the UK. The charity's registered number and principal office can be found in the 'Reference and Administrative Details' section of the Report of the Trustees.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

No significant judgements have had to be made by the trustees in preparing these financial statements.

The financial statements have been prepared on a going concern basis. This is the conclusion of the Trustees after taking full consideration of the ongoing uncertainties faced by the Charity resulting from the Covid-19 pandemic that continues to affect both the UK and World's economies. Despite the challenges faced, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Trustees therefore continue to adopt the going concern basis of accounting in preparing the annual financial statements. Further detail can be found in the Report of the Trustees.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 20% on reducing balance
Computer equipment	- 33% on cost

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

2. ACCOUNTING POLICIES - continued

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Donated services and facilities

Donated services and facilities are included at the value to the charity where this can be quantified.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are value at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

THE BLACKPOOL BOYS AND GIRLS CLUB

Report of the Trustees for the Year Ended 31st March 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The general objects of the Club are to promote the mental, physical and social well-being of boys and girls resident in the Blackpool area; to collect funds for administration and to administer such monies as may from time to time be subscribed for the benefit of the Club and its members; and to arrange and provide such outside activities as the committee may decide for the benefit of the members.

Organisation and activities

The Club is managed by an Executive Committee and activities are co-ordinated with the Lancashire Association of Boys and Girls Clubs (LABGC). The Centre organises meetings and activities for young and disabled people within the Blackpool area.

The focus of our activities remains the design of personal development plans and a programme of youth orientated events and activities. This benefits young people by developing their self-confidence and social skills alongside practical IT skills and life skills.

Public benefit

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit. We welcome all young people regardless of personal background, faith, gender or personal circumstances and we believe this philosophy of openness to all enriches everyone through the sharing of the skills, aptitudes and life experiences of our young people aged 8 to 19 and volunteers.

Volunteers

A great contribution is made by our member volunteers. We are grateful for the many hours volunteers have spent listening to and encouraging our young people and working with our youth workers. Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.

ACHIEVEMENT AND PERFORMANCE

Review of progress and achievements

Progress has been made in many areas of the Club activities this year and steps are in place to promote the Club's activities in the future.

FINANCIAL REVIEW

Financial position

The financial position of the charity can be found on the main financial statements and related notes in these accounts.

Finances

The attached financial statements show the current state of the Club's finances, which the Committee consider to be sound. It is a stated aspirational policy of the Committee that the Club holds sufficient funding in reserve to ensure that the Club is operational for a minimum of 3 months.

At the year end of 31 March 2022, the Committee is of the opinion that this reserves policy has not quite been achieved and reserves will look to be increased in line with the policy over the next 12 months.

The Committee, having recognised a new opportunity, has engaged with the local authority to look at future strategies going forward, and as part of that work it has identified various avenues of increasing reserves significantly in the short term, with the intention this will become the normal in the next 24 months. The ongoing reserves situation is being monitored on an ongoing basis, and the committee are comfortable there are relevant factors to negate the risk.

THE BLACKPOOL BOYS AND GIRLS CLUB

Report of the Trustees for the Year Ended 31st March 2022

FINANCIAL REVIEW

Going concern

The financial statements have been prepared on a going concern basis. This is the conclusion of the Trustees after taking full consideration of the uncertainties faced by the charity resulting from the Covid-19 pandemic that continues to affect both the UK and World's economies.

In preparing these financial statements the Trustees are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

Greater demand has been placed on the charity's financial resources due to Covid-19 and the various enforced closures of day to day operations that have had to be endured. This forced the Trustees to revisit their financial projections for the next twelve months after assessing the impact of limited or no individuals accessing the services offered.

Prudent assumptions have been made on the impact on each of the charity's revenue streams and how it can reduce costs whilst limiting the impact on the charity's ability to generate future income as soon as the pandemic is over and there is a return to operating as normal.

Whilst closed, the Charity made cost savings and the Charity has also taken advantage of government support by accessing the Coronavirus Job Retention Scheme. The Charity is also in the fortunate position that its premises are donated by the local council and there is no rent commitment.

The Trustees have reviewed in detail the Charity's updated cash flow projections and funding options and considered the Charity's ability to discharge its liabilities as they fall due. In doing so, and despite the challenges faced, they have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Trustees therefore continue to adopt the going concern basis of accounting in preparing the annual financial statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is a Charitable Incorporated Organisation (CIO) registered by the Charity Commission on 22nd February 2016. The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

The Executive Committee Members are elected or appointed on an annual basis.

THE BLACKPOOL BOYS AND GIRLS CLUB

Statement of Trustees' Responsibilities for the Year Ended 31st March 2022

The trustees (who are also the directors of The Blackpool Boys And Girls Club for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

Independent Examiner's Report to the Trustees of
The Blackpool Boys and Girls Club

Independent examiner's report to the trustees of The Blackpool Boys and Girls Club ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE BLACKPOOL BOYS AND GIRLS CLUB

Report of the Trustees for the Year Ended 31st March 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The general objects of the Club are to promote the mental, physical and social well-being of boys and girls resident in the Blackpool area; to collect funds for administration and to administer such monies as may from time to time be subscribed for the benefit of the Club and its members; and to arrange and provide such outside activities as the committee may decide for the benefit of the members.

Organisation and activities

The Club is managed by an Executive Committee and activities are co-ordinated with the Lancashire Association of Boys and Girls Clubs (LABGC). The Centre organises meetings and activities for young and disabled people within the Blackpool area.

The focus of our activities remains the design of personal development plans and a programme of youth orientated events and activities. This benefits young people by developing their self-confidence and social skills alongside practical IT skills and life skills.

Public benefit

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit. We welcome all young people regardless of personal background, faith, gender or personal circumstances and we believe this philosophy of openness to all enriches everyone through the sharing of the skills, aptitudes and life experiences of our young people aged 8 to 19 and volunteers.

Volunteers

A great contribution is made by our member volunteers. We are grateful for the many hours volunteers have spent listening to and encouraging our young people and working with our youth workers. Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.

ACHIEVEMENT AND PERFORMANCE

Review of progress and achievements

Progress has been made in many areas of the Club activities this year and steps are in place to promote the Club's activities in the future.

FINANCIAL REVIEW

Financial position

The financial position of the charity can be found on the main financial statements and related notes in these accounts.

Finances

The attached financial statements show the current state of the Club's finances, which the Committee consider to be sound. It is a stated aspirational policy of the Committee that the Club holds sufficient funding in reserve to ensure that the Club is operational for a minimum of 3 months.

At the year end of 31 March 2021, the Committee is of the opinion that with total funding in reserve of £18,479 this reserves policy has not quite been achieved and reserves will look to be increased in line with the policy over the next 12 months.

THE BLACKPOOL BOYS AND GIRLS CLUB

Report of the Trustees for the Year Ended 31st March 2021

FINANCIAL REVIEW

Going concern

The financial statements have been prepared on a going concern basis. This is the conclusion of the Trustees after taking full consideration of the ongoing uncertainties faced by the Charity resulting from the Covid-19 pandemic that continues to affect both the UK and World's economies.

In preparing these financial statements the Trustees are required to prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Charity has continually been able to meet its day to day working capital requirements despite being forced to close down its day to day operations at various times during the past two years. These closures did however place a greater demand on the Charity's financial resources and forced the Trustees to revisit their financial projections for the next twelve months after assessing the impact of limited or no individuals accessing the services offered.

Prudent assumptions have been made on the impact on each of the Charity's revenue streams and how it can reduce costs whilst limiting the impact on the Charity's ability to generate future income once the pandemic is over and there is a return to operating as normal.

Whilst closed, the Charity made cost savings and the Charity has also taken advantage of government support by accessing the Coronavirus Job Retention Scheme. The Charity is also in the fortunate position that its premises are donated by the local council and there is no rent commitment.

The Trustees have reviewed in detail the Charity's updated cash flow projections and funding options and considered the Charity's ability to discharge its liabilities as they fall due. In doing so, and despite the challenges faced, they have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Trustees therefore continue to adopt the going concern basis of accounting in preparing the annual financial statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is a Charitable Incorporated Organisation (CIO) registered by the Charity Commission on 22nd February 2016. The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

The Executive Committee Members are elected or appointed on an annual basis.

THE BLACKPOOL BOYS AND GIRLS CLUB

Statement of Trustees' Responsibilities for the Year Ended 31st March 2021

The trustees (who are also the directors of The Blackpool Boys And Girls Club for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

Independent Examiner's Report to the Trustees of
The Blackpool Boys and Girls Club

Independent examiner's report to the trustees of The Blackpool Boys and Girls Club ('the Company')
I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31st March 2021

1. STATUTORY INFORMATION

The Blackpool Boys and Girls Club is registered as a charitable incorporated organisation and is domiciled in the UK. The charity's registered number and principal office can be found in the 'Reference and Administrative Details' section of the Report of the Trustees.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

No significant judgements have had to be made by the trustees in preparing these financial statements.

The financial statements have been prepared on a going concern basis. This is the conclusion of the Trustees after taking full consideration of the ongoing uncertainties faced by the Charity resulting from the Covid-19 pandemic that continues to affect both the UK and World's economies. Despite the challenges faced, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Trustees therefore continue to adopt the going concern basis of accounting in preparing the annual financial statements. Further detail can be found in the Report of the Trustees.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 20% on reducing balance
Computer equipment	- 33% on cost

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
