## TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

### FOR THE YEAR ENDED 31 MARCH 2025

---

The trustees present their annual report and financial statements for the year ended 31 March 2025.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the day centre's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

#### **Objectives and activities**

The day centre's objects are:

- Strive to rehabilitate the elders of all ethnic groups and to develop their well being, alleviate loneliness and serve as a religious centre.
- To organise outings to other religious centres within the UK to develop religious openness and to stimulate mental well being.
- To organise trips to seaside resorts in the warmer months at a nominal charge.
- To organise free noteworthy events within the event calendar for all ethnic groups and to promote a cultural environment for them. These will often be subsidised from the charity funds.
- To provide religious and cultural activities followed by a midday meal once per week with the hope to introduce a second day yet to be decided.
- To provide yoga classes to promote a healthier lifestyle for the service users.
- To provide medical advice on issues affecting the elderly by inviting medical professionals to hold talks and to provide tiffin service for the local elderly.
- To support similar charitable organisations with similar aims.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the day centre should undertake. New trustees are recruited from existing volunteers who have demonstrated a strong work ethic and a commitment to the charity

#### **Achievements and performance**

The charity has been active for the whole year and has achieved the majority of its objectives and has now got the constant flow of the returning members. Extra focus has been on providing new services and with the help from the medical and social communities in the West Midlands, new services have been set up for the benefits of the membership. There was also the case of safeguarding the wellbeing of the elderly members who were most vulnerable throughout the year. However the directors will focus on maintaining the following in the coming year

- reduced meal charges for members using ring and ride services, £3 per day per meal.
- increased timetabled yoga classes for service users.
- medical professionals attending monthly to provide medical advice on issues affecting the elderly.
- increased the usage of the tiffin service for the local elderly people.
- for the second year we have been able to provide two free coaches to religious centres free of charge to paying members

### Financial review

It is the policy of the day centre that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's of budgeted expenditure which equates to £8,500 to £17,000. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the day centre's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees has assessed the major risks to which the day centre is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks. New trustees are recruited from existing volunteers who have demonstrated a strong work ethic and a commitment to the charity.

### Structure, governance and management

The day centre is a company limited by guarantee without share capital.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr N Tanna

Mrs P M Sonecha

None of the trustees have any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

New trustees are recruited from existing volunteers who have demonstrated a strong work ethic and a commitment to the charity, and provided training appropriate to their function. .

The Trustees meet regularly to set policies and procedures that are to be followed.

The trustees' report was approved by the Board of Trustees.

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

***FOR THE YEAR ENDED 31 MARCH 2025***

---

The trustees, who are also the directors of Jay Jalaram Day Centre Limited for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the day centre and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the day centre and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the day centre and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent examiner's report to the trustees of Jay Jalaram Day Centre Limited

I report to the Trustees on my examination of the accounts of the above charity ("the charity") for the year ended 31<sup>st</sup> March 2025

As the charity's Trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

The charity's gross income exceeded £25,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales (ICAEW)

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### **1.1 Accounting convention**

The accounts have been prepared in accordance with the day centre's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

The day centre is a Public Benefit Entity as defined by FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The day centre has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the day centre. Monetary amounts in these financial statements are rounded to the nearest £.

#### **1.2 Going concern**

At the time of approving the financial statements, the trustees have a reasonable expectation that the day centre has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

#### **1.4 Income**

Income is recognised when the day centre is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the day centre has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the day centre has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

#### **1.5 Expenditure**

Expenditure is accounted for on an accrual basis and has been clarified under headings that aggregate all costs relating to the category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources,

### 1 Accounting policies

(Continued)

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.7 Financial instruments

The day centre has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the day centre's balance sheet when the day centre becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the day centre's contractual obligations expire or are discharged or cancelled.
