STATEMENT OF TRUSTEE RESPONSIBILITIES

The Trustees of MOVE charity are responsible for preparing the Trustee's report and the financial statements in accordance with applicable law and United Kingdom accounting standards (United Kingdom Generally Accepted Accounting Practice).

The Law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources, including income and expenditure, of the charity for that year. In preparing these financial statements, the trustees are required to;

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the charities SORP;
- Make judgement and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity Commission guidelines. They are also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

CHARITY STATUS:

The charity was registered with the charity commission as a charitable incorporated organisation (CIO) on the 22nd February 2016. Charity number 1165675

AUDITORS:

The charity does not require an audit as the income is below the current audit threshold. The accounts have been externally examined by Anna Brocklehurst FCA.

This report was approved by the board of trustees on 03/12/2025 and signed on their behalf by:

STRUCTURE, GOVERNANCE AND MANAGEMENT

MOVE is a charitable incorporated organisation (CIO) and is governed by constitution. It was established in 22nd February 2016 when it achieved charitable status. MOVE is governed by a carefully selected Board of Trustees. The trustees of the charity are as set out above. The trustees are recruited for their skill and experience. The trustees seek to recruit members with a range of skills and attributes.

The criteria for the recruitment and appointment of trustees are as follows;

- The person must aspire to and believe in the charity's aims and objectives
- The person must be of a trustworthy nature
- The person must be hardworking and dedicated
- Help to develop and agree organisational strategy
- Support the CEO
- Promote the organisation at every opportunity
- Act in the best interests of MOVE Charity's beneficiaries.
- Make sure funds are spent on the purpose intended

Trustees are appointed by a resolution passed at a properly convened meeting of the charity Trustees. Trustees serve for a term of 3 to 5 years; after which they may retire or be re-appointed. All new trustees appointed undergo a thorough induction process which includes detailed information regarding roles, responsibilities and charity policies, all relevant Charity documents as well as the general Charity commission guidance.

FREQUENCY OF BOARD MEETINGS:

On average, the board meets 4 times per year with the CEO. Members of the board also meet/liaise with the CEO when required to review and approve medium-term strategic plans and goals, receive, and examine reports on the charity's financial affairs, monitor and support service delivery and fundraising activities and consider policies and procedures in areas such as risk management and legal and regulatory compliance. Informal meetings such as these will be held as regularly as required and may happen on the phone or via Google meet.

ROLE OF TRUSTEE BOARD IN RELATION TO CEO

The CEO is present at all trustee meetings and presents charity developments for discussion with the board. The board gives guidance to the CEO in relation to all developments and strategy relating to the charity's stated objectives.

RISK POLICY:

The trustees regularly review the major risks to which the charity is exposed to. Where appropriate, policies and procedures have been established to mitigate these risks. Procedures are in place to ensure compliance with safety of staff, volunteers, and beneficiary and all these procedures are reviewed periodically.

STAFF TEAM:

Our small but ambitious team are pivotal to ensuring we deliver our work and support the charities beneficiaries in the best way possible. We feel very lucky to have an incredibly passionate and dedicated team. Their commitment is second to none and ensures we deliver on our mission and goals and reach more people impacted by cancer in the best possible way.

MOVE CHARITY 2024-2025

Our Mission

At MOVE Against Cancer our mission is to support and empower everyone impacted by cancer to be more active because movement matters. Exercise - all movement - is one of the most important things anyone diagnosed with cancer can do to enhance wellbeing and improve health outcomes both during and after treatment.

Our Work

MOVE Against Cancer delivers support across three core areas:

- **8-Week Online Cancer Rehab Programme:** Specialist-led support for young people (13–30) diagnosed with cancer, aimed at reducing treatment side effects and improving physical and mental wellbeing.
- **5k Your Way, MOVE Against Cancer:** We are a support group with a difference. A community-led initiative linked to parkrun encouraging people living with and beyond cancer - as well as families, friends, and healthcare professionals - to walk, jog, run, cheer or volunteer on the last Saturday of each month at designated parkruns across the country.
- **MOVE Your Way Resources:** Educational workshops, talks, blogs, podcasts and conferences promoting movement as a way of life after a cancer diagnosis.

Through our own research and national evidence, we know not enough people are getting access to the support and information they need. We recognise that there is more to be done to support underserved groups to engage in physical activity. Our vision is for every single person impacted by cancer to be able to live an active and fulfilling life. We believe every individual impacted by cancer should receive the necessary support, resources, and information to engage in and maintain an active lifestyle.

Strategic Objectives

In 2024-2025 we focused on aligning our strategy with MOVE Against Cancer's growth and financial sustainability. Building from the strategic plan developed by the Board and Charity Founders in 2023-2024, our strategic pillars include:

- Developing access for all who need support
- Equality, diversity and inclusion in everything we do
- Building a sustainable organisation
- Strengthening partnerships
- Supporting our volunteers and ambassadors

Our Movement Partners

MOVE Against Cancer works with a number of important partners, all of whom play a vital role in supporting the charity and people living with and beyond cancer. These include organisations such as parkrun, Puregym, trundl, Erdinger Alkoholfrei, The

National Lottery Community Fund, Zalaris, Samworth Brothers and BBC Children in Need, alongside many other organisations and supporters from across the UK. We thank them all for their support and ongoing collaboration.

Financial Overview

It has been a positive year financially and the charity has been able to continue carrying out its objectives whilst investing in its future sustainability. The trustees consider the financial position at the year-end date to be satisfactory with a small surplus for the year of £23,283.

As part of ongoing financial management, the charity regularly reviews its financial controls according to the Charity Commission Internal checklist. Trustees consider the current financial position satisfactory and continue to review controls in line with Charity Commission guidance.

Income Generation and Funding

The MOVE Against Cancer Charity Board is proactive in maintaining financial stability and ensuring the effective management of resources. As part of our strategic planning each year, the Trustee Board and charity leadership identify any surplus funds that will be allocated. This year it has included increasing the number of freelance cancer rehab specialists so we can support more children and young people through the 8-week online cancer rehab programme. We have also made the decision to invest in staff and our key processes and systems; that all help to drive forward the operational management of the charity, in particular with the management of the 5k Your Way and Online Programme arms of the charity. These surplus funds have been carefully budgeted and aligned with our mission to support and inspire people to move against cancer. We are confident that our prudent financial management, coupled with our dedicated team and passionate supporters, will ensure the long-term success and impact of MOVE Against Cancer Charity. We will continue to develop and form relationships that result in funding to continue our charitable activities and MOVE Against Cancer will continue to strive for sustainable income streams.

Progressing forward from our strategy development in 2023-24, we have allocated required resources to expand and enhance our charity leadership and management. This included undertaking a CEO recruitment process to ensure we found the right skills and leadership for the charity moving into 2025-2026, with us set to welcome our new CEO in mid-2025. These decisions reflect our long-term strategy, charity values, and commitment to sustainable growth, operational excellence and effective resource management to support more people impacted by cancer.

A Big Thank You To All Our Supporters

A heartfelt thank you to our fundraisers, supporters, ambassadors, volunteers and partners. Throughout this year you've run, swam, cycled and moved "your way" to help us raise vital funds for MOVE Against Cancer and we're deeply grateful. MOVE Against Cancer is founded on building connections and moving together, and we are forever grateful for your continued efforts to help us support more people impacted by cancer.

Reserves

In assessing the overall level of reserves, the charity policy always aims to maintain sufficient unrestricted funds which include at least 3 months' management and overhead costs. The charity's policy is to ensure that its assets and reserves are safeguarded in a risk-free manner. It is the duty of the trustees to monitor reserves and they regularly

review the reserves required to meet known and estimated expenditure in furtherance of that charity's objectives and for its administration.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/A". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability. 	Yes	No	N/A
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes	No	N/A
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP). In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	Yes	No	N/A
Legacies	Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	Yes	No	N/A
Government grants	The charity has received government grants in the reporting period.	Yes	No	N/A
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise. All gift aid received is from justifying and is included with the donation and therefore not shown separately in	Yes	No	N/A
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes	No	N/A
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	Yes	No	N/A
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	Yes	No	N/A
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	Yes	No	N/A
Donated services and facilities	Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.	Yes	No	N/A
Support costs	The charity has incurred expenditure on support costs.	Yes	No	N/A
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	Yes	No	N/A
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	Yes	No	N/A
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	Yes	No	N/A
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.	Yes	No	N/A
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	Yes	No	N/A
2.3 EXPENDITURE AND LIABILITIES				
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	Yes	No	N/A
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	Yes	No	N/A
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	Yes	No	N/A
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	Yes	No	N/A
Redundancy cost	The charity made no redundancy payments during the reporting period.	Yes	No	N/A
Deferred income	No material item of deferred income has been included in the accounts.	Yes	No	N/A
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	Yes	No	N/A
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	Yes	No	N/A
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS 102 SORP. Subsequent measurement is as per paragraphs 11.1.7 to 11.1.9, FRS 102 SORP.	Yes	No	N/A
2.4 ASSETS				
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least <input type="checkbox"/> They are valued at cost.	Yes	No	N/A
Intangible fixed assets	The depreciation rates and methods used are disclosed in note 9.2. The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5. They are valued at cost.	Yes	No	N/A
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geographical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4. They are valued at cost.	Yes	No	N/A
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments.	Yes	No	N/A
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value. Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by terms of stock. Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes	No	N/A
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	Yes	No	N/A
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	Yes	No	N/A
	They are valued at fair value except where they qualify as basic financial instruments.	Yes	No	N/A

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 March 2025.

**Responsibilities and
basis of report**

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

STATEMENT OF TRUSTEE RESPONSIBILITIES

The Trustees of MOVE charity are responsible for preparing the Trustee's report and the financial statements in accordance with applicable law and United Kingdom accounting standards (United Kingdom Generally Accepted Accounting Practice).

The Law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources, including income and expenditure, of the charity for that year. In preparing these financial statements, the trustees are required to;

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the charities SORP;
- Make judgement and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity Commission guidelines. They are also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

CHARITY STATUS:

The charity was registered with the charity commission as a charitable incorporated organisation (CIO) on the 22nd February 2016. Charity number 1165675

AUDITORS:

The charity does not require an audit as the income is below the current audit threshold. The accounts have been externally examined by Anna Brocklehurst FCA.

STRUCTURE, GOVERNANCE AND MANAGEMENT

MOVE is a charitable incorporated organisation (CIO) and is governed by constitution. It was established in 22nd February 2016 when it achieved charitable status. MOVE is governed by a carefully selected Board of Trustees. The trustees of the charity are as set out above. The trustees are recruited for their skill and experience. The trustees seek to recruit members with a range of skills and attributes.

The criteria for the recruitment and appointment of trustees are as follows;

- The person must aspire to and believe in the charity's aims and objectives
- The person must be of a trustworthy nature
- The person must be hardworking and dedicated
- Help to develop and agree organisational strategy
- Support the CEO
- Promote the organisation at every opportunity
- Act in the best interests of MOVE Charity's beneficiaries.
- Make sure funds are spent on the purpose intended

Trustees are appointed by a resolution passed at a properly convened meeting of the charity Trustees. Trustees serve for a term of 3 years; after which they may retire or be re-appointed. All new trustees appointed undergo a thorough induction process which includes detailed information regarding roles, responsibilities and charity policies, all relevant Charity documents as well as the general Charity commission guidance.

FREQUENCY OF BOARD MEETINGS:

On average, the board meets 4 times per year with the CEO. Members of the board also meet/liase with the CEO when required to review and approve medium-term strategic plans and goals, receive, and examine reports on the charity's financial affairs, monitor and support service delivery and fundraising activities and consider policies and procedures in areas such as risk management and legal and regulatory compliance. Informal meetings such as these will be held as regularly as required and may happen on the phone or via skype.

ROLE OF TRUSTEE BOARD IN RELATION TO CEO

The CEO is present at all trustee meetings and presents charity developments for discussion with the board. The board gives guidance to the CEO in relation to all developments and strategy relating to the charity's stated objectives.

RISK POLICY:

The trustees regularly review the major risks to which the charity is exposed to. Where appropriate, policies and procedures have been established to mitigate these risks. Procedures are in place to ensure compliance with safety of staff, volunteers, and beneficiary and all these procedures are reviewed periodically.

STAFF TEAM:

Our small but ambitious team are pivotal to ensuring we deliver our work and support the charities beneficiaries in the best way possible. We feel very lucky to have an incredibly passionate and dedicated team. Their commitment is second to none and ensures we deliver on our mission and goals and reach more people impacted by cancer in the best possible way.

MOVE Charity Founders Message

MOVE Charity supports, inspires, and empowers people impacted by cancer to Move Against Cancer, because movement matters.

In 2012, at just 24 years old, I faced a life changing cancer diagnosis (Burkitt lymphoma). As an international athlete, I wanted support to stay active during treatment and regain my fitness after treatment, but this support didn't exist. My experience ignited my passion and determination to help others understand and experience the benefits of an active lifestyle while navigating life during and after cancer treatment.

To do this, I founded **MOVE** charity in 2016 with the support of my family and founding trustees Dr Fiona Miall; my Dad, Nigel Hillier and Dr Clare Stevinson. MOVE charity's early mission was to support children and young people through cancer rehabilitation and has evolved from small group, face to face meet ups to the innovative and life changing one-to-one **Move Online Rehabilitation Programme** for young people aged 13-30 led by cancer rehab specialists.

In June 2018, the second phase of Move charity started when, in collaboration with Dr Lucy Gossage, we launched the **5k Your Way, Move Against Cancer initiative** linked to parkrun. As a consultant oncologist with a background as a professional triathlete Lucy believes passionately in the power of movement for those living with and beyond cancer and wanted to find a way to challenge the myth that 'rest is best'.

Our vision was to create an empowering and inspiring active cancer support group. Together, we founded 5K Your Way—a community that encourages anyone impacted by cancer to live an active and fulfilling lifestyle. The 5KWY groups take place on the last Saturday of every month and they inspire and empower individuals to walk, jog, run, cheer, or volunteer, fostering a supportive environment.

At MOVE Charity, we strive to change the perception of living with and beyond cancer. We believe that every person diagnosed with cancer should be informed and offered support around the benefits of being active during and after treatment, and we are committed to providing support and guidance to help them achieve that.

In May 2023 I decided it was time for me to step down from my role as CEO of MOVE Charity. I love this charity and I always will and I want to see the charity thrive and grow in the coming years, but in order for that to happen, I felt as though it was time for a new CEO to step into the charity and look at the strategy with a fresh perspective. My decision was welcomed by the board and I want to thank them all for their full support during my time at this charity. All that has been achieved so far would not have been possible without their continued dedication to MOVE.

MOVE CHARITY 2023-2024

Our mission is to support, inspire and empower people to move against cancer, because movement matters. Our 3 areas of work which support people impacted by cancer are; 8 week Online cancer rehab programme for young people aged 13-30 nationwide, 5k Your Way, Move Against Cancer initiative linked to park run - a cancer support group with a difference and Move Your Way educational resources.

MOVE continues to operate our services under 3 main areas of activity:

8 week online cancer rehab programme - currently for children and young people. Providing specialist support to children and young people diagnosed with cancer, delivered by cancer rehab specialists. The aim of the programme is to reduce short term and long-term side effects of treatment, improve quality of life and improve physical and psychological wellbeing.

5k Your Way, Move Against Cancer initiative - 5KYW is a community-based initiative linked to parkrun. The aim is to encourage those living with and beyond cancer, families, friends, and those working in cancer services to walk, jog, run, cheer or volunteer with their 5KYW group at a parkrun event on the last Saturday of every month. We are a support group with a difference, a run and walking club with a difference, a social opportunity with a difference.

MOVE Your Way Educational Resources – Promoting the benefits of physical activity and exercise when living with and beyond a cancer diagnosis. This involves delivering online workshops, talks, and conferences on all things cancer, exercise, and movement as a way of life for other charities and organisations. We also have our podcast, the Move Against Cancer podcast which we are very proud of.

ORGANISATIONAL OBJECTIVE

Our aim for 2023 - 2024 was to create a strategy that aligns with charity's growth as well as the charity's finances. We actively recruited a new CEO to help drive this strategy forward with a vision of developing a 1 & 3 year plan for the charity that will set MOVE up for long term success and sustainability. The main strategy objectives are highlighted below in the charities development.

MOVE CHARITIES DEVELOPMENT SINCE 2016

MOVE's original aim was to support children and young people who are living cancer through the power and inspiration of physical activity and sport. Our aim was to support children and young people to get moving against cancer, build confidence and self-esteem and focus on what you can do rather than what you can't. When MOVE Charity was founded this support just wasn't available and now, we as a charity are leading in this area of work. After we launched our 5KYW initiative we realised how important it was to support everyone diagnosed with cancer no matter what age, diagnosis, ability, or background and this is what our 5KYW groups do so well. Our Original aim of the charity was submitted to the Charity commission when we founded MOVE in 2016. With the introduction of 5KYW initiative and our MOVE Your Way Resources this no longer represents all the work we do as a charity.

As a result we have now updated our mission, which is stated at the top of our annual report and our new strategy represents the work that is undertaken at MOVE. The new strategic pillars for MOVE in 2023 are as follows:

- Access for all those who need support
- Equality, Diversity Inclusive in all we do
- Building a sustainable organisation
- Building Strong partnerships

MOVE CHARITY FINANCIAL REVIEW:

It's been a good year financially and the charity has been able to continue carrying out its objectives. The trustees consider the financial position at the year- end date to be satisfactory with a small surplus for the year of £27,784. The charity regularly reviews its financial controls according to the Charity Commission Internal checklist.

INCOME GENERATION OBJECTIVE

The MOVE Charity Board is proactive in maintaining financial stability and ensuring the effective management of resources. As part of our strategic planning, we have identified surplus funds that will be allocated this year, this includes increasing the number of freelance cancer rehab specialists, so we can support more children and young people through the 8 week online cancer rehab programme. We have also made the decision to invest in staff, who will help contribute to the operational management of the charity, in particular with the management of the 5k Your Way and Online Resources arms of the charity.

These surplus funds have been prudently budgeted and aligned with our mission to support and inspire people to move against cancer. We are confident that our prudent financial management, coupled with our dedicated team and passionate supporters, will ensure the long-term success and impact of MOVE Charity.

We will continue to develop and form relationships that result in funding to continue our charitable activities and MOVE will continue to strive for sustainable income streams.

A big Thank you

MOVE Charity would like to say a big thank you to our wonderful fundraisers, supporters, ambassadors, volunteers, and partners who have supported us over the last year. MOVE supporters and fundraisers have run, swam, cycled and moved their way. They have helped in any way they can to raise money for MOVE again this year and we are incredibly grateful.

RESERVES

In assessing the overall level of reserves, the charity policy always aims to maintain sufficient unrestricted funds which include at least 3 months' management and overhead costs. The charity's policy is to ensure that its assets and reserves are safeguarded in a risk-free manner. It is the duty of the trustees to monitor reserves and they regularly review the reserves required to meet known and estimated expenditure in furtherance of that charity's objectives and for its administration.

Note 2 **Accounting policies**

2.2 INCOME

The standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability. 	Yes	No	N/a
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes	No	N/a
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	Yes	No	N/a
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	Yes	No	N/a
Government grants	The charity has received government grants in the reporting period.	Yes	No	N/a
Tax reclaim on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise. All gift aid received is from Justgiving and is included with the donation and therefore not shown separately in these accounts.	Yes	No	N/a
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes	No	N/a
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.	Yes	No	N/a
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.	Yes	No	N/a
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	Yes	No	N/a
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	Yes	No	N/a
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	Yes	No	N/a
Donated services and facilities	Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.	Yes	No	N/a
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.	Yes	No	N/a
Support costs	The charity has incurred expenditure on support costs.	Yes	No	N/a
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	Yes	No	N/a
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	Yes	No	N/a
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	Yes	No	N/a
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	Yes	No	N/a
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	Yes	No	N/a
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	Yes	No	N/a
2.3 EXPENDITURE AND LIABILITIES				
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	Yes	No	N/a
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	Yes	No	N/a
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	Yes	No	N/a
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	Yes	No	N/a
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	Yes	No	N/a
Redundancy cost	The charity made no redundancy payments during the reporting period.	Yes	No	N/a
Deferred income	No material item of deferred income has been included in the accounts.	Yes	No	N/a
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts.	Yes	No	N/a
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.	Yes	No	N/a
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS 102 SORP.	Yes	No	N/a
2.4 ASSETS				
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least <input checked="" type="checkbox"/> They are valued at cost.	Yes	No	N/a
Intangible fixed assets	The depreciation rates and methods used are disclosed in note 9.2. The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through statutory or legal rights. The amortisation rates and methods used are disclosed in note 9.5. They are valued at cost.	Yes	No	N/a
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geographical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4. They are valued at cost.	Yes	No	N/a
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments.	Yes	No	N/a
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value. Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock. Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes	No	N/a
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	Yes	No	N/a
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due. They are valued at fair value except where they qualify as basic financial instruments.	Yes	No	N/a

Report to the trustees/ members of	Charity Name MOVE		
On accounts for the year ended	31 March 2024	Charity no (if any)	1165675
Set out on pages	1 to 34 <small>(remember to include the page numbers of additional sheets)</small>		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 March 2023.

**Responsibilities and
basis of report**

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

STATEMENT OF TRUSTEE RESPONSIBILITES

The Trustees of MOVE charity are responsible for preparing the Trustee's report and the financial statements in accordance with applicable law and United Kingdom accounting standards (United Kingdom Generally Accepted Accounting Practice).

The Law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources, including income and expenditure, of the charity for that year. In preparing these financial statements, the trustees are required to;

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the charities SORP;
- Make judgement and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity Commission guidelines. They are also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

CHARITY STATUS:

The charity was registered with the charity commission as a charitable incorporated organisation (CIO) on the 22nd February 2016. Charity number 1165675

AUDITORS:

The charity does not require an audit as the income is below the current audit threshold. The accounts have been externally examined by Dave Barnett, Accountant.

This report was approved by the board of trustees on 08/01/2024 and signed on their behalf by:

**Lewis Moses**

Trustee and Interim Chair 2022 to August 2023

8th January 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

MOVE is a charitable incorporated organisation (CIO) and is governed by constitution. It was established in 22nd February 2016 when it achieved charitable status. MOVE is governed by a carefully selected Board of Trustees. The trustees of the charity are as set out above. The trustees are recruited for their skill and experience. The trustees seek to recruit members with a range of skills and attributes.

The criteria for the recruitment and appointment of trustees are as follows;

- The person must aspire to and believe in the charity's aims and objectives
- The person must be of a trustworthy nature
- The person must be hardworking and dedicated
- Help to develop and agree organisational strategy
- Support the CEO
- Promote the organisation at every opportunity
- Act in the best interests of MOVE Charity's beneficiaries.
- Make sure funds are spent on the purpose intended

Trustees are appointed by a resolution passed at a properly convened meeting of the charity Trustees. Trustees serve for a term of 3 years; after which they may retire or be re-appointed. All new trustees appointed undergo a thorough induction process which includes detailed information regarding roles, responsibilities and charity policies, all relevant Charity documents as well as the general Charity commission guidance.

FREQUENCY OF BOARD MEETINGS:

On average, the board meets 4 times per year with the CEO. Members of the board also meet/liaise with the CEO when required to review and approve medium-term strategic plans and goals, receive, and examine reports on the charity's financial affairs, monitor and support service delivery and fundraising activities and consider policies and procedures in areas such as risk management and legal and regulatory compliance. Informal meetings such as these will be held as regularly as required and may happen on the phone or via skype.

ROLE OF TRUSTEE BOARD IN RELATION TO CEO

The CEO is present at all trustee meetings and presents charity developments for discussion with the board. The board gives guidance to the CEO in relation to all developments and strategy relating to the charity's stated objectives.

RISK POLICY:

The trustees regularly review the major risks to which the charity is exposed to. Where appropriate, policies and procedures have been established to mitigate these risks. Procedures are in place to ensure compliance with safety of staff, volunteers, and beneficiary and all these procedures are reviewed periodically.

STAFF TEAM:

Our small but ambitious team are pivotal to ensuring we deliver our work and support the charities beneficiaries in the best way possible. We feel very lucky to have an incredibly passionate and dedicated team. Their commitment is second to none and ensures we deliver on our mission and goals and reach more people impacted by cancer in the best possible way.

MOVE Charity Founders Message

MOVE Charity supports, inspires, and empowers people impacted by cancer to Move Against Cancer, because movement matters.

In 2012, at just 24 years old, I faced a life changing cancer diagnosis (Burkitt lymphoma). As an international athlete, I wanted support to stay active during treatment and regain my fitness after treatment, but this support didn't exist. My experience ignited my passion and determination to help others understand and experience the benefits of an active lifestyle while navigating life during and after cancer treatment.

To do this, I founded **MOVE** charity in 2016 with the support of my family and founding trustees Dr Fiona Miall; my Dad, Nigel Hillier and Dr Clare Stevinson. MOVE charity's early mission was to support children and young people through cancer rehabilitation and has evolved from small group, face to face meet ups to the innovative and life changing one-to-one **Move Online Rehabilitation Programme** for young people aged 13-30 led by cancer rehab specialists.

In June 2018, the second phase of Move charity started when, in collaboration with Dr Lucy Gossage, we launched the **5k Your Way, Move Against Cancer initiative** linked to parkrun. As a consultant oncologist with a background as a professional triathlete Lucy believes passionately in the power of movement for those living with and beyond cancer and wanted to find a way to challenge the myth that 'rest is best'.

Our vision was to create an empowering and inspiring active cancer support group. Together, we founded 5K Your Way—a community that encourages anyone impacted by cancer to live an active and fulfilling lifestyle. The 5KWY groups take place on the last Saturday of every month and they inspire and empower individuals to walk, jog, run, cheer, or volunteer, fostering a supportive environment.

At MOVE Charity, we strive to change the perception of living with and beyond cancer. We believe that every person diagnosed with cancer should be informed and offered support around the benefits of being active during and after treatment, and we are committed to providing support and guidance to help them achieve that.

Amy Harding, Director of Services & Impact, Teenage Cancer Trust

"Teenage Cancer Trust has worked closely with Move Charity since it was founded in 2016. They have provided support to young people across the UK at many of our national support events and we know through feedback from young people the difference this makes. MOVE Charity has a real energy and passion for supporting young people with cancer and we look forward to working with them this year and in the future."

Our vision and mission are at the heart of everything we do, and we have continued to deliver on that this year. I would like to say a huge thank you to Team MOVE, our Trustee board, our ambassadors, champions, volunteers, community, and supporters. We wouldn't have been able to achieve what we have in this last year without you, and we hope to continue to thrive as an organisation and team moving forward.

Together, we want to push boundaries and challenge norms, continuing the work that I started in 2012, inspiring my treating team of doctors and nurses to think differently about movement and exercise through cancer treatment. We are helping to create a future where moving against cancer is common practice.

With our team, community, volunteers and supporters' passion, drive, and expertise, we hope to shape a world where individuals impacted by cancer find hope, support, and empowerment.

MOVE CHARITY 2022-2023

Our Aims, Objectives, and impact.

MOVE's mission is to support and inspire people to move against cancer because movement matters.

MOVE continues to operate our services under 3 main areas of activity:

Online cancer rehab programme. This is an 8 week, one-to-one online 'building foundations' programme, delivered by cancer rehabilitation specialists, providing specialist support to 13–30-year-olds living with and after cancer. The programme aims to support young people to build back their confidence in their body and get active after cancer treatment.

The difference it makes:

In 2022-23 153 children and young people were referred to our Move Against Cancer online programme. A formal evaluation, published in the 'Supportive Care in Cancer' medical journal in June 2023, showed that participants experienced improvement across all five measured areas (cancer-related fatigue, quality of life, and physical, role and emotional functioning).

One participant wrote: "Rather than constantly replaying the possibility of failure, I'm teaching myself to focus on the possibility of success. Thinking about the progress I have made is mind blowing! I have gone from walking and very light and bodyweight resistance training to sprints on the bike and being back to the strength training I had missed so much. I am getting back to living and loving life! This has, by no means, been a solo effort. A huge thank you to all those that have helped and supported me in getting through an incredibly difficult part of my life."

5k Your Way, Move Against Cancer initiative - 5KYW is a community-based initiative linked to parkrun. The aim is to encourage those living with and beyond cancer, families, friends, and those working in cancer services to walk, jog, run, cheer or volunteer with their 5KYW group at a parkrun event on the last Saturday of every month. We are a support group with a difference, a run and walking club with a difference, a social opportunity with a difference. Over the 2022-23 year we launched 10 new groups and have total of 400 ambassadors.

The difference it makes:

5KYW is a support group that combines the physical and psychological benefits of exercise with the psychological benefits of a peer support group.

The outcomes we hope to see for our 5KYW group members and ambassadors include;

- Improved confidence and self-esteem
- Reduced social isolation
- Improved mental wellbeing
- Increased participation in physical activity
- Skill development through volunteer and ambassador roles.

We asked our community what 5K Your Way meant to them and how we'd helped them after their cancer diagnosis. This is what they told us:

"The 5K Your Way community feels like family"

"5K Your Way gave me a safe space"

"Having a date in the diary that wasn't a hospital appointment, that was for me with others who understood was just what I needed"

"I couldn't have done it without 5K Your Way"

"You help us to concentrate on what we CAN DO, not on what we cannot do".

"I still recall the relief when I saw the 5K Your Way poster in the oncology waiting room. Knowing I could still be a 'runner' when I felt my identity was changing from treatment"

Each 5K Your Way group is truly valued but we know our impact is bigger than the groups themselves. Our community showcases what is possible despite cancer and challenges the myth that rest is best. By existing, our community encourages and empowers those living with and after cancer to Move Their Way.

Whether it's through finding connection and helping people feel less isolated, keeping moving or supporting people impacted by cancer to feel more than just a cancer patient, 5KYW will be here for them.

MOVE Your Way Resources – Our resources promote the benefits of physical activity and exercise when living with and beyond a cancer diagnosis. In 2022-2023 we delivered live online workshops, spoke at a number of national and regional conferences, and produced Move Against Cancer podcasts. Our long-term aspiration is to become to 'go-to' resource providing information and inspiration to support and empower people to get active and stay active during and after cancer treatment.

The difference it makes:

'I attended all 3 sessions, and they were excellent. I have been able to take away specific exercises/moves from each to incorporate into daily living (as and when I remember!) I thought that Vicky's explanations were really helpful and am really trying to be conscious to sit or stand 'out' of my joints' A workshop participant

Podcasts- *'The Podcasts are great; I find them so inspiring and recommended them to my patients. Exercise, in particular mountain biking and walking, is so important for me to help keep my work life balance in order, especially during these crazy times in NHS Oncology and I love to encourage activity for my patients for all the health benefits it offers. Not sure which podcast is my favourite, I love the variety, love the age range you have managed to cover and think you all establish really relaxed rapports with your interviewees' Health care professional and podcast listener.*

ORGANISATIONAL OBJECTIVE

Our plan over the next 3 years is to focus on developing a long-term strategy to ensure MOVE's future sustainability and growth. We want to nurture our growth in a way that is manageable and efficient across all areas of work. Next year our number one priority is to develop a new fundraising strategy to help sustain and grow the work we do and support more people living with and beyond cancer.

MOVE CHARITIES DEVELOPMENT SINCE 2016

MOVE's original aim was to support children and young people to get moving against cancer, build confidence and self-esteem and focus on what you can do rather than what you can't. When MOVE Charity was founded this support just wasn't available and now, we as a charity are leading in this area of work. After we launched our 5KYW initiative we realised how important it was to support everyone diagnosed with cancer no matter what age, diagnosis, ability, or background and this is what our 5KYW groups do so well.

Our Original aim of the charity was submitted to the Charity commission when we founded MOVE in 2016. With the introduction of 5KYW initiative and our MOVE Your Way Resources this no longer represents all the work we do as a charity. We are currently working to update our objectives with the charity commission.

MOVE CHARITY FINANCIAL REVIEW:

It's been a difficult year to grow financially but the charity has been able to carry out its objectives. The trustees consider the financial position at the year- end date to be satisfactory with a small deficit for the year of £45,062. The charity regularly reviews its financial controls according to the Charity Commission Internal checklist.

INCOME GENERATION OBJECTIVE

The MOVE Charity Board is proactive in maintaining financial stability and ensuring the effective management of resources. As part of our strategic planning, we have identified surplus funds that will be allocated this year, this includes full redevelopment to bring our 2 websites into one and creating a cancer rehab leading resources hub, staff salary increases due to inflation and cost of living bonuses and employment of 2 additional full time and part time staff members. These surplus funds have been prudently budgeted and aligned with our mission to support and inspire people to move against cancer. Additionally, we acknowledge the operational deficit incurred in this fiscal year (2022-2023). To address this, we have implemented cost-saving measures and are leveraging unrestricted reserves to cover the deficit, allowing us to maintain financial sustainability and continue delivering impactful programs and services. We are confident that our prudent financial management, a new fundraising strategy for 2023-24, coupled with our

dedicated team and passionate supporters, will ensure the long-term success and impact of MOVE Charity.

We will continue to develop and form relationships that result in funding to continue our charitable activities and MOVE will continue to strive for sustainable income streams.

A big Thank you

MOVE Charity would like to say a big thank you to our wonderful community of staff, fundraisers, supporters, ambassadors, volunteers, and partners who have supported us over the last year. MOVE supporters and fundraisers have run, walked, swam, cycled and moved against cancer their way. They have helped in any way they can to raise money for MOVE again this year to help others and we are incredibly grateful.

RESERVES

In assessing the overall level of reserves, the charity policy always aims to maintain sufficient unrestricted funds which include at least 3 months' management and maintenance costs. The level set for the current is to provide 3 months of running costs and to support any increase in costs of products or services. 2023-2024 may continue to be a turbulent year for charities due current financial climate and rise in living costs. During this phase, the charity's policy is to ensure that it's assets and reserves are safeguarded in a risk-free manner. It is the duty of the trustees to monitor reserves and they regularly review the reserves required to meet known and estimated expenditure in furtherance of that charity's objectives and for its administration

STATEMENT OF TRUSTEE RESPONSIBILITIES

The Trustees of MOVE charity are responsible for preparing the Trustee's report and the financial statements in accordance with applicable law and United Kingdom accounting standards (United Kingdom Generally Accepted Accounting Practice).

The Law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources, including income and expenditure, of the charity for that year. In preparing these financial statements, the trustees are required to;

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the charities SORP;
- Make judgement and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity Commission guidelines. They are also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

CHARITY STATUS:

The charity was registered with the charity commission as a charitable incorporated organisation (CIO) on the 22nd February 2016. Charity number 1165675

AUDITORS:

The charity does not require an audit as the income is below the current audit threshold. The accounts have been externally examined by Dave Barnett, Accountant.

This report was approved by the board of trustees on 29th January and signed on their behalf by;

Fiona Miall

Trustee and Chair

STRUCTURE, GOVERNANCE AND MANAGEMENT

MOVE is a charitable incorporated organisation (CIO) and is governed by constitution. It was established in 22nd February 2016 when it achieved charitable status. MOVE is governed by a carefully selected Board of Trustees. The trustees of the charity are as set out above. The trustees are recruited for their skill and experience. The trustees seek to recruit members with a range of skills and attributes.

The criteria for the recruitment and appointment of trustees are as follows;

- The person must aspire to and believe in the charity's aims and objectives
- The person must be of a trustworthy nature
- The person must be hardworking and dedicated
- Help to develop and agree organisational strategy
- Support the CEO
- Promote the organisation at every opportunity
- Act in the best interests of MOVE Charity's beneficiaries.
- Make sure funds are spent on the purpose intended

Trustees are appointed by a resolution passed at a properly convened meeting of the charity Trustees. Trustees serve for a term of 3 years; after which they may retire or be re-appointed. All new trustees appointed undergo a thorough induction process which includes detailed information regarding roles, responsibilities and charity policies, all relevant Charity documents as well as the general Charity commission guidance.

FREQUENCY OF BOARD MEETINGS:

On average, the board meets 4 times per year with the CEO. Members of the board also meet/liaise with the CEO when required to review and approve medium-term strategic plans and goals, receive, and examine reports on the charity's financial affairs, monitor and support service delivery and fundraising activities and consider policies and procedures in areas such as risk management and legal and regulatory compliance. Informal meetings such as these will be held as regularly as required and may happen on the phone or via skype.

ROLE OF TRUSTEE BOARD IN RELATION TO CEO

The CEO is present at all trustee meetings and presents charity developments for discussion with the board. The board gives guidance to the CEO in relation to all developments and strategy relating to the charity's stated objectives.

RISK POLICY:

The trustees regularly review the major risks to which the charity is exposed to. Where appropriate, policies and procedures have been established to mitigate these risks. Procedures are in place to ensure compliance with safety of staff, volunteers, and beneficiary and all these procedures are reviewed periodically.

STAFF TEAM:

Our small but ambitious team are pivotal to ensuring we deliver our work and support the charities beneficiaries in the best way possible. We feel very lucky to have an incredibly passionate and dedicated team. Their commitment is second to none and

ensures we deliver on our mission and goals and reach more people impacted by cancer in the best possible way.

MOVE Charity Founders Message

At the time of writing, we are reflecting on what has been another challenging year with the impact still evident from the covid 19-pandemic and now the living cost crisis and challenging economic landscape.

It is without doubt that this is having a huge impact on individuals, organisations and especially charities, in many ways. It remains a challenging time for the charity however we continue to look ahead with optimism and positivity. We have an amazing team and team of volunteers who continue to grow, develop, and support each other so we can support more people impacted by cancer in the best possible way.

As a small charity navigating through the last year, we are still experiencing many challenges especially around fundraising. It has meant we have had to be resourceful, flexible and adapt when needed but I am so proud of the team for continuing to deliver incredible programmes and initiatives to support our amazing community and beneficiaries with limited resources and funding. We will continue to learn to adapt, be flexible, creative and bring new and different ways of working into our organisation.

Our vision and mission are at the heart of everything we do, and we have continued to deliver on that this year. I would like to say a huge thank you to Team MOVE, our Trustee board, our ambassadors, champions, volunteers, community, and supporters. We wouldn't have been able to achieve what we have in this last year without you, and we hope to continue to thrive as an organisation and team moving forward. Our aim next year is to develop a new fundraising strategy which will support our current work, the growth of our current programmes and enable us to support even more people impacted by cancer.

I also wanted to say an extra big thank you to MOVE Trustee Lucy Gossage who goes' above and beyond daily to develop and support the work that the team does and the growth/ development of the charity. Lucy's support, guidance, and dedication to the work we do, and our beneficiaries is extremely valuable for the charity on every level.

We will continue support, inspire, and empower our beneficiaries through the work that we do and step-up next year to create a sustainable fundraising strategy that we can be proud of and that enables us to develop and grow as a charity in a way we all as a team believe we can. It may have been another challenging year for the charity and the charity sector however we believe we have learnt so much, been able to adapt and grow as a team which has made us stronger and more adaptative as a charity long term.

Gemma Hillier-Moses

MOVE CHARITY 2021-2022

Our Aims, Objectives, and impact

MOVE's mission is to support and inspire people to move against cancer because movement matters. MOVE was founded in 2016 by international athlete Gemma Hillier-Moses after she was diagnosed with an aggressive form of cancer in 2012 at the age of 24. MOVE Charity was founded to provide something Gemma never received herself; access to free, professional advice and support on how to literally move against cancer.

Then enter Lucy Gossage, oncologist, and ex-professional triathlete, one of the few in the health care realm that championed the benefits behind exercising with and beyond cancer to her colleagues and patients, together they created the 5k Your Way, Move Against Cancer initiative and now Lucy is a MOVE Charity Trustee and a huge driving force behind the work we do as an organisation.

MOVE continues to operate our services under 3 main areas of activity:

Online cancer rehab programme - currently for children and young people. Providing specialist support to children and young people diagnosed with cancer, delivered by cancer rehab specialists. The aim of the programme is to reduce short term and long-term side effects of treatment, improve quality of life and improve physical and psychological wellbeing.

The difference it makes:

The online programme aims to reduce the short and long-term effects of cancer treatment and improve young people's quality of life and physical and mental wellbeing. Last year, 74 young people took part, and our 2021 evaluation results showed that participants experienced improvement across all five measured areas (cancer-related fatigue, quality of life, and physical, role and emotional functioning).

One participant wrote: *"Rather than constantly replaying the possibility of failure, I'm teaching myself to focus on the possibility of success. Thinking about the progress I have made is mind blowing! I have gone from walking and very light and bodyweight resistance training to sprints on the bike and being back to the strength training I had missed so much. I am getting back to living and loving life! This has, by no means, been a solo effort. A huge thank you to all those that have helped and supported me in getting through an incredibly difficult part of my life."*

5k Your Way, Move Against Cancer initiative - 5KYW is a community-based initiative linked to parkrun. The aim is to encourage those living with and beyond cancer, families, friends, and those working in cancer services to walk, jog, run, cheer or volunteer with their 5KYW group at a parkrun event on the last Saturday of every month. We are a support group with a difference, a run and walking club with a difference, a social opportunity with a difference.

The difference it makes:

At MOVE, we want to show more people the incredible difference that making movement into a way of life can have. The outcomes we hope to see for our 5KYW group members and ambassadors include;

- Improved confidence and self-esteem
- Reduced social isolation
- Improved mental wellbeing

- Increased participation in physical activity
- Skill development through volunteer and ambassador roles.

Jackie (74) came along to the Forest Rec 5K Your Way, Move Against Cancer in August with her friend Debra. She managed a brief walk, and shortly after that I received a message: "Jackie has got the bug - she's intending to do the full 5k in 6 months!" Jackie and Debs have continued volunteering at local parkruns in the other weeks, and today after just two months Jackie arrived with her crutches determined! She finished the full 5K course with support from Forest Rec parkrun in 1hr 20 mins, what an inspiration! Jackie says:

"My cancer treatment left me with 'weak bones' resulting in a fractured hip and the loss of mobility. I was determined to get fit again but wasn't sure how - but thought 5k Your Way would help me. I told my 5KYW friends that I would do 5K in 6 months - but it's only been 2 months since I joined the group. So I'm proud of myself and very, very happy. I want to say what an inspiration Roger Ottway has been to me. I said "if Roger can do it, so can I. I'm looking forward to the next one, because I want to beat my time! So, come on people - join 5K Your Way. Move Against Cancer - because you can do it YOUR WAY - even on crutches!"

MOVE Your Way Resources – Promoting the benefits of physical activity and exercise when living with and beyond a cancer diagnosis. This involves delivering online workshops, talks, and conferences on all things cancer, exercise, and movement as a way of life for other charities and organisations. We also have our podcast, the Move Against Cancer podcast which we are very proud of.

The difference it makes:

'I attended all 3 sessions, and they were excellent. I have been able to take away specific exercises/moves from each to incorporate into daily living (as and when I remember!) I thought that Vicky's explanations were really helpful and am really trying to be conscious to sit or stand 'out' of my joints' A workshop participant

We had 50 people attend this yoga for people with cancer workshop series.

ORGANISATIONAL OBJECTIVE

Our plan over the next 2 years is to really focus on developing a strategy to ensure MOVE's future sustainability and growth. We want to nurture our growth in a way that is manageable and efficient across all areas of work next year our number one priority is to develop new fundraising strategy to help sustain and grow the work we do.

MOVE CHARITIES DEVELOPMENT SINCE 2016

MOVE's original aim was to support children and young people who are living cancer through the power and inspiration of physical activity and sport. Our aim was to support children and young people to get moving against cancer, build confidence and self-esteem and focus on what you can do rather than what you can't. When MOVE Charity was founded this support just wasn't available and now, we as a charity are leading in this area of work. After we launched our 5KYW initiative we realised how important it was to support everyone diagnosed with cancer no matter what age, diagnosis, ability, or background and this is what our 5KYW groups do so well.

With the introduction of 5KYW initiative and our MOVE Your Way Resources this no longer represents all the work we do as a charity. We are currently working to update our objectives with the charity commission.

MOVE CHARITY FINANCIAL REVIEW:

It's been a difficult year to grow financially but the charity has been able to carry out its objectives even during a challenging year with the covid-19 pandemic continuing to cause lockdowns and challenges. We still saw financial growth which was important due to the increased demands for our services. The trustees consider the financial position at the year- end date to be satisfactory with a positive period and income generation in of £144,018. The charity regularly reviews its financial controls according to the Charity Commission Internal checklist.

INCOME GENERATION OBJECTIVE

MOVE budget outgoings and forecast income on a regular basis in agreement with the board of trustees. 2022-2023 will see an increase in Team MOVE staff numbers to deal with the demand we are seeing for our services, we will use our surplus that we have developed to increase our workforce and support our current staff and also to ensure MOVE charity not only survives but also thrives in the current challenging financial climate.

We will continue to develop and form relationships that result in funding to continue our charitable activities and MOVE will continue to strive for sustainable income streams.

A big Thank you

MOVE Charity would like to say a big thank you to our wonderful fundraisers, supporters, ambassadors, volunteers, and partners who have supported us over the last year. MOVE supporters and fundraisers have ran, swam, cycled and moved their way. They have helped in any way they can to raise money for MOVE again this year and we are incredibly grateful.

Our aim next year is to continue to focus more of our efforts on our fundraising strategies and continue to grow our supporter base and to ensure we offer events, challenges, and support on a regular basis.

We have a few special highlights and thank you from the year that we would love to share;

- We want to say a big thank you to Louise Minchin for choosing to support MOVE Charity when she won on the Chase and other Television programmes. Louise secured over £24,000 for the charity. We are honoured to have Louise's support. This money really does make a huge difference to the charity.
- We can't thank the Luke Grenfell-Shaw and the Bristol to Beijing team for the incredible challenge and fundraising efforts to support MOVE and 3 other charities close to Luke's heart. It's an amazing challenge and we are so proud to be one of their chosen supported charities. The challenge continued this year after the restrictions and raising over £20k for MOVE Charity. Luke you are amazing, and we want to say a huge thank you.
- We were able to deliver the postponed MOVE Charity Fundraising Ball with special guest Steve Cram in November. This raised over £24,000 for the charity. It was brilliant night of fundraising, raising awareness and a fabulous company. We want to say a huge thank you to Steve Cram for giving us his time in kind, to everyone who helped to organise it, the MOVE team, and for all our amazing supporters for attending and helping to raise so much money to support the work that we do.

RESERVES

In assessing the overall level of reserves, the charity policy always aims to maintain sufficient unrestricted funds which include at least 6 months' management and maintenance costs. The level set for the current year is £66,000 to provide 6 months of running costs and to support any increase in costs of products or services. 2022-2023 may continue to be a turbulent year for charities due to the continued covid-19 pandemic impact and rise in living costs/economic landscape. During this phase, the charity's policy is to ensure that its assets and reserves are safeguarded in a risk-free manner. It is the duty of the trustees to monitor reserves and they regularly review the reserves required to meet known and estimated expenditure in furtherance of that charity's objectives and for its administration.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 March 2022.

**Responsibilities and
basis of report**

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

STATEMENT OF TRUSTEE RESPONSIBILITIES

The Trustees of MOVE charity are responsible for preparing the Trustee's report and the financial statements in accordance with applicable law and United Kingdom accounting standards (United Kingdom Generally Accepted Accounting Practice).

The Law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources, including income and expenditure, of the charity for that year. In preparing these financial statements, the trustees are required to;

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the charities SORP;
- Make judgement and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity Commission guidelines. They are also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

CHARITY STATUS:

The charity was registered with the charity commission as a charitable incorporated organisation (CIO) on the 22nd February 2016. Charity number 1165675

AUDITORS:

The charity does not require an audit as the income is below the current audit threshold. The accounts have been externally examined by Dave Barnett, Accountant.

This report was approved by the board of trustees on 29th January and signed on their behalf by;

Fiona Miall

Trustee and Chair

STRUCTURE, GOVERNANCE AND MANAGEMENT

MOVE is a charitable incorporated organisation (CIO) and is governed by constitution. It was established in 22nd February 2016 when it achieved charitable status. MOVE is governed by a carefully selected Board of Trustees. The trustees of the charity are as set out above. The trustees are recruited for their skill and experience. The trustees seek to recruit members with a range of skills and attributes.

The criteria for the recruitment and appointment of trustees are as follows;

- The person must aspire to and believe in the charity's aims and objectives
- The person must be of a trustworthy nature
- The person must be hardworking and dedicated
- Help to develop and agree organisational strategy
- Support the CEO
- Promote the organisation at every opportunity
- Act in the best interests of MOVE Charity's beneficiaries.
- Make sure funds are spent on the purpose intended

Trustees are appointed by a resolution passed at a properly convened meeting of the charity Trustees. Trustees serve for a term of 3 years; after which they may retire or be re-appointed. All new trustees appointed undergo a thorough induction process which includes detailed information regarding roles, responsibilities and charity policies, all relevant Charity documents as well as the general Charity commission guidance.

FREQUENCY OF BOARD MEETINGS:

On average, the board meets 4 times per year with the CEO. Members of the board also meet/liaise with the CEO when required to review and approve medium-term strategic plans and goals, receive, and examine reports on the charity's financial affairs, monitor and support service delivery and fundraising activities and consider policies and procedures in areas such as risk management and legal and regulatory compliance. Informal meetings such as these will be held as regularly as required and may happen on the phone or via skype.

ROLE OF TRUSTEE BOARD IN RELATION TO CEO

The CEO is present at all trustee meetings and presents charity developments for discussion with the board. The board gives guidance to the CEO in relation to all developments and strategy relating to the charity's stated objectives.

RISK POLICY:

The trustees regularly review the major risks to which the charity is exposed to. Where appropriate, policies and procedures have been established to mitigate these risks. Procedures are in place to ensure compliance with safety of staff, volunteers, and beneficiary and all these procedures are reviewed periodically.

MOVE Charity Founders Message

At the time of writing, we are reflecting on what has been one of the most challenging times as a charity however we continue to look ahead with optimism and positivity.

We have experienced a global pandemic which has been an incredible unexpected challenge. The pandemic has resulted in many challenges for us as a charity however I am so proud of the team to have not only survived but thrived during one of the hardest periods of our time as individuals and as an organisation. We have learnt to adapt, be flexible, continue to be creative and innovate. We have continued to support our beneficiaries and community in the best way possible and to continue to support and inspire people to Move Against Cancer.

We have continued to work towards our vision and mission as a charity and kept our organisation and team's values at the heart of everything we do. I would like to say a huge thank you to Team MOVE, Our Trustee board, our ambassadors, champions, community, and supporters. We wouldn't have been able to achieve what we have in this last year without you, and we hope to continue to thrive as an organisation and team moving forward.

We will continue to be here for our beneficiaries and step up in 2021. Covid might have meant it's been the most challenging year for the charity sector however we believe we have learnt so much, adapted and grown as a team which has made us stronger and more adaptative as a charity long term.

INTRODUCING MOVE, OUR AIMS AND OBJECTIVES

MOVE's mission is to support and inspire people to Move Against Cancer because movement matters. MOVE was founded in 2016 by international athlete Gemma Hillier-Moses after she was diagnosed with an aggressive form of cancer in 2012 at the age of 24. MOVE Charity was founded to provide something Gemma never received herself; access to free, professional advice and support on how to literally move against cancer.

Then enter Lucy Gossage, oncologist, and ex-professional triathlete, one of the few in the health care realm that championed the benefits behind exercising with and beyond cancer to her colleagues and patients, together they created the 5k Your Way, Move Against Cancer initiative and now Lucy is a MOVE Charity Trustee and a huge driving force behind the work we do as an organisation.

MOVE continues to operate our services under 3 main areas of activity:

Online cancer rehab programme - currently for children and young people. Providing specialist support to children and young people diagnosed with cancer, delivered by cancer rehab specialists. The aim of the programme is to reduce short term and long-term side effects of treatment, improve quality of life and improve physical and psychological wellbeing.

5k Your Way, Move Against Cancer initiative - 5KYW is a community-based initiative linked to parkrun. The aim is to encourage those living with and beyond cancer, families, friends, and those working in cancer services to walk, jog, run, cheer or volunteer with their 5KYW group at a parkrun event on the last Saturday of every month. We are a support group with a difference, a run and walking club with a difference, a social opportunity with a difference.

MOVE Your Way Resources - Promoting the benefits of physical activity and exercise when living with and beyond a cancer diagnosis. This involves delivering workshops, talks, and conferences on all things cancer, exercise and movement as a way of life for other charities and organisations. We also launched our very own podcast this year. Move Against Cancer podcast.

MOVE's original aim was to support children and young people who are living cancer through the power and inspiration of physical activity and sport. Our aim was to support children and young people to get moving against cancer, build confidence and self-esteem and focus on what you can do rather than what you can't. When MOVE Charity was founded this support just wasn't available and now, we as a charity are leading in this area of work.

After we launched our 5KYW initiative we realised how important it was to support everyone diagnosed with cancer no matter what age, diagnosis, ability, or background and this is what our 5KYW groups do so well.

Our Original aim of the charity was submitted to the Charity commission when we founded MOVE in 2016. With the introduction of 5KYW initiative and our MOVE Your Way

Resources this no longer represents all the work we do as a charity. We are currently working to update our objectives with the charity commission.

Please see below some quotes from beneficiaries of MOVE's services.

Online programme:

"Rather than constantly replaying the possibility of failure, I'm teaching myself to focus on the possibility of success. Thinking about the progress I have made is mind blowing! I have gone from walking and very light and bodyweight resistance training, to sprints on the bike and being back to the strength training I had missed so much. I am getting back to living and loving life!

This has, by no means, been a solo effort. A huge thank you to Helen, Gemma and all those that have helped and supported me in getting through an incredibly difficult part of my life" ST

"The programme has helped me to regain self-confidence and independence which was much needed and now I am preparing to return to university and finally finish my degree! I also plan to continue to keep my fitness and health up and hopefully get back into dancing soon! I'd like to take part in more MOVE events in the future!

I cannot thank Helen and the MOVE team enough for everything! I would strongly recommend everyone to take part" AB

5KYW Initiative:

'I love it. It gives me something to think about, to focus on. When people ask me how I am I don't talk about the bad stuff. I just say I've started running. And I talk about the running.' Sue

'A big thank you to the 5KYW team for making me feel so welcome. A big part of life with cancer is self-confidence and without you all I would have never felt able to do this.'

This year:

2020- 2021 has been a year of challenge and growth for MOVE Charity. The delivery and development of our services continues to grow and the need for MOVE's services is rapidly increasing even more so after the devastating impact of the covid-19 pandemic on cancer treatment and support services.

Over the past year MOVE has had a far greater reach and numbers through our online programme however due to the nature of our 5KYW groups being to meet in person groups had to be put on hold during the several lockdowns we experienced during this year. However, our team stepped up and created virtual challenges and move your way zoom sessions to keep people moving and reduce social isolation during the pandemic.

Our Focus areas this year:

Continue to design and deliver effective, accessible online support programmes for our beneficiaries.

Continue to provide and develop a sustainable community initiative that can support people living with and beyond cancer as well as families and friends and health care professional to ensure physical activity and exercise is promoted and engaged within a community setting.

Become the leading experts in cancer rehabilitation and working with other charities and organisations through workshops and events.

Continue to not only survive but thrive as a team during the Covid-19 pandemic.

Continue to development sustainable funding income streams so we can develop our work and reach even more people affected by cancer.

Continue to support our incredible fundraisers who work so hard to deliver on their amazing challenges and raise so much money for MOVE charity.

IN SUMMARY, OUR ACHIEVEMENTS THIS YEAR ARE SEEN BELOW.

Services adapted to covid-19 government guidelines.

- MOVE have continued to deliver and develop the online cancer rehab support programme for children and young people living with cancer. The programme is currently 8 weeks and found it to be extremely successful with children and young people living with and beyond cancer. This service has been highlighted to be a go to service during the pandemic as young people diagnosed with cancer spent many weeks and months in isolation shielding, reducing their activity and increasing social isolation which then can lead to negative physical and psychological impact on their lives.
- Please see our website and social media pages for case studies of young people who have been through the programme. We have continued to work with MOVE's cancer rehab instructor Helen Murray to deliver the online programme to our

beneficiaries and recruited 2 additional cancer rehab instructors to help deliver this service.

- We received a grant from the Fantastic Malcolm Whales Foundation to help support the online programme and enable us bring 2 new cancer rehab freelance instructors on board and to send resistance bands to young people living with cancer to carry out their exercise programmes at home during lockdown,
- This year due to the Covid 19 pandemic we had to put the 5k Your Way, Move Against Cancer initiative on hold. The MOVE team stepped up and created virtual challenges, connected with our community and ambassadors, and put on monthly MOVE Your Way sessions on zoom led by our cancer rehab instructors. Our Team and ambassadors should be proud of how they supported our community during an extremely difficult time which meant a smooth transition when the groups relaunched again in the summer of 2021.
- This year we had to cancel our annual ambassador day due to the covid-19 pandemic. In November 2019 we held the first 5KYW Ambassador Day which was held at the Forest Rec parkrun in Nottingham and home of our Nottingham 5KYW group. The aim of the event was to bring together our ambassadors from all over the country to inspire, connect, educate, and thank them for all their hard work over the last year and plan for the future of the 5KYW Initiative. This was a successful event in 2019 with over 40 ambassadors attending. We also had parkrun CEO Tom Williams support the event and do a guest talk on the day. We hope to continue this 5KYW Ambassador Day on a yearly basis in May 2022.
- MOVE continued our successful partnership with the Samworth Brothers Sports Opportunity fund. The fund has been an important part of MOVE Charity from the beginning and have played an important part in our development and growth.
- MOVE Charity continue to be part of the teenage and young adult cancer coalition.
- We launched the Move Against Cancer podcast.
- We delivered educational workshops to relevant health professionals and events including the Teenage Cancer Trust Virtual FYSOT event, supporting young people living with cancer and other conferences and events throughout the year.
- Continued our partnership work with the East Midland primary treatment centre multi-disciplinary team and MOVE services incorporated into wider team's work and clinics.
- We joined the Meet for Good partnership as their Chosen Charity in January 2020 and this has continued throughout this year. Meet for Good connects businesses leaders with other businesses through the lens of sport and performance. It supports a chosen charity each year. Events were made virtual this year and in person events back in late 2021. The connections and support through Meet for Good have been valuable.
- The MOVE Charity Fundraising Ball with special guest Steve Cram which is one of our biggest fundraising events was due to take place on the 20th March 2020 however this was postponed due to the Covid -19 Pandemic and the new date was postponed in March 2021 due to restrictions however is due to take place in November 2021.
- We can't thank the Luke Grenfell-Shaw and the Bristol to Beijing team for their incredible challenge and fundraising efforts to support the work we do. It's an amazing challenge and we are so proud to be one of their chosen supported charities.

Adapting to the Covid-19 pandemic as a charity

MOVE Charity would like to say a big thank you to our wonderful fundraisers, supporters, ambassadors, volunteers, and partners who have supported us over the last year. The work we do and deliver would not be possible without you. MOVE would also like to say a special thank you to the Samworth Brothers Sports Opportunity Fund for their continued support over the last 4 years.

PUBLIC BENEFIT

MOVE's charitable activities are focused on supporting and inspiring children and young people living with cancer through the power of physical activity and sport. We focus on physical and psychological wellbeing in parallel with increased quality of life of MOVE's beneficiaries. This year we have continued to focus on those living with and beyond cancer, family, friends and health professionals of those affected by cancer through our 5k Your Way, Move Against Cancer initiative linked to parkrun which was Co-founded with Nottingham Oncologist consultant and 12 x Ironman Champion Lucy Gossage.

We work in partnership and within primary treatment centres and teenage and young adult units across the country. In this annual period, the main grant received from the Samworth Brothers Sports Opportunity fund continued to support the MOVE programme director consultancy role. This role will continue to lead and deliver on all charity aims and objectives as well as generate additional income for the charity. We will continue to develop our online cancer rehab support programme for children and young people and the 5k Your Way, Move Against Cancer initiative across the UK in the next year and future years. In planning the activities for the year, the trustees have complied with their duties in section 17 of the Charities Act 2011 and have considered the Charity Commissions general guidance on public benefit.

INCOME GENERATION OBJECTIVE

MOVE budget outgoings and forecast income on a regular basis in agreement with the board of trustees. We will continue to develop and form relationships that result in funding to continue our charitable activities and MOVE will continue to strive for sustainable income streams.

MOVE CHARITY FINANCIAL REVIEW:

MOVE made great progress this year to attract funding and support to enable it to carry out its objectives even during a challenging year with the covid-19 pandemic we still saw financial growth which was important due to the increased demands for our services. The trustees consider the financial position at the year- end date to be satisfactory with a positive period and income generation in of £140,760. The charity regularly reviews its financial controls according to the Charity Commission Internal checklist.

Our corporate partners remain one of our key focus areas for income generation and this year we were supported again by the Samworth Brothers Sports Opportunity fund, CAF

and Intelligent energy fund. MOVE have worked in partnership with the Samworth Brothers over the last four years to support the corporate social responsibility model by including staff as volunteers in some of our charitable and fundraising activities. We are delighted to work with such a wonderful and supportive company to develop a consistent support and income stream for the charity.

MOVE supporters and fundraisers have ran, swam, cycled and moved their way. They have helped in any way they can to raise money for MOVE again this year and we are incredibly grateful. Our aim next year is to continue to focus more of our efforts on our fundraising strategies and continue to grow our supporter base and to ensure we offer events, challenges, and support on a regular basis.

RESERVES

In assessing the overall level of reserves, the charity policy always aims to maintain sufficient unrestricted funds which include at least 6 months' management and maintenance costs. The level set for the current year is £66,000 to provide 6 months of running costs and to support any increase in costs of products or services. 2021-2022 may continue to be a turbulent year for charities due to the continued covid-19 pandemic impact. During this phase, the charity's policy is to ensure that its assets and reserves are safeguarded in a risk-free manner. It is the duty of the trustees to monitor reserves and they regularly review the reserves required to meet known and estimated expenditure in furtherance of that charity's objectives and for its administration.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

Responsibilities and
basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
