Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Old Age Care is providing advice on struggles they may face in day to day life. We provide advice on living independently, common difficulties, Loneliness and working with technology. The organisation redirects the people to the local councils, social services or healthcare professionals on going into a care home, getting stair lifts, walking frames, walking sticks, disability allowance etc.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Set up a charity fundraising event at the local church. We were able to hire a stall for the day and print leaflets on the aims and objectives of the charity. We wanted to make the public aware of what the charity can do for elderly people. We had a few charity boxes on the stall to collect money to help the charity educate and train our elderly community. We had 5 volunteers and all three trustees at the event where we stood and spoke to the elderly, we had questionnaires to understand their concerns and provided on site care and redirecting them to the appropriate level of care.

We also set up a fundraising event at the local park to make the public more aware of our charity. We had five volunteers who stood and gave out leaflets explaining about our charity and had a few charity boxes on the stall. We baked a few cakes and cupcakes and sold those at the event.

We felt that these two days was beneficial and let the public/elderly community know that we are a charity that can support them. We felt that we did make a difference in terms of awareness and raised some money.

Unfortunately, we were unable to do any further charity events. We hope to in the next year to have more charitable events and discuss those in trustee meetings.
