Dyslexia Cornwall TRUSTEES ANNUAL REPORT

The Trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the unaudited financial statements of the charity for the year ended 31 December 2022.

OBJECTIVES AND ACTIVITIES

The purpose of the charity is to support the needs of dyslexic children and young people in education or training and adults in unemployment, training or in the workplace. This is achieved by raising public and professional awareness of dyslexia and campaigning for appropriate provision for dyslexics in local schools and colleges, and appropriate support in the employment sector. A key aim is also better understanding of dyslexics in the wider society and less discrimination.

The charity offers advice and guidance to dyslexic people, family and friends, and provides training for those in the statutory or voluntary sector, in business, education or employment services.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning future activities. In particular, the trustees consider how planned activities will contribute to those aims and objectives.

ACHIEVEMENTS AND PERFORMANCE

The charity now signposts individuals to services, but continues to develop paid-for services and networking with other Cornish charities and organisations (mainly through the Building Better Opportunities initiative) in an effort to make the charity sustainable for the future.

Par Bay Big Local

There is a small balance of £375 remaining in this fund. None of this fund has been used during 2022 and the balance is carried forward for future use.

Active Plus – Who Dares Works Project

We received £26,450 of funds from the European Social fund and National Lottery Community Fund through Active Plus as a result of our involvement in the Who Dares Works Project.

The Who Dares Works Project is a project funded as part of the Building Better Opportunities initiative. This project is funding a Dyslexia Advisor (22.5 hours per week) and Management/Financial support (7.5 hours per week), along with directly associated costs. The input of the Dyslexia Advisor is proving extremely beneficial for the participants of the project.

This project is scheduled to end in March 2023.

Postcode Local Trust / People's Postcode Lottery

We received Grant Funding of £25,000 on 26 August 2022 – project start date 31 October 2022. Postcode Local Trust is a grant-giving charity funded entirely by players of People's Postcode Lottery.

This funding is being used to employ an Administrator (16 hours per week) and cover our core costs for 18 months until 30 April 2024.

Dyslexia Cornwall TRUSTEES ANNUAL REPORT

Other Activities

In addition to the above the charity operates a dyslexia friendly website, which was redesigned in 2016, making information more accessible and as dyslexia friendly as possible.

The charity also works closely with Cornwall Council, Cognition and Learning Services, to assist schools in achieving Inclusive Dyslexia Friendly School accreditation status.

Finally, the charity operates a helpline often providing the first point of contact for people seeking help or advice. This service is operated by our hard working helpline volunteers and without their commitment we would be unable to provide this important service

FINANCIAL REVIEW

The income for the year was increased to £63,199 (2021 : £33,538). Expenditure was increased to £36,162 (2021 : £31,879). The overall surplus was £27,037 (2021 : £1,659) and is compatible with the reserves policy below.

Reserves policy

The trustees aim to retain reserves to ensure the charity's long term viability. This policy will be reviewed on an annual basis. Unrestricted funds currently stand at £16,791 (2021 : £9,965) and the charity therefore aims to increase this by achieving an annual surplus. However, achieving an annual surplus is very much dependent on achieving ongoing grant funding support and working partnerships with other organisations.

The charity continues to research funding streams and if necessary, will use unrestricted funds to support the charity until such time as unrestricted funds fall to £5,000. At this point the charity would curtail activities to website and helpline run entirely by volunteers.

The Trustees continue to monitor the situation regularly.

Investment policy

The trustees regularly review the cash held by the charity and place any surplus funds in an interest bearing deposit account when appropriate.

Risk management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is registered as a Charitable Incorporated Organisation and is governed by a constitution based on the charity commission CIO association model.

The charity was registered as a CIO on 23 January 2016 and commenced operating on 1 March 2016 when the activities were transferred from Cornwall Dyslexia Association, registration number 270876.

The trustees who served during the year are shown on page 1. Suitable individuals are identified as potential new trustees by the existing trustees on the basis of their skills and knowledge. New trustee are inducted into the workings of the charity on appointment.

**Dyslexia Cornwall
TRUSTEES ANNUAL
REPORT**

Key management personnel

The trustees consider the board of trustees comprise the key management personnel of the charity, to be in charge of directing and controlling, running and operating the charity on a day to day basis. All trustees give of their time freely and no trustee received any remuneration in the year for their role as a trustee. Details of the trustees' expenses and related party transactions are disclosed in note 9 to the financial statements.

Pay policy for senior staff

The pay of the senior staff is reviewed annually and normally increased in accordance with average earnings. In view of the nature of the charity, the trustees benchmark against pay levels in other similar organisations.

TRUSTEES RESPONSIBILITIES

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with the provisions applicable to companies subject to the small companies regime as set out in Part 15 of the Companies Act 2006 and in accordance with the Charities SORP (FRS 102).

INDEPENDENT EXAMINERS
REPORT**

Independent Examiner's Report to the trustees of Dyslexia Cornwall

I report to the charity trustees on my examination of the accounts of Dyslexia Cornwall for the year ended 31 December 2022 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet and the related notes.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.

Dyslexia Cornwall
NOTES TO THE ACCOUNTS

Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Furniture and equipment 20% Reducing balance

Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments.

The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability.

Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.
