CHARITABLE OBJECTS

The objects of the organisation are for the benefit of the public; to advance the Christian faith in accordance with the statements of belief; to relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods or services of any kind, including the provision of counselling and support; and to advance education in such ways and in such parts of the UK or the world as the trustees from time to time may think fit.

MARKETPLACE MINISTRIES: ITS AIMS AND OBJECTIVES

The ministry is a gathering of ordinary people of different ages and backgrounds, whose lives have been changed through encountering Jesus Christ, the Son of God. As a result of this we are committed to love and care for each other and to bring a manifestation of the kingdom of God to the area in which they live to see the town, community, region and nation impacted. Its trustees and members are committed to those New Testament principles.

The ministry has a community arm - Forgiveness Therapy (www.forgivenessstherapy.org).

Directions relating to the charity are made by the Trustees and other voluntary staff, who are responsible for governing the life and ministry. Day to day decisions on expenditure and activities are decided by the staff and volunteers in charge of different areas of the ministry, with budgets set and monitored by the Trustees.

The powers of appointment or removal of Trustees rests with the Trustees. New Trustees are primarily selected from the members or from the leaders of other organisations sharing the same vision, since this means the Trustee body is whole heartedly involved in seeing its' objectives worked out in practice. On being appointed, new Trustees spend time with the existing Trustees to ensure they understand their responsibilities and the legal and financial framework in which the organisation operates.

The financial resources of the ministry:

1. Is given by the members and their private assets and equipment are regularly used in the work of the organisation.
2. Gifts given to the ministry when sending teams out to work with other churches or organisations.
3. Income generated by running schools
4. Gifts by individuals who have been blessed by the work of the ministry
5. We have a website that takes donations from members of the public who support our aims
6. Subscription website

All staff and volunteers are unpaid. Some are full time and some are part time and the hours and value of that time cannot be quantified.

THE YEAR: ITS OBJECTIVES AND ACHIEVEMENTS

Continue to train more people in the therapies we offer and have developed

During the year ended 31 December 2024 the main ways the ministry sought to achieve its' objectives and its charitable purposes for the public benefit have been as follows:

Fulfilling the objects in teaching, training and showing practical care in the community. This was achieved by our online subscription service and our certified course. Mentoring established and continued with about 10 candidates in the UK and abroad

We continue to support the area food bank and group for victims of domestic abuse.

The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in December 2008.

PLANS FOR THE NEXT YEAR

The key aims are to :

- Expand the online presence.
- Expand talking therapies and other therapeutic modalities.
- Expand the online presence and services to people globally
- Continue to support local food bank and victims of domestic abuse

FINANCIAL REVIEW

The financial reserves of the ministry have been maintained during the year as members have continued to give very generously. The Trustees have set a policy of retaining reserves sufficient for the foreseeable needs of the organisation. Where there is specific capital expenditure foreseen amounts are set aside into designated funds so the free reserves (general reserves excluding amounts invested in assets for the organisations use) are available to meet the costs of normal running and expansion of the ministry and to ensure we can meet the current and future commitments.

GRANT MAKING POLICY

Gifts to external organisations and individuals are considered by the Trustees on the basis of need and fulfilment of the charitable objectives. There are no upper or lower limits of

support.

RISK MANAGEMENT

All major insurable risks are subject to normal charities and employers' insurance. Contractual risks are reviewed before being entered into, to assess that they could not significantly impact upon the trusts ability to fulfil its objectives. An annual review of areas of risk is undertaken by the Trustees in conjunction with staff and volunteers responsible for the area of activity.

STATEMENT OF TRUSTEES RESPONSIBILITIES

Charity law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the profit and loss of the Charity for that period. In preparing these accounts, the trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Make adjustments and estimates that are reasonable and prudent.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the accounts comply with the Charities Acts. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees confirm that the accounts comply with current statutory requirements and those of the Charity's trust deed.

Approved by the Board of Trustees on: 24 July 2025

and signed on its behalf by:

A handwritten signature in black ink, appearing to read 'Kay Reynolds', with a large, stylized loop at the end.
