Objectives and activities for the public benefit

The Foundation's objective is to provide financial assistance to those living in Leicestershire and Warwickshire (or within a 10 mile radius of those County boundaries) who are in need of financial assistance to meet the cost of their home care needs. The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Foundation's aims and objectives, in planning future activities and settling the grant making policy for the year.

The Foundation furthers its charitable purposes for the public benefit through its grant making policy which aims at providing financial assistance to those people in need of help to meet the cost of their home care needs.

The Foundation was created as a result of a Deed of Variation to the will of Blanche Sargeaunt dated 12 November 2015 and was registered by the Charity Commission on 24 February 2016.

THE BLANCHE SARGEAUNT FOUNDATION TRUSTEES' REPORT (continued)

Grant making policy

The Foundation has established its grant making policy to achieve its objects for the public benefit. The Foundation aims to provide financial assistance to those people in need of help to meet the cost of their home care needs.

Since its registration as a Charity the Foundation has attempted to raise awareness within the area in which it operates of the availability of funds for grants via articles in local newspapers and magazines.

Financial review

The Foundation's work is entirely reliant upon its endowment and income therefrom. Further donations totalling £285,069 were received in the year and investment income received amounted to £5,801.

Grants totalling £140,543 were paid out to assist the recipients with the cost of their home care needs.

The value of the investments had decreased by £60,001.

Reserves

The trustees have determined that the appropriate level of free reserves which are not invested in fixed asset investments should be the equivalent of a year's expenditure. As can be seen from this year's accounts the level of free reserves being held is more than sufficient to cover that. The Trustees are continuing to explore ways of utilising the excess free reserves within the Charity's objectives.

Plans for the future

The Foundation will continue to publicise its existence and make potential beneficiaries aware of the availability of funds.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;

**THE BLANCHE SARGAUNT FOUNDATION
TRUSTEES' REPORT (continued)**

Trustees' responsibilities in relation to the financial statements (continued)

- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE BLANCHE SARGEAUNT FOUNDATION

I report on the accounts of the charity for the year ended 12 November 2022, which are set out on pages 5 to 9.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE BLANCHE SARGEAUNT FOUNDATION NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

Basis of preparation and assessment of going concern

The financial statements have been prepared under the historical cost convention as modified by the revaluation of investments and in accordance with the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice (second edition) and Financial Reporting Standard FRS 102.

The Foundation constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the Foundation's ability to continue as a going concern. With respect to the next reporting period, 2022/23, the most significant areas of uncertainty that affect the carrying value of assets held by the Foundation are the level of investment return and the performance of investment markets.

Funds structure

The Foundation has a single permanent endowment. The trustees have the discretion to apply the income and such parts of the capital as they think fit in meeting the Foundation's objectives.

Income recognition

All income is recognised once the Foundation has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals during the year.

The main form of financial risk faced by the Foundation is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

THE BLANCHE SARGEAUNT FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS (continued)

Investment gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase price if acquired during the year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

2. TRUSTEES REMUNERATION AND EXPENSES

The trustees all give freely their time and expertise without any form of remuneration. No expenses were paid to the trustees in the year.
