HAVERING VOLUNTEER CENTRE
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their report with the financial statements of the charity for the year ended 31st March 2024. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Our vision is to enable positive change to lives and communities through volunteering.

Havering Volunteer Centre offer a person centred, bespoke and holistic service to individuals seeking volunteering opportunities. We understand that a 'one size fits all approach' does not work and that individuals are just that; individuals. Our role is to empower those seeking new opportunities to embrace the journey they are on, see beyond the potential they think they have and remove any perceived barriers preventing them from achieving their aspirations.

Our mission is to create and support a broad spectrum of volunteering opportunities we will do this by supporting organisations to develop their roles and increase volunteering within their organisations. We have already identified the need to support the Voluntary Sector in Havering to provide more scope for younger people to volunteer.

Our aims are to:

- Maintain the 5 core functions of HVC in line with our quality standards
- Advise and support our VCS partners to enable the strengthening of our sector
- Guide and inform those wishing to volunteer to seek their aspirations
- Enhance HVC to become an easily accessible organisation
- Strive to provide impactful volunteering opportunities

For HVC to deliver on its vision, mission and aims as a collective we believe in the following set of **strategic objectives**:

- **Sustainability**
HVC will ensure the foundations of our charity are resilient, diversely funded and appropriately structured to enable us to adopt the Community Action Network Framework to enable the sector to also become sustainable.
- **Growth**
HVC needs to continue to grow to enable us to be responsive and supportive to both community and sector needs. HVC will ensure that the organisation remains relevant, up to date on policies, procedures and changes that affect the VCS and those accessing volunteering.
- **Development**
HVC knows that to stay current and ahead of the trend, we need to constantly develop our approach and the services provided to enable HVC to remain as the go to organisation and an integral part of Havering Voluntary Sector.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2024

OBJECTIVES AND ACTIVITIES

Significant activities

HVC is the only licenced Volunteer Centre operating in Havering and works within the recognised Quality Accreditation Scheme operated by the National Council for Voluntary Organisations (NCVO), who are the national body for Volunteer Centres, with HVC attaining accreditation status. HVC recognises the importance of obtaining accreditations and will continue to strive to achieve these recognised standards and maintain its excellent standing in the voluntary sector.

HVC champions the voluntary sector and volunteering by connecting, representing and supporting voluntary organisations. Our services include training, consultancy, information, resources and toolkits on governance, campaigning, strategy, impact and volunteer recruitment and retention.

HVC aims to support and encourage volunteering, promoting equality of access to volunteer opportunities for all in Havering. HVC works in collaboration with organisations to develop volunteering opportunities, ensuring high standards in volunteer management, and strengthening the voluntary sector in Havering. HVC will never underestimate the importance or power of volunteering in the community and strives to change the perception and understanding of what it means to be a volunteer in the London Borough of Havering.

HVC is determined that the services they undertake strengthens the Voluntary Sector in Havering and aims to support all voluntary and community groups to achieve their delivery of service by engaging the right volunteers, to enable sustainability and consistency of service delivery that benefits the community.

The 5 core functions of the Volunteer Centre:

- **Strategic Development of Volunteering**
Through the activity of Havering Volunteer Centre's partnership and engagement with local networks and decision makers to create a positive environment in which volunteering can flourish within the borough.
- **Developing Volunteering Opportunities**
For Havering Volunteer Centre, in partnership with local organisations, to develop activity to increase and improve the quantity, quality and diversity of volunteering locally by understanding local need and identifying any gaps in respect of groups that are under-represented in the borough.
- **Brokerage**
Havering Volunteer Centre strives to better inform the general public and all sectors about having access to an effective and efficient brokerage service by tailoring our service to reach targeted audiences, making it easily accessible for all.
- **Good Practice Development**
The aim of Havering Volunteer Centre is to improve or attain positive consistency across all sectors who involve or provide volunteers in their volunteering programmes. Havering Volunteer Centre will ensure that the value of Volunteer Management is understood and work to improve the way organisations manage volunteers and volunteering programmes.
- **Voice of Volunteering**
Through its activities, Havering Volunteer Centre increases the awareness of the issues impacting on volunteering by breaking down perceived barriers between the individual wishing to volunteer and the organisations involving volunteers.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During 2023/24, HVC have registered 1,101 individuals interested in volunteering.

Care Calls and Resident Support

HVC's volunteers this year have placed 656 hours of care calls, each call buddy volunteer is providing a high level of support from HVC and from this there have been many other areas of support identified. Due to HVC providing one of the only free telephone befriending services in Havering that is open to all, it has proved incredibly popular. Predominantly, the service is in high demand amongst Social Prescribers and NHS services that refer their patients to HVC to reduce social isolation and loneliness.

This year we have had to on-board a volunteer to facilitate the service from our offices. This person undertakes 4 hours a week volunteering dedicated to the Check in and Chat service.

- Following a referral from a GP Social Prescriber, one resident our volunteer was calling had felt incredibly low in mood, despite having a busy social life and family visiting. They had recently experienced an injury which had left them with debilitating pain, which made everyday life unbearable. Our volunteer placed weekly calls to the resident, who really just wanted to express how they were feeling, which is something they felt they couldn't burden their family with. Our volunteer spent time listening to the person and empathising with their situation, after a number of weeks, an operation and recovery period, the resident was finally starting to feel better in mood. They thanked HVC and the volunteer for the countless hours of calls and check in to make sure they were managing with their feelings, they reported; had they not received the weekly calls to just ask "how are you?" they are not sure where they would be. The resident is now feeling much better in themselves and the calls HVC are making to them have reduced significantly, however, the resident also knows we are there any time they feel they need us.

This service is a vital lifeline for many residents and is evidence that it doesn't matter your age, circumstances or how active your lifestyle, loneliness and isolation knows no prejudice.

Foodbank Vouchers

As an additional unfunded support, HVC offers the borough the issue of foodbank vouchers. We currently support residents all over the borough, providing emergency food vouchers for all 3 foodbanks.

During 2022/23 annual report HVC issued 790 foodbank vouchers. Astonishingly, during this year's annual reporting period 2023/24 HVC has issued a staggering 846 foodbank vouchers. Importantly HVC's support just doesn't start and end there, HVC always tries to ascertain the root cause/issue they are facing and what additional support may be required.

Through our due diligence processes we have been able to identify a number of residents who are becoming frequent flyers using foodbanks and some that are using multiple names at the same address to obtain more than the permitted quota.

HVC have formed a strong relationship with the Foodbanks and have been able to work in synergy to identify those that need greater support and those who are potentially taking advantage of kindness and generosity. We are predicting an increased need for 2024/25 as school holiday meal offerings reduce and increasing fuel bills hit residents.

Volunteer Placements

HVC have successfully referred 1,630 volunteers to registered opportunities during 2023/24 (many volunteers taking on more than one volunteering opportunity).

Since January 2016 to March 2024 Havering Volunteer Centre have placed almost 10,000 volunteers into volunteering, a staggering 13,983 acts of volunteering into Havering, which equates to a astounding cost avoidance of £66.1million, purely via the achievements of Havering Volunteer Centre.

Remarkably, as a direct result of volunteering, 502 individuals have progressed into paid employment. They mentioned that volunteering played a pivotal role for them in securing paid employment as they gained confidence, new skills, training and self-esteem. Without their volunteering journey they are confident this could not have been achieved.

HAVERING VOLUNTEER CENTRE
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2024

If each of those 502 individuals who secured employment earned an average salary of £15,000pa. This would equate to £7.53 Million being brought into the economy of Havering just by securing volunteering that led to employment, via Havering Volunteer Centre, not forgetting the potential reduction in receipt of out of work benefits.

FINANCIAL REVIEW

Principal funding sources

The financial results for the year are set out in the attached accounts. They show a surplus of £9,571 for the year, compared with a deficit of £32,986 for the year ended 31 March 2023. The total reserves at 31 March 2024 were £212,361 compared with £202,790 at 31 March 2023. This includes £45,531 held within restricted reserves (2023: £15,857). Total expenditure during the year was £169,765, compared with total expenditure of £170,032 during the year ended 31 March 2023.

Reserves policy

HVC reserves policy is to carry six months normal expenditure, plus statutory pension and redundancy costs for all staff. The latter item is reviewed every year and ensures Trustees can balance their responsibilities to both employees and general creditors. These reserves are held in accessible form and do not rely on complicated release processes.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Organisation is a Charitable Incorporated Organisation (CIO) formed on 1st October 2015 and registered as a Charity on 22nd February 2016.

The Charity was formed under a CIO which established the objectives and powers of the charitable organisation and is governed under those terms.

Recruitment and appointment of new trustees

The process for appointment of the Charity's Trustees is set out in the CIO governing document. The minimum number of Trustees is three, with no maximum, however it was decided under these terms that a manageable number would not exceed twelve Trustees.

One third of the Trustees must retire (but may stand for re-election) each year. Trustees are appointed annually. Trustees may only hold the same Honorary Office role for a maximum of five years.

The Board of Trustees may appoint any person willing and fit to act as a Trustee, subject to the provisions of the CIO governing document. Appointments are usually, but not exclusively, made at the Annual General Meeting.

The Charity conducts regular skills, experience and diversity audits of Trustees. These audits identify gaps in skills or under-representation of particular groups or communities and are fundamental to the recruitment process. All potential Trustees initially meet with either a member of the existing Board of Trustees and/ or Chief Executive Officer. If this meeting is deemed successful at this informal interview, applicants are invited to observe a Board Meeting and meet the remaining Trustees. If all parties agree to proceed, the applicant is either co-opted or nominated for election at the AGM.

Organisational structure

Havering Volunteer Centre has a Board of Trustees which endeavour to meet bi-monthly ensuring the organisation is functioning adequately. The Board is responsible for the strategic direction and policies of the HVC. HVC's Chief Executive Officer holds the position of Ex-officio but has no voting rights.

As of the 31st March 2024, there were 6 Trustees who provide expertise on the voluntary sector, as well as personal and professional skills and experience relevant to the work of the organisation.

Responsibility for operational issues lies with Shelley Hart, Chief Executive Officer, who is supported by a team of staff and volunteer support. The Chief Executive is responsible for ensuring that HVC delivers services to meet targets and quality standards.

FOR THE YEAR ENDED 31 MARCH 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

Induction and training of new trustees

Trustees are provided with a clear role description, outlining their statutory and additional responsibilities. On joining the Board, Trustees are introduced to other Board members and to paid staff and volunteers. They will participate in an induction and are expected to attend training to fulfil their role and responsibilities to HVC throughout their term of office. Trustees are encouraged to familiarise themselves with HVC's policies and procedures, the Business Plan, Funding Strategy, Budget and our CIO documentation.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
HAVERING VOLUNTEER CENTRE**

Independent examiner's report to the trustees of Havering Volunteer Centre

I report to the charity trustees on my examination of the accounts of Havering Volunteer Centre (the Trust) for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

HAVERING VOLUNTEER CENTRE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds. It is probable that the income will be received and the amount can be measured reliably.

The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Investment income and fundraising proceeds are included when receivable.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

Fees are included when the charity has a right to income by way of performance of services.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure. It is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 25% on reducing balance

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
