**Report of the trustees for the year ending 31 December 2024.**

The trustees present their annual report and financial statement of the charity for the year ending 31 December 2024. The financial statement complies with the requirements of the Charities Act 2011 and has been compiled in accordance with the charity's constitution.

**Structure and Governance**

The Charity is a registered charity, number 1165807 and was established in England as a Charitable Incorporated Organization on 02 March 2016. It was established to continue the work that Stephen and Adonna Jones began through short term mission trips to Bulgaria.

New trustees are appointed by the existing trustees. The Charity's Constitution provides for a minimum of 3 trustees to a maximum of 7 trustees.

On appointment all new trustees formally accept in writing and are given a welcome pack, including a copy of the constitution, the board of trustee's minutes, trustees annual reports and accounts and a copy of the Charities Commission's publication entitled "The Essential Trustee: What You Need To Know".

All trustees give of their time freely and no trustee remuneration was paid in this year. Trustees are required to disclose all relevant interests and in accordance with the charity's policy withdraw from decisions where a conflict of interest arises.

## **Risk Management**

The trustees work together to identify risks and where necessary seek training or external advice to reduce the risk.

## **Objectives and activities for the public benefit**

The **purposes** of the CIO are:

- The advancement of the Christian religion for the public benefit by means of evangelism and the preaching of the Christian faith, working with local churches, in particular but not exclusively Bulgaria and other countries as the trustees see fit, in distributing aid and delivering pastoral care.
- The relief of poverty in Bulgaria, and other countries as the trustees see fit, by providing grants, items and services to individuals in need.

The Charity's **main activities** are:

- Encouraging individuals, groups and communities to grow in their Christian faith through all means available.
- Helping others achieve ministry goals which reflect the charitable purposes of Radiant Encounter Ministries
- Giving supplies to relieve poverty and cultivate a sense of personal value among the poor.
- Supporting local poverty relief and development initiatives.
- Reaching those who do not have a firm foundation of faith by both sharing and demonstrating the Christ like love of God with them.

## **Financial Review**

The charity currently operates with an annual income in the single-digit thousands. While this allows us to maintain limited core activities and continue supporting communities in central and southwestern Bulgaria, an increase in resources would enable us to extend our reach, develop new initiatives, and respond more effectively to emerging opportunities in both relief and discipleship work.

The charity started the financial year with £1,304 in the bank, of which £251 was restricted. During the year, we received £7,383 in donations, an increase on the previous year, including £876 administered through Stewardship and £6,507 from other charities and individual donors. Total expenditure for the year was £7,399, of which £602 was spent on overheads and £6,797 on projects to support those in need, there were no grants were given this year.

No restricted funds remain at the year-end, with a closing balance of £1,036.

Greater financial flexibility in future years would significantly enhance our ability to serve more communities, support local partnerships, and deliver sustainable impact in the regions where we operate.

## **Assets and Liabilities**

The Charity has finished the financial year with a positive balance and no debts outstanding.

## **Gift Aid**

In order to process its online website giving, Radiant Encounter uses the service of a charity registered in England and Wales called Stewardship, (charity number 234714). Stewardship administers the reclaiming of tax on behalf of the donor. The funds then come to Radiant Encounter, as a grant from Stewardship of the original amount donated online, plus any tax that has been reclaimed, minus their small administration fee of 3%. Stewardship's profits go to support charitable causes.

Radiant Encounter has also claimed gift aid where applicable on gifts that did not come through Stewardship.

## **Reserve Policy**

The Charity retains a reserve of sufficient funds to ensure that any ongoing expenses can be covered. Also, all funds held as restricted are retained until they are used for their designated purpose.

## **Trustee responsibilities in relation to financial statements.**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law. The law applicable to charities in England and Wales requires the trustee(s) to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources for the charity for that period. In preparing these financial statements the trustees are required to select suitable accounting policies and to apply them consistently and make judgements and estimates that are reasonable and prudent.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ascertain to ensure that the financial statements comply with the law. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees are responsible for the maintenance and integrity of the charity and financial information included on any of the charity's publications or websites.

## **How the charity delivers public benefit**

Radiant Encounter has regularly supplied goods to a local day centre for adults and children with disabilities, as well as to local nursing homes. These contributions have helped to improve the quality of life for residents and encouraged staff by recognising and supporting their ongoing work.

Over recent years the charity has organised the transport and distribution of donated clothes, shoes, and toiletries. Working in partnership with local churches in Bulgaria, these resources have reached individuals and families in need, including through direct home visits. This project has developed into a sustained and ongoing expression of practical support.

Since the outbreak of the crisis in Ukraine, Radiant Encounter has aided refugees arriving in Bulgaria. The charity has distributed clothing, hygiene products, and food, offering comfort and relief to those experiencing displacement and uncertainty.

These activities highlight the ways Radiant Encounter has been able to respond to needs in Bulgaria in recent years. Building on these experiences, the trustees look to identify future priorities.

## **Looking Toward the Future**

Over recent years Radiant Encounter Ministries has established a central base alongside our base in southwestern Bulgaria, enabling consistent ministry and relief

work across these regions. Stephen and Adonna Jones, together with their daughter Hannah, serve full-time as volunteers, leading projects and providing hands-on support. While we continue to meet immediate needs by providing clothes, essential items and practical assistance, our work increasingly focuses on building relationships and sharing the gospel with anyone open to hear it. Acts of service, whether assisting with repairs, supporting local initiatives or engaging international visitors, will also serve as opportunities for discipleship and faith-building in the coming year. Looking ahead, we are broadening our outreach to include a diverse range of communities and minority groups within the Balkans and potentially beyond. We also aim to strengthen connections with local pastors, offering encouragement and friendship to support the wider body of Christ in Bulgaria. Through this evolving approach, Radiant Encounter seeks to demonstrate Christ's love in practical and relational ways, meeting immediate needs while fostering spiritual growth, transformation and hope among the people we serve.

Lives will be changed, through a practical demonstration of love.

- The relief of poverty in Bulgaria, and other countries as the trustees see fit, by providing grants, items and services to individuals in need.

The Charity's main activities are:

Radiant Encounter Ministries seeks to work with a broad spectrum of organisations and people in order to advance the Christian faith for the benefit of as many people as possible.

Radiant Encounter:

- Inspires faith, hope and personal growth through the proclamation and demonstration of the good news of the Christian faith. Radiant Encounter's interpretation of the Christian faith is based on The Nicene Creed of 325AD. This creed is shared by many denominations including The Orthodox Churches, The Roman Catholic Church and Protestant Churches.
- Supports projects which bring relief to communities. Radiant Encounter has supported many projects within Bulgaria, including: the provision of a water supply, providing grants for food for the poor during Covid 19. It has also provided many kilos of clothes for the poor over the years. This support is irrespective of the recipient's personal faith. As a result, many have come to faith in Christ.
- Looks for ways to support the proclamation of the good news of the Christian Faith. Radiant Encounter has done this by supplying four mobile sound systems, microphones and cables which has improved the outreach

capabilities of a local denomination within its region. It has also provided Bibles to the poor that could not afford one.

- Provides schoolbooks and writing materials to children from poor families. This has allowed them to go to school with essential provisions.
- Provides for the care of vulnerable. Radiant Encounter has regularly supplied goods to a local day centre for adults and children with disabilities as well as supplying goods to some local nursing homes. This has helped to improve the lives of these adults and children. It is also very encouraging to the staff members, when their work is recognised.
- Transports clothes, shoes, and toiletries, which are donated. They have been distributed via local churches in Bulgaria, as well as being able to visit the poor in their homes. This has become an ongoing project.
- Provided support to Ukrainian refugees. Radiant encounter has been able to provide clothes, hygiene products and food to the Ukrainian refugees that have found themselves in Bulgaria because of the crisis in Ukraine.

**Report of the trustees for the year ending 31 December 2021.**

The trustees present their annual report and financial statement of the charity for the year ending 31 December 2021. The financial statement complies with the requirements of the Charities Act 2011 and has been compiled in accordance with the charity's constitution.

## **Structure and Governance**

The Charity is a registered charity, number 1165807 and was established in England as a Charitable Incorporated Organization on 02 March 2016. It was established to continue the work that Stephen and Adonna Jones began through short term mission trips to Bulgaria.

New trustees are appointed by the existing trustees. The Charity's Constitution provides for a minimum of 3 trustees, to a maximum of 7 trustees.

On appointment all new trustees formally accept in writing and are given a welcome pack, including a copy of the constitution, the board of trustee's minutes, trustees' annual reports and accounts and a copy of the Charities Commission's publication entitled "The Essential Trustee: What You Need to Know".

All trustees give of their time freely and no trustee remuneration was paid in this year. Trustees are required to disclose all relevant interests and in accordance with the charity's policy withdraw from decisions where a conflict of interest arises.

## **Risk Management**

The trustees work together to identify risks and where necessary seek training or external advice to reduce the risk.

## **Objectives and activities for the public benefit**

The objects of the CIO are:

- The advancement of the Christian religion for the public benefit by means of evangelism and the preaching of the Christian faith, working with local churches, in Bulgaria and other countries as the trustees see fit, in distributing aid and delivering pastoral care.
- The relief of poverty in Bulgaria, and other countries as the trustees see fit, by providing grants, items and services to individuals in need.

The Charity's main activities are:

- Encouraging local Bulgarian communities in their faith through local churches and through one to one pastoral care.
- Giving grants or supplying equipment to local churches to improve their services to their communities.
- Giving supplies to relieve poverty and cultivate a sense of personal value among the poor.
- Supporting local relief and development initiatives.
- The transporting of donated goods for the poor to Bulgaria from the UK.

### **How the charity delivers public benefit**

When planning activities, the Trustees of Radiant Encounter Ministries have considered the Commission's guidance on public benefit. The Charity strives to make The Christian faith available to all. Radiant Encounter Ministries seeks to work with a broad spectrum of organisations and people in order to advance the Christian faith for the benefit of as many people as possible.

Radiant Encounter:

- Inspires faith, hope and personal growth through the proclamation and demonstration of the good of the Christian faith. Radiant Encounter's interpretation of the Christian faith is based on The Nicene Creed of 325AD. This creed is shared by many denominations including The Orthodox Churches, The Roman Catholic Church and Protestant Churches.
- Supports projects which bring relief to communities. Radiant Encounter has continued supported projects in Kazanluk region, including: the provision of donated clothes as well as hygiene products. Radiant Encounter has also been able to give a grant to help with the building of a facility to house 12 orphans. This facility will house and educate the children and show them the love of God.
- Looks for ways to proclamation of the good news of the Christian Faith. An example of this was when Radiant Encounter supplied a Grant to a local church to help buy over 600 Roma children a Christmas food parcel. For many of these children the food parcel would be there only gift at Christmas and the only food they received that day.
- Provides support of personal hygiene products such as dental hygiene, sanitary ware and nappies for babies in the Roma community's, because of poverty many of the

Roma communities see these products as luxury's and are unable to afford them, themselves.

- Provides support to some of the local nursing homes. Radiant Encounter has supplied goods such as clothes, hygiene products and food parcels. As well as encouraging the staff, whilst adhering to the covid restrictions
- Transports clothes, shoes, and toiletries, which are donated in the UK, and distributes them via local churches in Bulgaria to the poor. This has become an ongoing project.

## **Financial Review**

The charity started the financial year with £598 in the bank.

The Charity has received £6402 in donations this year. These funding has enabled a lot to be achieved whilst leaving funds available at the end of the year of £2,960 of which there is £184 held as restricted funds.

Radiant Encounter received £2,596 from Stewardship. Stewardship is the charity which administers much of Radiant Encounter's online giving and reclamation of tax. £3,368 was given by other charities and donations.

This year the charities total expenditure year was £3,952, of which £262 was spent on overheads and the remaining £3,690 was spent on projects and grants to support those in need.

Grants totalling £1,500 were given this year, of which:

Grant totalling £500 was given to support the Christmas feeding project in Kazanluk, Bulgaria. They were feeding over 600 children on Christmas day.

Grant totalling £1000 was given to support the building work of a facility to house 12 orphans in the Kazanluk Roma neighbourhood

## **Assets and Liabilities**

The Charity has finished the financial year with a positive balance and no debts outstanding.

## **Gift Aid**

In order to process its online website giving, Radiant Encounter uses the service of a charity registered in England and Wales called Stewardship, (charity number 234714). Stewardship administers the reclaiming of tax on behalf of the donor. The funds then come to Radiant Encounter, as a grant from Stewardship of the original amount donated online, plus any tax that has been reclaimed, minus their small administration fee of 3 %. All of Stewardship's profits go to support good charitable causes.

Radiant Encounter has also claimed gift aid where applicable on gifts that did not come through Stewardship.

## **Reserve Policy**

The Charity retains a reserve of sufficient funds to ensure that any ongoing expenses can be covered. Also, all funds held as restricted are retained until they are used for their designated purpose.

## **Trustees' responsibilities in relation to financial statements.**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law. The law applicable to charities in England and Wales requires the trustee(s) to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources for the charity for that period. In preparing these financial statements the trustees are required to select suitable accounting policies and to apply them consistently and make judgements and estimates that are reasonable and prudent.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and enable them to ascertain to ensure that the financial statements comply with the law. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees are responsible for the maintenance and integrity of the charity and financial information included on any of the charity's publications or websites.

## **Looking Toward the Future**

Currently Radiant Encounter is working mainly in the central Bulgarian town of Kazanluk, with some work also in the southwestern Bulgarian towns of Razlog and Sandanski. Radiant Encounter is looking to continue working in these regions.

Radiant Encounter has now established a permanent base in the Kazanluk region as the centre of operations for ongoing relief projects. With Stephen and Adonna Jones, two of the trustees moving out to Bulgaria fulltime.

Radiant Encounter want to continue to build relationships with a local kindergarten whilst partnering with the local church to see this done.

Radiant Encounter want to return to helping and supporting the children's home in Razlog as well as the day centre for people with additional needs, as soon as COVID restrictions are lifted.

We want to continue to reach out to those that are in need and forgotten. Seeing lives being changed, through a practical demonstration of love.

The Charity's main activities are:

- Encouraging local Bulgarian communities in their faith through local churches and through pastoral care within smaller group settings.

Radiant Encounter's interpretation of the Christian faith is based on The Nicene Creed of 325AD. This creed is shared by many denominations including The Orthodox Churches, The Roman Catholic Church and Protestant Churches.
- Supports projects which bring relief to communities. Radiant Encounter has supported a number of projects in Kazanluk, including: the provision of a fresh water supply via two taps in the village centre, a drainage project to drain away the surface water and this year, a project to remove and dispose of surface soil contaminated by broken glass etc, replacing it with gravel. This Kazanlak Roma community, for many years has occupied a former rubbish dump and has been trapped in a cycle of poverty. This project was done through a regional church denomination which has developed a culture of

serving the members of its local community irrespective of the recipient's personal faith. As a result, many have come to faith in Christ.

- Looks for ways to support to proclamation of the good news of the Christian Faith. An example of this was when Radiant Encounter supplied four mobile sound systems, improving the outreach capabilities of a local denomination within its region. These sound systems have been put to good use to provide music and preaching in small buildings and in public outdoor areas.
- Provides school books and writing materials to children from poor families. This has allowed them go to school with essential provisions.
- Provides for the care of children. Radiant Encounter has regularly supplied goods to a local home for children with various needs, thereby improving the lives of these children. It is also very encouraging to the staff members, when their work is recognised.
- Transports clothes, shoes, and toiletries, which are donated in the UK, and distributes them via local churches in Bulgaria to the poor. This has become an ongoing project.
- Provides support for church development projects. One example is an electricity switchbox and connection to the power grid for a Roma Gypsy Christian Centre building project. The aim of this Christian Centre is to provide for the various needs of the poor, including food and in some cases accommodation.
