Report of the Trustees for Year ended 31st March 2023

The Trustees present their report with the financial statements of the charity for the year ended 31 March 2023. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP).

Objectives and Activities

The Charitable objectives for the Clifton CIO Charity are as follows:

‘To provide or assist in the provision of facilities for recreation and other leisure time occupation in the interests of social welfare with the object of improving the conditions of public life by the maintenance of parklands, woodlands, green open spaces and local amenities in the Fylde Coast Region of Lytham St.Annes, in particular the Clifton District’.

Since its formation, the Charity has successfully helped Local Charities and Volunteer groups focused around the Clifton District of Lytham St.Annes, having worked and provided assistance to the following groups:

- Lytham Hall Volunteers, managed by Heritage Trust North West.
- Friends of Ansdell in Bloom.
- Friends and Volunteers of Ansdell Station, in co-operation with Network Rail, in maintaining the gardens and open spaces for public benefit.
- ParkView4You and the Volunteer groups, working closely with the Trustees of that charity and Fylde Borough Council.
- Lytham in Bloom

The Charity has used its financial resources to provide tools and equipment to aid Volunteers to complete pre-approved tasks.

Work at Lytham Hall has been conducted with approval of the Management Team, tending to woodlands and 78 acres of parkland for public benefit and enjoyment, improving access to all, by building pathways and managing the woodlands with the help of Volunteers.

The Hall is a Grade 1 List Building and in need of continued renovation, surrounded by Park Land and Gardens in need of regular upkeep and maintenance.

ParkView4U CIO and Clifton CIO Trustees work closely with Fylde Borough Council, assisting to maintain play areas, lawns, providing grass cutting and power wash equipment, pumps and generator to clean and keep tidy the kitchen garden, sand and water play areas, visited by thousands of families throughout the year.

Finance

The Charity has opened a business bank account with Barclays to monitor, its income and expenditure having insured its Trustees against Public Liability claims during their duties as Trustees in representing the charity in its Voluntary work for Public benefit.

The Trustees have applied and been granted credit card facilities for the management of their income and expenditure, held with Barclays Bank

To further its aims, the charity has registered its fund-raising activities with HMRC to be able to re-claim tax relief on Gift Aid donations.

In setting out its activities the Charity always has regard for the Charity Commissions' guidance on Public Benefit activities.

Insurance of tools and the use of equipment by Volunteers is in place, provided by our local Insurance Brokers.

Achievement and Performance

The Charity with the approval of Lytham Hall management has installed two containers for equipment storage, in a secured area, which has limited access to the public on Health and Safety grounds. Volunteers are given access to tools and equipment, donated for the benefits of numerous local charities and Friends Groups, working as Volunteers to improve public parklands and open spaces.

Sponsorship donations have enabled Clifton CIO to purchase mowing equipment, tractors, grass cutting decks and forestry tools. Clifton CIO has been the third largest contributor towards costs of maintenance, of the Lytham Hall Grounds during the last 5year period to 2023.

Events and activities

Our range of events and activities has continued to expand offering many opportunities for the general public to join in activities that provide opportunity for education and learning new skills, partaking in physical exercise and developing friendships with other people who attend. This year's activities included:

- Lytham Hall maintenance:.
- Prospects on the North, South, East and West sides of the main house have been maintained as well as the Paddock area, paths, and road verges.
- A new westerly woodland path has been created to gain access to wildflowers i.e snow drops, blue bells and campion, as well as closer access to wild animals, birds and fauna.
- The existing car park has been expanded to accommodate a further 20 cars on site, which is generating new additional income for the up-keep and maintenance of the Hall and its grounds managed by HTNW.
- Assisting Trustees and staff at ParkView4U maintaining the grass play areas for locals and visitors to the park..

Financial Review

The Charity has ended the financial year in a positive financial position, having reclaimed tax relief from HMRC Gift Aid donations.

Structure, Governance and Management

Governance Document

The charity is controlled by its governing document, as approved by the Charities Commission in March 2017.
