Trustees' report

For the year ended 31 December 2020

The Trustees present their annual report together with the financial statements of the The Good Deeds Foundation (in memory of Maher Farid Irsheid) for the year 1 January 2020 to 31 December 2020.

Objectives and activities

a. Policies and objectives

We were hit this year with the COVID-19 pandemic, which has had a huge impact on the charity due to the extended periods of lockdown in Jordan, Palestinian territories and Israel. Our communities support programmes in a few localities had to cease. We have focused solely this year on food parcels for Ramadan and Eid and to take our education and cultural programmes to a virtual platform.

The main areas we worked on were:

- 1) feeding and gifting the poor for Ramadan and Eid,
- 2) Maintenance of Scholarships,
- 3) Maintenance of Environmental projects and;
- 4) Educational programmes on virtual platforms.

Achievements and performance

a. Review of activities

2020 has been a very difficult year for us to operate in due the challenges imposed on movement because if the COVID-19 pandemic. Let us walk through what we were able to achieve.

For Ramadan in 2020, in all three locations, through the charity we were able to feed the poor by food parcels delivered with the help of the Jordanian police to the deprived and through private delivery where lockdowns were less strict. We also had cooked food available where the poor came and filled their own pots with food all through Ramadan. We have noticed an increased need for basic sustenance and God willing will attempt to increase the scope of the feeding programmes in 2021 irrespective of the state of the pandemic as there was more demand than supply this year. We were also able to provide food in all three of our localities and aid for Eid al adha and again we have never seen such a demand for meat as we did this year. We were able to support the usual Eid prayers albeit in a COVID-19 safe conscious way.

Our cultural programmes were also challenging this year as we had to move our programmes to online platforms, something we did not have the infrastructure or know how for. However, our educational and cultural programmes continued mostly uninterrupted for most of 2020 once we mastered the online teaching until things opened up again. We are happy to say we also managed to add new courses and refine old material and make it up to date. This programme has proven a real success and essential for mental health and wellbeing of the youth and community we serve during this pandemic as they could still learn and connect and feel part of a bigger activity group. Our gratitude to the teachers that worked tirelessly to make this happen.

All donations to scholarships and some community help projects continued although on a much smaller scale. We replaced this with donating to the United Nations Charities working in the region and to a Jordanian food charity that had an excellent network of distribution during the pandemic. Again we think we will continue these donations into the following year.

We have had a chance this year to really learn what we need to focus on in the future and what needs to be the core aspects of our charity going forwards. We will have a dynamic approach to next year and beyond focusing on sustainable sustenance and education culture and current crisis management that is responsive to what the world throws at us God willing. We have lost a few dear people who have been key to our work and this is due to COVID-19 and we want to take this opportunity to remember them by sending them a small prayer and to wish them peace. We extend all those wishes to everyone we as a world lost to COVID-19. Rest in peace our dear ones and thank you all of you who have worked tirelessly to ease this pandemic on all of us.

The Good Deeds Foundation (in memory of Maher Farid Irsheid)

Trustees' report (continued) For the year ended 31 December 2020

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Principal funding

This charity is privately funded by the trustees.

Structure, governance and management

a. Constitution

The Good Deeds Foundation (in memory of Maher Farid Irsheid) is a registered charity, number 1165908, and is constituted under a Trust deed.

The principal object of the Charity is to provide assistance to the people of the East and West Bank of the River Jordan including the Palestinian territories, Jordan and Israel.

b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

c. Principal activities

The principle activities have not changed at all this year either, they have just been tweaked to the current pandemic environment. We have seen some programmes like one of the localities community programme end due to lockdowns but have tried to help more by donating to existing food charities in the area. Our charity is still an educational, cultural and environmental charity that focuses on helping the poor and the underprivileged communities in all 3 areas of our work. Helping the poor in any way we can with the resources we have available is simply us being true to the memory of the legacy of the late Maher Irshaid who held the biggest place in his heart for the less fortunate more than any other segment in any community. They were the dearest to him and are the dearest to us.

The Good Deeds Foundation (in memory of Maher Farid Irsheid)

**Trustees' report (continued)
For the year ended 31 December 2020**

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees on 20 December 2021 and signed on their behalf by:

Farideh Irshaid
(Trustee)

The Good Deeds Foundation (in memory of Maher Farid Irsheid)

**Independent examiner's report
For the year ended 31 December 2020**

**Independent examiner's report to the Trustees of The Good Deeds Foundation (in memory of
Maher Farid Irsheid) ('the Charity')**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2020.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's report (continued)
For the year ended 31 December 2020**

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of (enter body here), which is one of the listed bodies.

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

The Good Deeds Foundation (in memory of Maher Farid Irsheid)

Notes to the financial statements For the year ended 31 December 2020

1. General information

The Good Deeds Foundation (in memory of Maher Farid Irsheid) (the charity) is a Charitable Incorporated Organisation (CIO) and domiciled in the United Kingdom. The address of the principal office is Carter Lemon Camerons LLP, 6th Floor, 10 Aldersgate Street, London EC1A 4HJ. The principal activities of the charity are primarily an educational, cultural and environmental charity focusing on helping large amounts of underprivileged people in Jordan, Palestinian territories and Israel.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Good Deeds Foundation (in memory of Maher Farid Irsheid) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset class and depreciated over the useful economic life in accordance with the Charity's accounting policies.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the Charity which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

**Notes to the financial statements
For the year ended 31 December 2020**

2. Accounting policies (continued)

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of financial activities.

2.5 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

The Good Deeds Foundation (in memory of Maher Farid Irsheid)

**Notes to the financial statements
For the year ended 31 December 2020**

2. Accounting policies (continued)

2.8 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.9 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

3. Income from charitable activities
