REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 28 FEBRUARY 2025

The trustees present their report with the financial statements of the charity for the year ended 28 February 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The object of the charity is the advancement of Orthodox Jewish faith.

Significant activities

During the year, the charity's principal activity was the provision of charitable grants to students in the academy so as to satisfy the charitable criteria established in the objects.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education when reviewing the charity's aims and objectives and in planning future activities and setting grant making policy.

Volunteers

There were no volunteers during the year.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The Board of Trustees are satisfied with the performance of the charity during the period, consider that the charity is in a position to continue its activities during the coming year, and that the charity's assets are adequate to fulfil its obligations.

FINANCIAL REVIEW

Financial position

During the year ended 28 February 2025, the charity received total income of £120,883 (2024: £301,304), all of which comprised voluntary donations from individuals and limited companies.

Total resources expended during the year amounted to £237,467 (2024: £270,072). The majority of expenditure related directly to the charity's objects, with £220,038 applied in the form of grants in accordance with the objectives of the charity.

As a result of the above, the charity recorded a net deficit for the year of £116,584 (2024: net income £31,232).

At the balance sheet date, the charity held unrestricted funds of £10,865 (2024: £127,449 surplus), all of which were held as cash at bank. The trustees consider this level of reserves to be low but manageable in the context of the charity's funding cycle and subsequent fundraising activity.

Reserves policy

The charity's activities are funded primarily through donations. Income levels may fluctuate from year to year depending on the timing and scale of fundraising initiatives.

Although unrestricted reserves at the year end were modest, the trustees note that a successful fundraising campaign was undertaken after the year end, generating additional income subsequent to the year end. As a result of this post year-end fundraising activity, the trustees are satisfied that the charity has sufficient resources to continue to pursue its charitable objects and meet its grantmaking commitments for the foreseeable future.

In light of the charity's cash position at the balance sheet date, together with income received after the year end and the ongoing support of donors, the trustees believe that the charity remains a going concern and is well placed to continue its activities during the coming year.

FUTURE PLANS

The trustees plan to continue to pursue its charitable objectives.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.
