2. Structure, Governance and Management

Governing Document

Forest Active Community Trust is governed by its constitution and operates in accordance with Charity Commission guidance and applicable legislation.

Legal Structure

The charity is a registered charitable organisation established to benefit the communities of the Forest of Dean through increased access to physical activity, sport, and educational opportunities.

Trustee Recruitment and Appointment

The charity seeks trustees with a diverse range of professional skills and community insight to support strong governance and strategic leadership. Trustees are recruited through skills-based identification, community and professional networks, recommendations, and open recruitment where appropriate.

All newly appointed trustees receive an induction covering their legal responsibilities, the charity's objectives, financial oversight, and safeguarding expectations where relevant.

Organisational Management

The trustees are responsible for the overall governance, strategic direction, and financial sustainability of the charity. Day-to-day delivery is supported by a team of experienced coaching staff and partner organisations, enabling the charity to deliver both direct provision and collaborative programmes.

The trustee board meets regularly to monitor financial performance, review operational delivery, assess risk, set strategic priorities, and ensure regulatory compliance.

Risk Management

Trustees actively review risks to the charity and implement appropriate mitigation strategies including financial controls, safeguarding practices, health and safety procedures, data protection, and partnership due diligence.

3. Objectives and Activities

Charitable Objectives

Forest Active Community Trust strives to make a positive impact across the Forest of Dean community through physical activity. The charity recognises the unique barriers to participation within a rural area and works collaboratively with public, not-for-profit, and private sector partners to increase both the range and quality of opportunities for people to be active and engage in sport.
