## Bridgends Hospital Radio- BHR Trustee Report

Firstly we welcomed a new Trustee Mr Bill Everatt who was one of the founding members of the original hospital radio. Bill brings a lot of experience in radio broadcasting to the station which will help us to improve the service we can provide. Bill has already initiated a regular news bulletin and has ideas how we can improve things.

Owain White and Connor Morgans have stepped down from being trustees but will still remain supplying input to the station.

Our volunteers , Paul, Stewart,Jim, Dave and Bill now have regular shows as Bill has implemented a more structured running programme. They have all made significant contributions keeping the radio station operating sometimes in difficult circumstances especially when systems go down. So a big Thank You to everyone.

We have had problems accessing the studio as the hospital roof had to be renewed but with volunteers accessing remotely a broadcast service has been maintained.

Some of the equipment is now showing it's age so funds will need to be sourced to renew the equipment.

We would like to thank TJ taxis for their continued sponsorship which has enabled us to pay ongoing costs and maintain a service.

We have also received payments from Easy fundraising and other donations from individuals .

Bill will contact local businesses , councils and community councils to ask for donations and this will start from April 2025.

Once funds have been received the equipment can be replaced with the aim of having 2 studios working. The second studio will be used for training new volunteers and recording programmes. Recruitment of volunteers will also resume from April 2025.

Trustees meeting 20/06/23

All trustees present.

Main point of discussion was fundraising as our funds are depleting.

Suggestions made were to see if we can get some local companies to sponsor the station or a programme.

Owain suggested a sponsored zip wire in the Rhondda as Wayne seemed keen .

Also Owain agreed to talk to Red Dragon about them possibly doing a fundraising evening,

Wayne agreed to ask Arthur if his son could sponsor his programme.

Did also discuss using the easyfundraising app.

Checked we are not recognised for gift aid.

<https://www.easyfundraising.org.uk/panel/>

For example spend on Tesco shopping on line £1.75 each time. It soon adds up.

[https://www.easyfundraising.org.uk/raisemore?efr\\_source=website&efr\\_medium=easyfundraising&efr\\_campaign=header-navigation](https://www.easyfundraising.org.uk/raisemore?efr_source=website&efr_medium=easyfundraising&efr_campaign=header-navigation)

Also look into HBA grants

<https://www.hbauk.com/grants#:~:text=The%20grants%20are%20intended%20to,purchase%20from%20their%20own%20funds.>

If anyone has any ideas please let one of us know.

Proposed AGM in Sept.

Luke has decided to step down from being a Trustee as he is studying to become a nurse while working full time. Luke will still be doing his show. Thank you Luke for all your hard work keeping the station going. Luke has agreed to show us all how to use the systems and what to do if it goes wrong.

## Annual Charity report

### Trustees

Wayne Dunkley, Luke Phillips, Julie Ball, Owain White and Connor Morgans

We are a volunteer led Hospital radio station broadcasting via internet and apps . Our broadcasts are now accessible to all visitors and staff at The Princess of Wales Hospital in Bridgend where we are based.

Also providing access is the surrounding area allowing anyone to make requests for patients ,staff etc without having to come to the hospital

This year our trustee Luke Phillips has started a trainee programme which is proving to be very successful and hope to now be able to recruit more volunteers in the future. We now have 12 volunteers who are presenting their own shows.

We also broadcast information promoting campaigns relating to the hospital/Health and recently broadcast information regarding Covid 19 during the Pandemic. We will continue to broadcast health and well being information.

We held our AGM in May 2022 where the incumbent Trustees were voted in along with Connor Morgans who we welcomed as a new member. Trustees and all volunteers and not paid.

We held a fundraising evening and raised £300. We will continue to find ways to raise funds for ongoing running costs. This year we have used funds to pay for internet access, Broadcast licenses and insurance.

# Bridgends' Hospital Radio

We are a charity that is completely run by volunteers. Providing music and information to patients , visitors and staff at the hospital

## **Our Aims**

To continue to provide music and information for the benefit of the patients, staff and visitors .This is achieved at the moment with sockets at the bedside which the patients can plug in headphones which are currently provided by the hospital.

We are also working with the hospital to provide a service in the parts of the hospital that currently not able to receive the service.

## **Our Objectives**

Our objective is to improve patient, staff and visitor access and awareness to the radio and hospital services. We have broadband connection now which enables us to broadcast via the internet. This also enables easier access to social media.

Recruitment of volunteers had to be put on hold due to Corona virus but will continue when it is safe to train volunteers on a face to face basis.

We will continue fundraising to cover ongoing costs i.e. Broadcast licences and continue to upgrade equipment and services.

Achievements

Also we have still provided specialist shows i.e Eurovision , Halloween and Christmas shows which are streamed live on social media therefore increasing awareness.

During the last year because of Covid we have not been able to access the studio except for checking the system. We have adopted Covid protocols when going into the studio but have informed all volunteers that only trustees are allowed to go to the studio.

We are still able to broadcast from home accessing the system to do so. We also run regular Covid updates and information. We also have two trustees who now work in the hospital making it easier to liaise with hospital staff and visitors.

We held our AGM which was well attended virtually . It was agreed that the current Trustees will remain in post and will have nominations and voting next at next years AGM.

Trustees are nominated and voted in every 2 years at the AGM. Currently we have 4 trustees

Wayne Dunkley, Owain White, Julie Ball and Luke Phillips.

Unable to have our regular fundraising evening this year but are hoping to arrange one for next year.

## **Our Finances**

The financial statement shows there was a net income of £2300

We will always have a reserve of approx £500 to cover on going costs .
