

Trustees meeting 20/06/23

All trustees present.

Main point of discussion was fundraising as our funds are depleting.

Suggestions made were to see if we can get some local companies to sponsor the station or a programme.

Owain suggested a sponsored zip wire in the Rhondda as Wayne seemed keen .

Also Owain agreed to talk to Red Dragon about them possibly doing a fundraising evening,

Wayne agreed to ask Arthur if his son could sponsor his programme.

Did also discuss using the easyfundraising app.

Checked we are not recognised for gift aid.

For example spend on Tesco shopping on line £1.75 each time. It soon adds up.

Also look into HBA grants

If anyone has any ideas please let one of us know.

Proposed AGM in Sept.

Luke has decided to step down from being a Trustee as he is studying to become a nurse while working full time. Luke will still be doing his show. Thank you Luke for all your hard work keeping the station going. Luke has agreed to show us all how to use the systems and what to do if it goes wrong.
