Trustees' Annual Report for the Year Ended 31 December 2024

The trustees of Education First (registered charity number 1166007) present their annual report and financial statements for the year ended 31 December 2024.

In 2024, the charity built significantly upon the foundation laid in previous years, expanding the scope and impact of its online training programmes. Our ongoing commitment to supporting diaspora education continued with the successful delivery of a second season of our comprehensive teacher training programme.

This year, we broadened our reach by launching two new flagship initiatives, delivering three distinct training programmes to critical groups:

- A **high-level training for non-profit organisations**, delivered from 27 to 31 July 2024.
- The **second season of our teacher training**, which took place from 2 to 5 September 2024.
- A specialised **training for school administrators and management teams**, running from 5 October to 2 November 2024.

Each of these core programmes represented a substantial commitment, with each course comprising approximately 20 hours of training.

Operational activities were conducted efficiently with minimal costs, which continued to be facilitated through our valued partnerships and individual membership fees. As such, there were no recorded income, expenditure, assets, or liabilities for this period. The trustees are enthusiastic about the continued growth of our training offerings and remain dedicated to planning further initiatives that align with the charity's objectives.
