In addition, the Elders hold regular meetings to discuss spiritual issues, the appointment of deacons and the recognition of Elders.

Accounts are produced on a monthly basis by the Treasurer and are reviewed by the Elders and Deacons. An update on Fund balances is provided by the Treasurer to Elders and Deacons and these accounts are available to all church members.

The Church has a Safeguarding Policy relating to Children, Young People and Vulnerable Adults.

The Church has a Health & Safety Policy and regular checks are made to ensure this policy is maintained.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The advancement of the Christian faith and of other charitable purposes such as the Trustees shall decide, all as an expression of the Statement of Faith in the Trust Model.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

There were 41 church members on the roll at 1st January 2022.
The majority of these attend the Sunday worship service regularly.

During the year we have continued our activities both within the church and the wider community. This includes our worship services, teaching and prayer.

We have been able to continue contact with the local community with Mums & Toddlers Club, Kids Club and Youth Club. These weekly events have been advertised in our regular newsletters and have proved very popular.

In addition to work in the immediate locality we have encouraged children and young people, both in the church and from the events we run, to attend events held under the auspices of other churches of God in the Fellowship.

Statement of Public Benefit

All Trustees are aware of the Charities Acts public benefit requirements so that the purposes and activities of the church are geared to meeting those requirements as well as the spiritual needs of the public as an expression of the Statement of Faith in the Trust Model.

The neighbouring community may benefit from the promotion of the Christian faith and the promotion of church fellowship.

None of the Trustees receives any private benefit.

Additional details of objectives and activities (Optional information)

It is our policy to make financial contributions to other activities of Churches of God in the UK and throughout the world as spiritual and social needs arise.
The charity has no employees, all work, practical and spiritual is done by volunteer members of the church.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

COMMUNITY EVENTS

We have been actively engaged with the local community with various social outreach events, over the past twelve months, including a Fun Day; Skittles and Barbecue events and a Quiz & Curry Night.

During the Summer months of June & July, our church arranged social outreach events in a local park, which featured various activities for all the family.

In the lead up to Christmas we held two Light Up events, with visitors experiencing a time of socialising with friends, and a choice of activities for the children to enjoy. This year we also had a workshop for local ladies who tried their hand at Christmas Wreath making.

MUM'S & TODDLERS

A small number of church members and members of the local community run a stay and play group every Tuesday morning during term time called Tumbles. It is well attended with over 20 families on the register and we often have families on the waiting list as well. It is a relaxed and friendly group offering families a chance to chat whilst supervising their children playing. We provide refreshments at snack time, a craft/sensory/quiet zone activity and singing/bubble time.

YOUTH WORK

In 2022, we formed a new group for the teenagers in the church called Potter's Clay. We meet most months and alternate between Bible Studies and social activities. The social activities include games nights, bowling and a BBQ. We also organised a weekend for the group which consisted of Bible Study, sport and games and a walk in the Peak District.

Our community youth work has been very successful as we have run a youth club for children aged ten and upwards for many years which now, post Covid, has seen a resurgence.

In January 2022 we started a kid's club for children of school age to age ten. These have also been very successful enabling children to come together to participate in games, sports, craft, singing and bible stories. Around 40 different children have attended across both clubs during the year and many children and their families have attended other church activities.

OUTREACH

We have continued to offer online Bible Study courses this year, Alpha, Christianity Explored and Faith Explored.

During June and July we visited the local Park on several Sunday afternoons and delivered a programme based on the Commonwealth Games. This incorporated a range of free family activities such as a puppet show, face painting, craft and a bible message.

Approximately once a month we visit the local High Street on a Sunday afternoon offering free Christian literature for adults and children.

All the money in this fund is gifted to full time evangelists working amongst the Fellowship of Churches of God and to their widows where appropriate.

Appeals

From time to time there are special appeals for which collections are made. During the year this included gifts to our sister church in Nottingham to help fund their rebuild project.

It is the Trustees' policy to maintain a positive balance in each fund.

The unrestricted funds are considered by the Trustees and acknowledged by donors that they may, in the event of extreme expense, be used for any purpose. For management purposes they are kept separate and reviewed as though they were separate.

The restricted funds must be used for the designated purpose only.

All funds are now held in a current account with Lloyds Bank plc.

Details of any funds materially in deficit

At year end none of the funds were in deficit.
