

HIGHER KINGDOM CHURCH INTERNATIONAL (1166073)

TRUSTEES' ANNUAL REPORT

The church started with only five (5) people, but this has increased so far to about 24 people including children; however, the commitment to church activities and attendance has been left to only few faithful members.

The church currently rents a hall at the Sit Margaret's & St George's United and Reformed Monrovia Church building, 67 Nicoll Road, Harlesden. London. NW10 9AX. Activities include Sunday services 4pm-6pm, visiting people in the community, feeding the poor and needy in the community and visiting the sick to pray with them.

The church also embarks on radio broadcast on Sunday Morning 6am to 9am to encourage and pray for our dear listeners. Radio broadcast is a method of evangelism to recruit people into the church and to further enlighten the public on moral awareness and how to live peacefully in the society.

Frankly speaking the leaders and pastors of the church do not receive any salaries or wages as this is a voluntary charity organisation geared to serve mankind in the community. Donations and church offerings are the source of revenue for the church. This revenue is also what the church uses to pay our rent every month, so that we can meet every Sunday and sometimes Fridays for Bible study and prayer meetings.

Higher Kingdom Church aims at improving the lives of its people and members in the community. It is open to the public for counselling, support to people who require help and assistance and signposting individuals to resources within the community. Used clothes and other valuables are sometimes given out to the needy and other organisations in the community.

Once a while Higher Kingdom Church organise a get together for people to have hot meals, drinks and dance to ease off stress. The church is open to the needs of the people in the community where in some instances we have donated cash to the vulnerable people at Grenfell Tower.

The church hopes to expand its evangelistic crusade to recruit more people into the group because the harvest is plenty but the labourers are few and we as a church need more labourers to help build the community together. The church is therefore looking forward to receiving more volunteers to assist and help others within the community.

May the good Lord Himself bless you all for this worthy cause.

Thank you
