Achievements and performance

Summary of the main achievements of the charity during the year

The main achievements of this financial year were to increase awareness of the charity through social media, media interviews and large fundraising campaigns. We also managed to navigate the pandemic seeking to secure funding streams and keep communications open with our beneficiaries.

The early part of the year, pre-Covid 19, was very busy with purchasing annual passes and processing applications. This stopped once the country went into lockdown and the theme parks closed for the purchase of new annual passes.

During this year we were able through incredible generosity to build an outdoor office for the Courage Foundation UK to be based from. This has meant that we can now look to recruit more volunteers and dedicate more space to the growth and development of the charity.

We continue to be staggered by both the demand for the work of the charity and the sheer generosity of so many to enable this work to happen - be that financial support or blood, sweat and tears undertaking huge physical challenges.

Section E

Financial review
