Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The relief of financial hardship amongst people in Leicester city, Leicestershire and the surrounding area or in other parts of the United Kingdom in such ways as the trustees from time to time think fit, in particular, but not exclusively by: a) providing emergency food, essential toiletries, and household items to individuals and families in need and/or for distribution by charities or other organisations working to prevent or relieve poverty b) such other means, including (but not limited to) the provision of support or signposting to relevant information and other advisory service.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Operating from a warehouse in Wigston from which we distribute emergency food parcels to our hubs around the city and county of Leicestershire. This centre is also a hub. Each hub opens to the public at set days and times. They then distribute food parcels to individuals or families 6 days a week. These people have had their needs assessed and once assessed, they are issued a voucher which they redeem at the hubs. Occasionally we deliver to their home, depending on their ability. We also operate an advice and advocacy service to which people can be referred, or signposted to the most appropriate support for their situation. We work with student support services in schools, colleges and other educational institutions, with families who are struggling to put food on the table. This includes the hospital school at the Leicester Royal Infirmary. We work with local councils housing options and

		benefits departments, housing associations and young peoples hostels and probation hostels to ensure that their residents reduce the risk of eviction and homelessness. We partner with local faith groups to ensure the vulnerable and marginalised in their communities are not forgotten and can at least know that they can feed their families. Some of the agencies that we work with and refer their clients to us for emergency food parcels include, social services, Youth offending services, probation, police (domestic violence and modern day slavery units). GP's, Hospitals community mental health teams as well as the local authority community health partnerships. We have set up a network of organisations so that there are multiple pathways a person in need can obtain help including self referral.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	We kept in mind the Charity Commission guidance on public benefit when planning activities at Trustee meetings.

Policy on grant making	Para 1.38	Part of the role of our Operational Manager is business development and to source appropriate funding for our core operational costs.
Policy on social investment including program related investment	Para 1.38	We encourage and partner with local businesses to offer Corporate Social Responsibility. This can include companies giving staff paid volunteering days with us, to specialist advice and training and grant funding and sponsorship. We are actively working with local authorities on community based projects to build resilience and cohesion for residents. Our Operational Manager sits on several poverty related forums and attends council meetings.
Contribution made by volunteers	Para 1.38	Our operation is only possible by the gift in kind our volunteers give to the work. We currently employ two staff equalling 1.5 full time equivalent, but our volunteer hours contribute to a further 200+ hours a week. Our volunteers come from the local community and help to inform our service. We encourage participation and some of the people who have received support from us, return to become volunteers themselves as they want to give back to their community.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Leicester South Food Bank (LSFB) has been providing emergency food and other essential items to the residents of Leicestershire and Leicester city since 2016. From April 2019 to March 2020 LSFB fed 5706 people. However, due to lock down in March, we saw a huge increase from April 2020 to March 2021 of 20.857 people fed. This increase in demand was unprecedented and our operational response was swift and effective. We currently operate 10 hubs where the community can obtain an emergency food parcel 6 days a week. We support 13 schools and Leicester college student support services, to ensure that their pupils who receive free school meals, and are on the pupil premium, are not going without food. We have now incorporated a delivery service for our clients that are self isolating, or struggle to get out to one of our hubs. We have been asked by Blaby District and Oadby and Wigston councils to support them with their community hubs. We have been approached by councilors from Eyres Monsell estate, Knighton and Belgrave wards to support their vulnerable residents. We support disadvantaged young people in the YMCA and Park lodge hostels and partner with other charities to ensure there is no food waste and that food is distributed quickly to those who desperately need it. To this end we have instigated call handling with 4 volunteers working from their homes on laptops and mobile phones. We are ensuring that food and emergency provision goes to those that really need it. We operate an electronic voucher scheme and people are asked a few simple questions to ensure that we are the best placed service to support them. The vouchers also enable us to ensure food is being allocated fairly and maintain stock levels. To manage the demand, we have volunteers sorting and packing food 5 days a week. Our van is out every day collecting and distributing donations. We</p>

		<p>have 5 volunteer drivers delivering food parcels to people's homes. Our call operators work shifts to provide a 6 day a week enquiry service. LSFB has always operated on the premise that the food we distribute is an emergency provision and that we are here to lift people out of poverty. We operate an advice and advocacy service to assist clients with the issues that brought them to us in the first place. We feel this is an essential service to empower people to take charge of their own lives and see hope and a future. This service has also proved to be a vital link between those in the community who are vulnerable and statutory services. We are the eyes and ears on the ground that can spot signs of abuse and neglect and alert and sign post people to the most appropriate service to ensure everyone is safeguarded.</p>

Independent Examiner's Report to the Trustees of Leicester South Foodbank (the 'charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 30 September 2020

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

RESPONSIBILITIES AND BASIS OF REPORT

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011.

Having satisfied myself that the accounts of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the charity as required by the 2011 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of the 2011 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS

1.0 BASIS OF PREPARATION

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts.

The accounts have been prepared in accordance with:

(a) the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014

(b) the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102)

(c) and with the Charities Act 2011

1.2 Going concern

These accounts have been prepared under the going concern basis.

1.3 Change of accounting policy

There were no changes in accounting policy during the year.

1.4 Material prior year errors

No material prior year errors have been identified in the reporting period.

2.0 ACCOUNTING POLICIES

2.1 Income

Recognition of income

Income is recognised in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants & donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met. In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met

Legacies

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Government Grants

The charity has received government grants in the reporting period

Tax reclaims on donations & Gift Aid

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less

the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Donated services

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Income from interest, royalties and dividends

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

2.2 Expenditure & liabilities

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance & support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Creditors

The charity has creditors which are measured at settlement amounts less any trade discounts

Provisions for liabilities

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

Basic financial instruments

The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP

2.3 Assets

Tangible fixed assets

These are capitalised if they can be used for more than one year, and cost at least £50. They are valued at cost. The depreciation rates and methods used are disclosed in note 6.0.

Stocks

Stocks held for distribution as part of non-charitable trade are measured at the lower of cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Leicester South Foodbank
A Charitable Incorporated Organisation

Charity No: 1166104

Current asset investments

The charity may have investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.

They are valued at fair value except where they qualify as basic financial instruments.

Independent Examiner's Report to the Trustees of Leicester South Foodbank (the 'charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 30 September 2020

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

RESPONSIBILITIES AND BASIS OF REPORT

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011.

Having satisfied myself that the accounts of the charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the charity as required by the 2011 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of the 2011 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
