Structure, Governance and Management

Governing Document

The charity is controlled by its governing document, Foundation Constitution (17 March 2016), and constitutes a Charitable Incorporated Organisation ("CIO").

Structure and Management

Overall responsibility for the church lies with the trustees of whom there are three including the Pastor who, along with an elder, are responsible for overseeing the church. These two bodies, trustees and eldership, while being two distinct groups have a number of common members and between them have a common goal between them and are responsible for the formulating and implementation of policies designed to further the objectives of the church. The power for the appointment or removal of trustees lies with the Trustees themselves.

Trustee Selection Methods

Trustees are appointed by a resolution passed at a properly convened meeting of the charity trustees. Trustees are selected from within the Church's membership. The criteria for choosing trustees are their commitment to the Church and the usefulness of their professional expertise to the Church.

Objectives and Activities

Objectives

To advance the Christian faith for the public benefit, in particular but not exclusively by all or any of the following means:

To facilitate the establishment of a local church which seeks to be a benefit to, and positive influence on, the local community by spreading the gospel of Jesus Christ through evangelism and advancement of the Christian faith.

To provide and maintain premises and facilities for the church to meet for worship, religious instruction and teaching, and other related activities.

To assemble regularly for Sunday Services, small group meetings, prayer meetings, youth work, children's work, leadership training and adult discipleship. Activities including groups and events for all ages incorporating worship, prayer and study of the Holy Bible, raising awareness and understanding of scripture, biblical principles and practices.

Missional and outreach work, including encouragement, pastoral support and community activities; building and maintaining relationships within the community and with other like-minded churches.

Activities

When planning activities for the year, the Trustees have had regard to the Charity Commission's guidance on public benefit.

Compass Church has established itself as a local church with strong foundations having a positive influence in the local community of Wellingborough, Northamptonshire and beyond.

During the year the Church continued its objective to advance the Christian Faith through: worship and prayer, spreading the gospel of Jesus Christ, adult discipleship & training, children's & youth work, providing practical and pastoral care for people in the community, outreach & ministry work and the expansion of relationships with churches nationally and internationally.

Achievements and Performance

Premises

The church entered in to a lease for premises: 2-4 Meadow Close, Wellingborough on 05 August 2022.

Some alteration of the premises was necessary to create a large Main Hall and the total space of 6,000+ sq ft is now used for the vast majority of church activities including, but not limited to: Sunday Services, Children's & Youth work, small group meetings, discipleship & training, community outreach events.

Worship & Prayer

The church usually meets each week for Sunday Services, during the week in small (Core) groups, and for various prayer and worship meetings.

Discipleship & Training

Sunday services incorporate prayer and worship with Bible teaching at the centre to encourage faith and Christ-centred living, and with an evangelistic component appealing to non-Christians.

Church members meet weekly in small (Core) groups for discipleship, spiritual growth and training.

Bible Study series are held throughout the year and The Bible Course (The bible Society) is also run at least annually.

Our 10-week Compass Members Course (CMC) course ran with great success and concluded with 11 new members joining the church in September 2022.

Children's & Youth Work

Children and youth are a key demographic in the church and an important part of the vision of the church. Children's church classes meet each week during the Sunday Service and a number of our church Youth assist our Kids Church Leaders in running the classes. Since moving into our own premises there are four Kids Church classes:

- 0-3s Creche/Preschool
- Reception/Year 1
- Year 2
- Years 3 – 6

Classes deliver teachings, crafts and activities, games as well as time for Children's worship and prayer.

There are weekly meetings on Friday evenings for Juniors (year groups 3 – 6) and Youth (year groups 7 to 13) which are open to attenders of our church and others from the local community. The aim is to provide them with a safe, inspiring and supporting environment where they have an opportunity to build relationships and have fun whilst also being informative and sharing the gospel. These Friday night sessions are invaluable - mixed in with the fun is precious work that can be a lifeline for a young person navigating their way through to adulthood.

In the summer our Youth and Juniors were given the opportunity to attend a 3 night residential camp at the Chellington Centre, Bedford led by our Kids Church leadership team. Those attending enjoyed food, fellowship, fun and spiritually educational activities, Bible studies and worship song writing workshops.

Community Outreach

With our own premises the church has been able to reinstate events and activities reaching out to the wider community. This has included monthly Coffee & Chat mornings where attenders can visit the church, meet some of our members and enjoy fellowship and complimentary refreshments in a safe and supporting environment.

On an ad-hoc basis we host events and gatherings, often incorporating meals together such as Breakfast or Afternoon Tea, and involving guest speakers and activities that are usually invitational for family, friends and local community to attend.

Seasonal community outreach services, events and gatherings are planned for the coming year utilizing our new premises to the full and extending out in the Wellingborough vicinity. This may include special Nativity and Easter services, drama groups, youth socials and outreach to local schools.

Itinerant Ministry Work/Church Relationships

The Senior Pastor and his wife serve as leaders and members of Ministers Fellowship Global ("MFG"). MFG is a non-denominational charitable organisation based on genuine relationships. MFG focuses on supporting ministers and leaders as part of a worldwide family of churches, providing, amongst other things, accountability without control. The church elder and his wife are also members of MFG.

The church continues to have close relationships with other churches in this country and overseas that are also affiliated to MFG. Overseas ministry trips and conferences sadly had to be cancelled in recent times due to the Covid-19 pandemic, however online meetings and recorded material continued to be made available.

A one-day Regional Conference is planned for November 2022 with Compass Church hosting and a 5-day International Conference is planned for May 2023 to be hosted in UK.

Financial Support

Financial gifts to individuals are strictly controlled and the Church's policy is that support is generally given only to recipients who are known to us and are genuinely in need through circumstances beyond their control, thereby ensuring, as far as possible, that the money is well invested.

Financial Review

Reserves Policy

The Trustees do not have a formal reserves policy but income from Tithes, Offerings and Donations received on a weekly, monthly and ad-hoc cash basis will be sufficient to meet the day to day running costs of the Charity.

Principle Funding Sources

The church raises most of the funds it needs to carry out its activities from within its own membership and congregation. The church is heavily dependent on its membership working as volunteers in all aspects of the church's activities, many of which run with little or no impact on the church's expenditure but nevertheless contribute substantially to the achievement of the church's objectives. The trustees are confident that the church's cash flow is such that it is able to meet its short and medium-term commitments.

Plans for Future Period

The charity looks forward to further achieving its charitable objectives during the forthcoming year. There is of course the need to be financially prudent given the level of

income and resources, and our current financial commitments. However, it is anticipated the income and activities of the charity will continue to expand.

The Trustees and senior leaders believe having a dedicated and permanent premises will enable the church to develop, grow and further achieve its objectives. Church continues to actively raise funds for the improvement of facilities and acquisition of resources towards that aim.

Financial matters aside, we will continue to be proactive in trying to achieve our ultimate aim of taking the "Good News" of the Christian Faith to as wide an audience as possible.

Declarations

The trustees declare that they have approved the trustees' report above.

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability. 	Yes ✓	No ✓	N/a ✓
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes ✓	No ✓	N/a ✓
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	Yes ✓	No ✓	N/a ✓
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	Yes ✓	No ✓	N/a ✓
Government grants	The charity has received government grants in the reporting period	Yes ✓	No ✓	N/a ✓
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Yes ✓	No ✓	N/a ✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes ✓	No ✓	N/a ✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	Yes ✓	No ✓	N/a ✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably. Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	Yes ✓	No ✓	N/a ✓
Support costs	The charity has incurred expenditure on support costs.	Yes ✓	No ✓	N/a ✓
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	Yes ✓	No ✓	N/a ✓
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	Yes ✓	No ✓	N/a ✓
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies. Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	Yes ✓	No ✓	N/a ✓

Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value. Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock. Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Compass Church Wellingborough – Year End Accounts 2021/22

Independent examiner's report to the trustees of Compass Church Wellingborough

I report to the trustees on my examination of the accounts of Compass Church Wellingborough for the year ended 31 October 2022.

Responsibilities and basis of report

As the charity trustees of Compass Church Wellingborough you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of Compass Church Wellingborough's accounts carried out under section 145 of the Charities Act 2011 and in carrying out my examination I have followed all of the applicable Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- Accounting records were not kept in respect of Compass Church Wellingborough as required by section 130 of the Charities Act 2011; or
- The accounts do not accord with those records; or
- The accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities ((Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
