The Trustees intend to continue the work of the charity as per the charitable objects.

I report to the charity trustees on my examination of the accounts of PCSA Prostate Cancer Support Association Kent (the Trust) for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 DECEMBER 2021**

ACHIEVEMENTS DURING THE PERIOD AND PLANS FOR FUTURE PERIODS:

The Charity is a patient led organisation committed to supporting men and their partners whose lives have been affected by the disease. The Charity continues to hold monthly meetings at the Kent and Canterbury Hospital Education Centre and these meetings are relaxed and enable members to share experiences, thoughts, and suggestions about the treatment options. Newly diagnosed men and their partners find it particularly helpful to talk with individuals and couples.

The Charity is actively supported by doctors and nurses specialising in prostate cancer and continues to raise large amounts of money to enhance the work of our local hospitals and improve treatment for patients.

The Trustees intend to continue the work of the charity as per the charitable objects.

At 31 December 2021 free reserves totalled £34,746 (2020 - £42,070).

In carrying out the charity's objectives the trustees have had a regard to the guidance issued by the Charity Commission on public benefit.
