TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED DECEMBER 2022

Keep Breage Green's charitable objects are:

To promote for the benefit of the public the conservation protection and improvement of the physical and natural environment in Breage by the establishment and maintenance of a wildflower meadow.

The trustees continue to collect pledges (thus avoiding the possibility of a failed appeal) with a view to purchasing fields at the centre of Breage when they next become available.

Member donations amounted to £14.39.

Expenditure during 2022 was NIL as the new direct debit set up by our domain registrar failed and the company have stopped using direct debits. An alternative solution is being investigated.
