TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED DECEMBER 2024

Keep Breage Green's charitable objects are:

To promote for the benefit of the public the conservation protection and improvement of the physical and natural environment in Breage by the establishment and maintenance of a wildflower meadow.

The trustees continue to collect pledges (thus avoiding the possibility of a failed appeal) with a view to purchasing fields at the centre of Breage when they next become available.

Member donations amounted to £1.00.

Expenditure during 2024 was NIL as the old website (that had to have the domain paid for each year) was replaced in May 2024 with a free website powered by Weebly.

A letter was received from Barclays in November 2023 advising that the account may be closed due to inactivity. A reply was sent to Barclays confirming the account was still needed and a nominal £1 was paid into the account. A reply was received from Barclays in February 2024 advising that a marker has been applied which should prevent closure of the account.
