Chairman's Report 2025

The first thing I have to mention is the sad passing of Richard Barford who was a long serving and respected member of the management committee and leader of the Scottish Dancing Group who are long standing users of the hall.

We welcome Eileen Stener, who has taken over as the representative of the group.

Last year we were at a crisis point with energy costs, but thanks to the guidance of our Honorary Treasurer and making adjustments to our hall charges the situation is now under control. We continue to monitor the situation.

Our CCTV system has been completely upgraded and our thanks go to Boxley Parish Council for their very generous grant that covered the costs.

We have started a wish list of jobs that require doing and work will start once we have prioritised.

The hall continues to be well used and again, many thanks to our long serving caretaker/booking secretary Pat Overland.

I thank all my fellow trustees and committee members for their time and commitment throughout the year with a special mention to Heather, our Honorary Secretary.

Vic Davies
Chairman

Note. Our aims and objectives, plus the regulations governing the way we operate are laid out in our constitution available to be examined on the Charities Commission web site.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30/06/2025

Responsibilities and
basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Chairman' Report 2024

This has been a difficult year due to the enormous increase in energy costs which, unfortunately, we were obliged to pass on by increasing the hire charges for the hall. We are still monitoring the situation and may have to do adjustments to the hire charges in order that users pay the rate according to how much energy they use.

We are fortunate in that our new treasurer, who I shall introduce later, has managed to move us to a much cheaper supplier which should ease the situation.

Apart from the energy situation the hall is functioning well with just the CCTV system requiring attention. I am hopeful of receiving a grant from Boxley Parish Council that will go a long way towards the cost of the work. Our caretaker, Pat, who is also the booking secretary, continues to do a fantastic job and maintains the hall to a high standard of cleanliness and repair.

As mentioned, we have a new person, Cathy Mildenhall who has kindly volunteered to take on the role of Hon Treasurer after Anne relocated out of the area. Many thanks to Anne for her tremendous work and thank you and welcome Cathy.

I have, after thirty-two years, stepped down as a Boxley Parish Councillor and no longer represent them on this organisation. However, we are very lucky in that the Council has appointed Cllr Paul McLean to replace me, and I am certain he will be a great asset. Welcome Paul. I will continue as a Trustee if members are happy for me to.

Many thanks to Heather, our Hon Secretary for carrying out this vital role and to the Trustees and Management Committee members for their time and effort throughout the year.

Utility cost are higher driven primarily by increased YoY use (20% more in Gas and 10% more in Electricity)
From July 24 we changed suppliers which should see a saving of around £5000 - Gas down from 21 to 6 per unit, and Electric from 75 to 21 per unit

Income from Regular hire is slightly down, but up 35% for casual hire.

It may be worth looking at a remote thermostat (e.g, Hive) to determine where increased use is happening , but will also enable a further reduction in costs when the hall is empty.

Chairman' Report 2023

It is with sadness that I start this report with the news of the passing of our Hon Treasurer, James. In the short time James was in this position he brought our financial dealings up to date by setting up internet banking and producing detailed monthly reports. We have much to be grateful for.

However, we have been very fortunate because we already have a very capable person, Anne Newman, who has very kindly volunteered to take over the role. Welcome and thank you.

The kitchen is now fully refurbished and has received a lot of positive comments. We have had the main door replaced which is a huge improvement. The outside service boxes have also been replaced.

The most challenging thing this year has been the huge increase in energy costs. Unfortunately, we have had to raise the hire fees to cover this and continue to monitor the situation.

We had problems with the hot water system which could have been overcome by replacing the hot water cylinder or a far more expensive modification to the boiler. This was something that needed to be rectified immediately as there was no hot water to the taps and fortunately, an emergency request for a grant from Boxley Parish Council was applied for, and granted, and we have been able to have the more expensive, but better, option commissioned. Our sincere thanks to the members of Boxley Parish Council for, once again, helping us out.

Our caretaker, Pat, who is also the booking secretary, continues to do a sterling job and maintains the hall to a high standard of cleanliness and repair. This role is vital for keeping the hall in full use and making sure revenues keep coming in. Pat also obtains quotes and engages contractors to carry out repairs and services as and when required. We would be lost without her. Thank you, Pat.

Again, many thanks to Heather, our Hon Secretary for carrying out this vital role and to the Trustees and Management Committee members for their time and effort throughout the year.

Chairman' Report 2022

After the upheaval of the last couple of years the hall is back to business as usual. My thanks to our caretaker, Pat Overland, for ensuring the hall was kept save for the duration and managing the return of our hirers.

Pat was also very involved in obtaining quotes for and managing the installation of our new kitchen which looks fantastic.

David Day, our long serving Hon Treasurer, has decided that the time is right to hand over this highly important role to a new person, and I am sure we all wish to show our appreciation and give thanks to David for his commitment and work over the years.

Following on from that, I welcome our new Hon Treasurer, James Quinn, and thank him for kindly taking over this role. James has already made changes to the way we deal with our finances, most significantly by signing up for internet banking and by producing monthly reports.

We have returned to holding face to face meetings and I thank Trustees and committee members for their time and input in attending these meetings. It is a very important part of how we do business to keep the hall in a good state of repair and functioning. Another person who carries out a very important role is our Hon Secretary, Heather Cameron, many thanks to her.

I started by mentioning our caretaker, but Pat is also booking secretary, and this role is vital for keeping the hall in full use and making sure revenues keep coming in. Pat also obtains

Chairman's report 2021

Like most halls, Grove Green Hall has been closed since the start of the pandemic, except in our case, we have been able to accommodate the nursery group for four days a week since the end of the first lockdown.

Our financial resources have not been stretched because we have been receiving the full Government covid grants.

We have kept the hall covid safe with regular cleaning, implementing covid restrictions and rules and displaying the required covid signage.

The Trustees have now started to have face to face meetings but have mainly kept in touch by email. There have not been any major problems or repairs to do but we have had a complete legionella inspection carried out and completed the required works highlighted by the report.

We are now starting to welcome back some of our regular hirers and hopefully will be fully functional in the near future.

Notes:

This has been another year of strange challenges with little use of the hall except for Fledgelings in line with Government regulations.

Maintenance of the premises carried out with costs reflecting this. However, a lifeline has been forthcoming in the grants received from Maidstone Borough Council thanks to the Chairman who made many successful applications.

With this in mind and matters seeming to be on the up the hall still remains financially stable looking forward to the next 12 months
