

NEW LIFE CHURCH HAMPTON

Trustees Report

For the year ended 31st August 2022

Achievements and Performance

New Life Church Hampton continues to advance the Christian faith in Hampton, Middlesex, and we continue to work on partnering with different organisations to help strengthen and support the families around us.

Members with needs have been looked after (both spiritually and practically) and we are a registered distributor for the 'Foodbank'.

In accordance with the charity's objectives, church services are held on a Sunday, and include a time of prayer, worship, teaching, preaching and ministry. A prayer meeting is also held every Sunday for one hour before the start of the service. Additionally, a children's ministry also operates alongside the main meeting on a weekly basis, and a time for fellowship and refreshments is enjoyed by everyone at the end of each service.

Other events during the week have included: worship rehearsals, times of fellowship with individuals on a one-to-one basis, as well as pastoral home visits, leaders meetings, baptismal preparation classes and prayer and fellowship groups.

Family celebrations included a Water Baptismal Service, followed by a shared lunch for our congregation and guests, at the church; an Easter Service, followed by an Easter egg hunt in the church grounds for both adults and children; as well as our Christmas Carol Service, followed by a 3-course Christmas Lunch at the Salvation Army Conference Centre, nearby.

Many additional events were planned throughout the year on a monthly basis to help strengthen the relationships within the church and provide outreach opportunities, including: fellowship lunches in the local community (for the entire congregation); a picnic at Bushey Park; skating at Hampton Court Palace; a games night (including the children); ladies ministry meetings; men's ministry meetings (including breakfast) and trips to the 'Big Church Festival' in Sussex and the 'Wintershall Estate' in Guildford, to see the Passion Play.

Guest speakers were also invited throughout the year, and the congregation were mightily blessed.

Pastors Tim & Sandra also met with all of the other ministers on a bi-monthly basis and attend the 'Songs of Praise' event each January. (This is a 'Churches Together around Hampton' event, and all the church members from all the different denominations are invited to attend.)

We are seeing an increase in individuals offering to serve in the various ministries, and the additional support to set up and pack

away the church has enabled us to reduce our hire period at the school. All the volunteers in the children's ministry are DBS checked.

Pastor Tim's sermons are available to view on the website, and he is receiving positive feedback.

Updating our audio-visual media system and upgrading our speakers, has brought the church to the cutting edge of church technology, and is greatly enjoyed by all.

Many new students have joined the Bible College, but this will be covered in our next report.

In accordance with our mission statement, our heart is to demonstrate the love of God to our Family, Friends, Community, Nation and the Third World, through good works that reveals God's Love, Mercy & Justice.

Financial Review

The results for the year are shown on the Financial Statements, and show a healthy charity.

Whilst the accounts show a deficit of £9,384.00, if we add back the capital expenditure of £5024.00 (for purchasing our new audio-visual media system & speakers), the accompanying depreciation of

£1,256.00, together with the accrued gift aid of £1,842.00 (not yet claimed from 6/4/22 – 31/8/22), this leaves us with a deficit of £1,262.00.

However, it is worth noting that this deficit of £1,262.00 includes £3348.00 that was donated by the church, as we tithe a minimum of 10% of our gross income to other ministries and charities as part of our giving.

It is the policy of the charitable organisation that unrestricted funds (which have not been designated for a specific purpose) should be maintained at a level equivalent to between three to six months expenditure.

The trustees consider that reserves at this level will ensure that in the event of a significant drop in tithes and offerings, they will be able to continue the current activities whilst consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Risk Management

The trustees have a duty to identify and review the risks to which the charity is exposed, and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Reserves and Assets

The charity has no reserves that are not invested in fixed and current assets. The trustees regularly review the current level of reserves held by the charity, and are satisfied that they are appropriate to its current circumstances.

Structure, Governance and Management

New Life Church Hampton is a Charitable Incorporated Organisation, and is registered as a charity with the Charity Commission.

None of the trustees have any beneficial interest in the organisation, and all of the trustees are members of the organisation and guarantee to contribute £1 in the event of a winding up.

The Trustees report was approved by the Board of Trustees.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable incorporated organization and of the incoming resources and application of resources, including the income and expenditure, of the charitable incorporated organization for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act. They are also responsible for safeguarding the assets of the charitable incorporated organization and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT

Respective Responsibilities of Trustees and Examiner

The trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. I am qualified and experienced to undertake the examination as a qualified tax adviser. (ATT)

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act
- to follow the procedures laid down in the general directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and to state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with section 130 of the Charities Act
- the accounts do not accord with such records
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under the Charities Act
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts

NEW LIFE CHURCH HAMPTON

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2022

1. Accounting Policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

1.1. Basis of Accounting

The financial statements are prepared under the historical cost convention and in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities' (SORP 2015).

1.2 Basis of Preparation

The accounts have been prepared on a going concern basis.

1.3. Fund Accounting

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specific purpose and which the charity may use for its purpose at its discretion.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are for Honoraria and gifts to missions and are subject to restrictions on their expenditure imposed by the donor or through the terms of an appeal. No gift aid claimed will be added to any restricted fund unless agreed beforehand with the trustees.

1.4. Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when receivable. Donated assets are included at the value to the charity where this can be quantified and a third party is bearing the cost. The value of services provided by volunteers has not been included.

Any grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

1.5. Resources Expended

Expenditure is recognized on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Resources expended are recognized in the year in which they are incurred.
