THE DANDARA CHARITABLE PARTNERSHIP

STATEMENT OF CHARITY TRUSTEES' RESPONSIBILITIES IN RESPECT OF THE CHARITY TRUSTEES' REPORT AND THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

Under the Constitution of the Charity and Charity law, the Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations. The Trustees have elected to prepare the financial statements in accordance with Section 1A of FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

The financial statements are required by law to give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period.

In preparing these financial statements, generally accepted accounting practice entails that the Trustees:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- state whether the financial statements comply with the Constitution of the Charity, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are required to act in accordance with the Constitution of the Charity, within the framework of Charity law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the Charity at that time, and to enable the Trustees to ensure that, where any statements of accounts are prepared by them under the Charities Act 2011, those statements of accounts comply with the requirements of regulations under that provision. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

THE DANDARA CHARITABLE PARTNERSHIP

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE DANDARA CHARITABLE PARTNERSHIP FOR THE YEAR ENDED 30 JUNE 2025

Opinion

We have audited the financial statements of The Dandara Charitable Partnership ("the Charity") for the year ended 30 June 2025 which comprise the statement of financial position as at 30 June 2025, the statement of income and expenditure, and related notes, including the accounting policies in note 2.

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 30 June 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including Section 1A of FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We have been appointed as auditor under section 144 of the Charities Act 2011 (or its predecessors) and report in accordance with regulations made under section 154 of that Act.

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Charity in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The Trustees have prepared the financial statements on the going concern basis as they do not intend to liquidate the Charity or to cease its operations, and as they have concluded that the Charity's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the Trustees' conclusions, we considered the inherent risks to the Charity's business model and analysed how those risks might affect the Charity's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate; and
- we have not identified and concur with the Trustees' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Charity will continue in operation.

Fraud and breaches of laws and regulations – ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud (“fraud risks”) we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- enquiring of management as to the Charity’s policies and procedures to prevent and detect fraud as well as enquiring whether management have knowledge of any actual, suspected or alleged fraud;
- reading minutes of meetings of those charged with governance; and
- using analytical procedures to identify any unusual or unexpected relationships.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because the Charity’s revenue streams are simple in nature with respect to accounting policy choice, and are easily verifiable to external data sources or agreements with little or no requirement for estimation from management. We did not identify any additional fraud risks.

We performed procedures including

- Identifying journal entries and other adjustments to test based on risk criteria and comparing any identified entries to supporting documentation; and
- incorporating an element of unpredictability in our audit procedures.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations

We have identified areas of laws and regulations that could reasonably be expected to have material effect on the financial statements from our general sector experience and through discussion with management (as required by auditing standards), and discussed with management the policies and procedures regarding compliance with laws and regulations.

The charity is subject to laws and regulations that directly affect the financial statements including financial reporting legislation and taxation legislation, and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

The charity is subject to other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of litigation or impacts on the charity’s ability to operate. We identified Charities Act 2011 as being the area most likely to have such an effect. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of management and inspection of regulatory and legal correspondence, if any. Therefore if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

THE DANDARA CHARITABLE PARTNERSHIP

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE DANDARA CHARITABLE PARTNERSHIP *(continued)* FOR THE YEAR ENDED 30 JUNE 2025

In addition, as with any audit, there remains a higher risk of non-detection of fraud, as this may involve collusion, forgery, international omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Other information

The Trustees are responsible for the other information, which comprises Trustees' Annual Report. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. We are required to report to you if:

- based solely on that work, we have identified material misstatements in the other information; or
- in our opinion, the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements.

We have nothing to report in these respects.

Matters on which we are required to report by exception

Under the Charities Act 2011 we are required to report to you if, in our opinion:

- the Charity has not kept proper accounting records; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations, which to the best of our knowledge and belief are necessary for the purpose of our audit.

We have nothing to report in these respects.

Trustees' responsibilities

As explained more fully in their statement set out on page 3, the Trustees are responsible for: the preparation of financial statements which give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Charity's Trustees as a body, in accordance with section 144 of the Charities Act 2011 (or its predecessors) and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the Charity's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and its Trustees, as a body, for our audit work, for this report, or for the opinions we have formed.
