Objectives and activities

Overall objectives

Together Norfolk shares the aims and objectives of the Church Urban Fund's (CUF) Together Network which are to:

- grow the number of church-based social activities within the diocese, helping churches to tackle poverty and build strong flourishing communities
- develop people's capacity to take effective action to tackle poverty
- build partnerships and collaborative working between churches and with other organisations to increase joined-up working and innovation

There are two Development Workers for Norfolk Together, one in Great Yarmouth and the other in King's Lynn.

The Norwich Diocesan Board of Finance Ltd is a company limited by guarantee, registration number 88175, charity registration number 249318. Registered address: Diocesan House, 109 Dereham Road, Easton, Norwich, NR9 5ES. The Norwich Diocesan Board of Finance Ltd promotes, facilitates and assists with the work and purpose of the Church of England for the advancement of the Christian faith in the Diocese of Norwich and elsewhere, providing resources for Ministry and Mission.

The Church Urban Fund (CUF) is a company limited by guarantee, registration number 2138994, charity registration number 297483. Registered address: Church House, Great Smith Street, London, SW1P 3AZ. CUF was established by the Church of England as a practical response to unmet need and has been active in local communities for over 30 years through the Church of England's local parish networks, and alongside other faith-based and secular organisations, to bring about positive change in neighbourhoods.

Funding arrangements

Norfolk Together was originally formed in July 2016 as part of the Together Network as a partnership between the Diocese of Norwich and the CUF whereby funding was split on a 50/50 basis.

In 2020 CUF advised that they could no longer commit to any further unrestricted grant payments for Together Norfolk due to financial cutbacks. It was however agreed that where funds remitted from CUF were previously more than what was required to cover their annual 50% of the Together Norfolk costs, then the surplus funds could continue to be used until fully exhausted. This agreement is on the condition that Together Norfolk continue to spend funds in accordance with its original aims and objectives and that the Diocese continues to meet its funding responsibilities to contribute 50% by way of either seeking additional external grant funding or self-financing.

Objectives and activities *(continued)*

Crisis Management

Church Urban Fund and the Diocese of Norwich commit to open and timely communication with each other about any issues arising from Together Norfolk that are a cause for concern, and to working together to find solutions.

As grant-makers, CUF and the Diocese have a responsibility to ensure that all their grants are being used for the purpose for which they are given. As such, the following will be considered events which trigger default of the grant:

- If at any time, Together Norfolk is unable to pay its debts when they fall due
- Together Norfolk starts negotiations with any of its creditors with a view to rescheduling debts.
- Together Norfolk ceases to operate.
- Together Norfolk is in material breach of this agreement.
- Together Norfolk uses the grant monies for any purpose other than for the purposes set out in this agreement.
- Any of Together Norfolk staff commit or attempt any fraud or have any undeclared and unattended conflict of interest in relation to the agreed programme.

CUF and the Diocese reserve the right to terminate the partnership and require repayment of the balance of any unspent grant money following the repayment of any statutory grant monies. In the event of winding up the charity, the transfer of any net assets of Together Norfolk shall be dealt with according to section 39 of the Articles of Association.

The board of Together Norfolk is entitled to the partnership agreement by giving CUF not less than three months' written notice and repaying any unspent grant monies in full. A decision to terminate the agreement would also be a decision to withdraw from the Together Network, and so any future work of the charity would need to continue under a different name and branding.

Public Benefit

The public benefit of Together Norfolk is as described above in objectives and activities. The trustees confirm that, in exercising their powers and duties, they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission.

Achievements and performance

Each development worker for Norfolk Together must submit quarterly returns to both the Diocese and the Church Urban Fund detailing the activities undertaken and the impact on achieving overall objectives.
