Chairperson's Report

Structure: - Charitable Incorporated Organisation.

Objectives: - As far as possible and practicable to support, advise and help fund families and carers of children and young adults who have been diagnosed with spinal cord and brain tumours in the UK. To create and launch a website to support the charity objectives and to make it easier for us to support and help families.

Management is via quarterly trustee meetings, via the charity website and an enquiry page to provide public support. Trustees have been recruited through the co-founders and through nomination process and review by the trustee meetings, ensuring they meet the full requirements for role and complete trustee declarations.

Ninth year of my son's charity which has resulted in zero fundraising activities due to personal issues and commitments of trustees.

We have continued to support where we can however this year has been a year of expenditure and we are in the process of closing the charity and have cancelled our just giving page from the 18/06/2024 to reduce expenditure. We will be seeking the support of the charity commission in the closure of the charity in 2026.

Treasurer's Report

Profit and Loss account and balance sheet attached, this has been approved by Chairperson, includes all costs and current liabilities. Just giving monthly fees have now ceased leaving just the bank fees as our only liability. We received a little income this financial year.

Turnover is held by HSBC in a charity account and requires 4 trustees and 2 signatures to agree payment of donations up to the value of £500.

Any larger donations are agreed at quarterly trustee meetings and require full supporting documentation from the beneficiary and full agreement of the committee.

We do not have any debt or custodian reserves. We have a retained balance of £4293.19.

Activities

Fifth year of fundraising for my son's charity has been an extremely quiet year due to the ongoing COVID 19 pandemic which has continued to disrupt activities.

As a result of this the majority of our fundraising this year has been through donations.

We have continued to support families however Covid19 has put significant pressure on fundraising activities therefore we are committed in the months ahead as lockdown is eased, to increasing both this and our grants to families who need our support in these unprecedented times.
