**CHRISTIAN SCIENCE SOCIETY PORTSMOUTH & CHICHESTER**

**ANNUAL TRUSTEES REPORT FOR 2024 FINANCIAL YEAR**

*19<sup>th</sup> October 2025*

1. Owing to work commitments (and the schedule of building work taking place) Gerry has been providing a steadily reducing level of support with the gardening and maintenance over the last year. As he has to fit everything around his job and has difficulty scheduling his time around our needs we do now have other options open to us where necessary.
2. Quentin fulfilled the role of Librarian for 3 days per week in Portsmouth & 1 day per week in Chichester throughout 2024. As Cora has been covering Tuesdays since late June, Quentin currently covers Wednesdays and Thursdays in Portsmouth & Chichester on Fridays (all days between 11 am and 3 pm). The Westminster Fund covers payment for his hours in Portsmouth but not his travel expenses (and the rate that he receives makes allowance for his travel costs).
3. Portsmouth continues to provide in-person services on the 1<sup>st</sup> & 3<sup>rd</sup> Sundays of the month; Chichester provides an in-person service on the 2<sup>nd</sup> Sunday of the month. Wednesday Testimony meetings run by Portsmouth & Chichester CCS take place via zoom on the 2<sup>nd</sup> & 4<sup>th</sup> Wednesdays of the month at 7 pm. On all other Sundays and Wednesdays members & attendees can access in-person or zoom meetings via the internet.
4. The merger between the two Societies is now virtually complete – though there are still one or issues to finalise with the accounts – and we do now need to have additional signatories to the Lloyds Bank account.
5. Our primary objective throughout much of the 2024 calendar year was to upgrade and re-purpose the former Sunday School for Church Services. As you are all aware, this was a significant piece of work to join the Reading Room to the back of the Sunday School with the inclusion of a kitchen, accessible toilet and separate office area. The work took around 6 months to complete and everyone has been overwhelmingly happy with the outcome.
6. The success with the building has now led us to go on to complete phase 2 with the upgrade to the Reading Room, and I hope you will agree that this is now very much improved (though not complete yet and currently being re-furnished).
7. Financially, as you will see from the accounts, we ended the year with over £1 million in the bank once the value of the properties is removed; as at 26<sup>th</sup> September our total liquid assets stood at £1,056,225.60 - and so we continue to be financially sound.
8. We are very grateful to Angie Bishop (who has taken over from Anthea Butler) for overseeing our financial transition with the merger of the two Societies, together with the setting up of investment accounts and preparation of final year accounts. Once our accounts have been agreed, our Annual Return must be completed by month end.
9. Linda Alanko continues to fulfil the role of COP for the South East Region and we are grateful to her for visiting us last week.
10. I'd like to offer special thanks to Cora for her hard work and commitment to progressing the Reading Room; it is making a tremendous difference and wouldn't have happened without her determination. I also think that we owe a special debt of gratitude to Rodney for everything he does at Chichester & Tricia for maintaining the Wednesday meetings.
11. Finally, a thank you to everyone for their valuable contribution in all areas

**The Trustees Report for the year ended 31 December 2024**

The Trustees present their report and accounts for the year ended 31 December 2024. The Trustees for this Society are known in the by-laws under the Church's Constitution as "The Board".

**Status**

Christian Science Society, Portsmouth and Chichester (formerly Christian Science Society, Portsmouth) is a registered Charity (number 1166463). The name was changed as at 31 January 2024 in terms of the merger with Christian Science Society, Chichester, a registered Charity (number 1029527)

**Constitution and Objectives**

Christian Science Society, Portsmouth and Chichester is a branch of The Mother Church, The First Church of Christ, Scientist, Boston, Massachusetts. It has a written constitution and is wholly autonomous.

Its object is to maintain and spread the truth given in the Bible and "Science and Health with Key to the Scriptures" by Mary Baker Eddy, Discoverer and Founder of Christian Science and Leader of the Christian Science movement.

**Policies, Activities, Achievements and Developments**

The Society currently holds two in-person church services on the first and third Sunday of the month at Portsmouth and one in-person service on the second Sunday of the month at Chichester.

The Society hosts twice monthly Wednesday Testimony meetings online on the second and fourth Wednesdays of the month.

There are Reading Rooms located at both the Portsmouth and Chichester sites; the Portsmouth Reading Room is open 3 days per week (Tue - Thu) and Chichester is open 1 day per week on a Friday. They are both open for 4 hours per day from 11am to 3pm.

As at 31 January 2024 the Trustees of Christian Science Society, Chichester signed a vesting declaration to vest their property and all cash and investment assets, in the Christian Science Society, Portsmouth and Chichester (formerly Christian Science Society, Portsmouth, charity registration number: 1166463).

The Trustees intention was to merge together both Societies and all unrestricted property (within the meaning of section 306(2) of the Charities Act 2011). The property was transferred as at 31 January 2024 and cash and investment assets will be transferred during the next financial year.

The name of the society (formerly Christian Science Society, Portsmouth) was changed to the Christian Science Society, Portsmouth and Chichester at the same time that the vesting document was signed and the property was vested, to reflect the merger together of the two societies.

**Christian Science Society, Portsmouth and Chichester  
Accounts for the year to 31 December 2024**

**Review of Financial Activities**

The main financial cost incurred this year was for a major renovation of the building in Portsmouth and amounted in total to £112,012. Approximately 40% of this cost was previously received from Eastbourne Society as a donation for that purpose.

The renovation was deemed necessary by the Trustees to improve the facilities, general appearance and safety of the building. A program of works contract was agreed with a local contractor in the area as well as a local electrician. The building work took approximately 6 months to complete.

The main income this year has been from rentals, funding from a Westminster Grant Fund towards the Reading Room upkeep and Building Society investments. Costs have mainly been incurred for the running of the Reading Room, volunteers' reimbursements and maintenance of the property and grounds.

**Statement of the Board's Responsibilities**

The Board are required under the constitution of the charity to prepare financial statements for each financial year of the charity and of its results for that period.

The Board are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the church. They are responsible for safeguarding the assets of the church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Accounting Policies**

The accounting policies are detailed in the notes to the accounts.

**Trustees known as The Board**

Those who have served or are currently serving as members of the Board are shown in the Charity Information page.

**Independent Examiner's Report on the Accounts**

Report to the trustees of Christian Science Society, Portsmouth and Chichester on the accounts for the year ended 31 December 2024 set out on pages 7 - 11.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Accounts for the year to 31 December 2024**

**Notes to the Accounts**

**1 Accounting Policies**

The principal accounting policies adopted in the preparation of the financial statements are as follows:

**Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Society meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

**Preparation of the accounts on a going concern basis**

It is assumed that the charity as a going concern/ it has sufficient available resources (financial, volunteers and support) to continue the operations that it carries out at present and those that are planned for the foreseeable future.

**Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received, and the amount can be measured reliably and is not deferred.

**Donated services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably.

In accordance with the Charities SORP (FRS 102), the general volunteer time of the staff and trustees is not recognised. On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

**Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

**Fund accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. At present, all the funds of the charity are included in this category.

## **Christian Science Society, Portsmouth and Chichester Accounts for the year to 31 December 2024**

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work.

### **Expenditure and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

The charity is not registered for VAT and irrecoverable VAT on expenditure is charged as a cost against the activity for which that expenditure was incurred.

No trustees received any remuneration or salary in the year, nor were any expenses paid by the charity to members of the Board in respect of their duties as trustees of the charity.

### **Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back-office costs and governance costs which support the Society's activities.

### **Tangible fixed assets**

The property has not been depreciated.

At the year end, the Society owned two properties situated in Portsmouth and Chichester:

- 178 London Road, North End, Portsmouth, PO2 9DP valued at £983,751
- 1 Whyke Lane, Chichester valued at £1,600,000

The Chichester property is included at a valuation as agreed by the Trustees of the Christian Science Society, Chichester on 10 February 2022, based upon an offer they received to purchase the building. As at 31 January 2024 the Trustees of the Christian Science Society, Chichester signed a vesting declaration to vest the property and all cash & investment assets, in the Christian Science Society, Portsmouth and Chichester.

The Trustees intention was to merge together both Societies and all unrestricted property (within the meaning of section 306(2) of the Charities Act 2011). The property has been transferred as at 31 January 2024 and the remaining cash & investment assets will be transferred thereafter in the next financial year ending 31 December 2025.

### **Investments**

Investments are included at year end market value.

### **Debtors**

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

### **Cash at bank and in hand**

Cash at bank and cash in hand includes all bank accounts and cash on hand.

**Christian Science Society, Portsmouth and Chichester**  
**Accounts for the year to 31 December 2024**

**Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value.

**2 Legal Status of the Charity**

The charity is an independent charity, registered at the Charity Commission under Charity Number 1166463.

**Notes to the Accounts**

**1 Accounting Policies**

The principal accounting policies adopted in the preparation of the financial statements are as follows:

**Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Society meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

**Preparation of the accounts on a going concern basis**

It is assumed that the charity as a going concern/ it has sufficient available resources (financial, volunteers and support) to continue the operations that it carries out at present and those that are planned for the foreseeable future.

**Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received, and the amount can be measured reliably and is not deferred.

**Donated services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably.

In accordance with the Charities SORP (FRS 102), the general volunteer time of the staff and trustees is not recognised. On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

**Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

**Fund accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. At present, all the funds of the charity are included in this category.

## **Christian Science Society, Portsmouth and Chichester Accounts for the year to 31 December 2024**

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work.

### **Expenditure and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

The charity is not registered for VAT and irrecoverable VAT on expenditure is charged as a cost against the activity for which that expenditure was incurred.

No trustees received any remuneration or salary in the year, nor were any expenses paid by the charity to members of the Board in respect of their duties as trustees of the charity.

### **Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back-office costs and governance costs which support the Society's activities.

### **Tangible fixed assets**

The property has not been depreciated.

At the year end, the Society owned two properties situated in Portsmouth and Chichester:

- 178 London Road, North End, Portsmouth, PO2 9DP valued at £983,751
- 1 Whyke Lane, Chichester valued at £1,600,000

The Chichester property is included at a valuation as agreed by the Trustees of the Christian Science Society, Chichester on 10 February 2022, based upon an offer they received to purchase the building. As at 31 January 2024 the Trustees of the Christian Science Society, Chichester signed a vesting declaration to vest the property and all cash & investment assets, in the Christian Science Society, Portsmouth and Chichester.

The Trustees intention was to merge together both Societies and all unrestricted property (within the meaning of section 306(2) of the Charities Act 2011). The property has been transferred as at 31 January 2024 and the remaining cash & investment assets will be transferred thereafter in the next financial year ending 31 December 2025.

### **Investments**

Investments are included at year end market value.

### **Debtors**

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

### **Cash at bank and in hand**

Cash at bank and cash in hand includes all bank accounts and cash on hand.

**Christian Science Society, Portsmouth and Chichester  
Accounts for the year to 31 December 2024**

**Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value.

**2 Legal Status of the Charity**

The charity is an independent charity, registered at the Charity Commission under Charity Number 1166463.

**INDEPENDENT EXAMINERS REPORT**

**To the Member of the Christian Science Society, Portsmouth**

I report on the Accounts of the Charity for the year ended 31 December 2023

The Church Board (Trustees) consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

examine the accounts under section 145 of the 2011 Act

to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act

to state whether particular matters have come to my attention

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

In the course of my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that in any material respect the requirements:  
to keep accounting records in accordance with section 130 of the 2011 Act and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts reached.

## CHRISTIAN SCIENCE SOCIETY PORTSMOUTH

### ANNUAL TRUSTEES REPORT FOR 2023 (FINANCIAL YEAR)

*21<sup>st</sup> July 2024*

The following is a brief summary of the Society's activities during the 2023 calendar year:

1. Gerry continues to take lead responsibility for the gardening, cleaning and buildings maintenance. During 2023 work was undertaken to completely replace the floor in the main hall of the building used by Abstract Dance Academy. Work was also completed in the room that they use as an office (formerly our Clerk's Office).
2. Quentin has fulfilled the role of Librarian for 3 days per week following a successful grant application to the Westminster Fund in December of 2022. He now comes in on Tuesdays, Wednesdays and Thursdays between 11 am and 3 pm.
3. We have agreed a further 5-year licence agreement with Abstract Dance Academy – starting from 1<sup>st</sup> February 2024 and running until 31<sup>st</sup> January 2029; they were delighted with the outcome, continue to be excellent tenants and everything is going very well with them.
4. CSS Portsmouth continues to provide in-person services on the 1<sup>st</sup> & 3<sup>rd</sup> Sundays of the month, whilst CSS Chichester provides an in-person service on the 2<sup>nd</sup> Sunday of the month. Wednesday Testimony meetings run by Portsmouth & Chichester CCS take place via zoom on the 2<sup>nd</sup> & 4<sup>th</sup> Wednesdays of the month at 7 pm. On all other Sundays and Wednesdays members & attendees can access in-person or zoom meetings via the internet.
5. CCS Portsmouth & CCS Chichester formally joined to become Portsmouth & Chichester CCS from 1<sup>st</sup> January 2024.
6. Following a satisfactory quote from Tony Boxall (who completed the development work of the Reading Room over 10 years ago), plans were finally agreed for the further development of the Reading Room and rear section of the former Sunday School; as all will be aware, the building work has now been ongoing since late April and everyone is happy with the progress to date.
7. Financially, as you will see from the accounts, we ended the year with £211,561 and so continue to be in a financially sound position. Following the freezing of the Nationwide Building Society savings account (in Sept 2022), a new account was opened with Skipton Building Society in June 2023. Interest payments are only received annually, so the accounts show no change to the investments during 2023. However, in June of this year we did receive £3,939.45 in interest (an approximately 3.6% increase for the year).
8. We are grateful to all members for their ongoing commitment in various capacities and are delighted to have the regular presence of former CSS Chichester members.
9. Linda Alanko continues to fulfil the role of COP for the South East Region and we are grateful to Cora for the support that she has been able to give in the capacity of Assistant Committee on Publications since Linda's visit.
10. Going forwards, a key priority will be for us to determine how we jointly provide accounts for the merged Portsmouth & Chichester CCS to the Charity Commission.
11. Finally, a thank you to everyone for their valuable contribution at a time when we look forward to the completion of the building work programme and joint work as a merged Society.

**INDEPENDENT EXAMINERS REPORT**

**To the Member of the Christian Science Society, Portsmouth**

I report on the Accounts of the Charity for the year ended 31 December 2022

The Church Board (Trustees) consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

examine the accounts under section 145 of the 2011 Act

to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act

to state whether particular matters have come to my attention

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

In the course of my examination, no matter has come to my attention:

1 which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with section 130 of the 2011 Act and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts reached.

**INDEPENDENT EXAMINERS REPORT**

**To the Member of the Christian Science Society, Portsmouth**

I report on the Accounts of the Charity for the year ended 31 December 2022

The Church Board (Trustees) consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

examine the accounts under section 145 of the 2011 Act

to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act

to state whether particular matters have come to my attention

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

In the course of my examination, no matter has come to my attention:

1 which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with section 130 of the 2011 Act and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts reached.
