COVID19 IMPACT

As with many organisations, we have been following Government Guidance since March 16th 2020 to minimise the risk to the public, our staff, volunteers and members. The impact on revenue is significant due to the risks and social distancing rules. Revenue from collection boxes will be hit particularly hard since the public have not had opportunity to visit retail shops the boxes exist.

RISK MANAGEMENT

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the project , and are satisfied that systems are in place to mitigate our exposure to major risks.

RESERVES POLICY

The Reserve Fund represents unrestricted funds. The Trustees aim to maintain sufficient reserves so as to give flexibility to cover temporary timing differences for donations received, adequate working capital for core costs and which will allow them to respond quickly to the needs of the Trust.
