TRUSTEES' REPORT
For the Year Ended 31 March 2025

The trustees' present their report along with the unaudited financial statements and supporting notes, of the charity for the year ended 31st March 2025.

CHARITY NAMES

Although the charity's legal name is Help in the Community the charity operates under the name Medway Foodbank.

TRUSTEES

The trustee(s) shown below have held office during the whole period under review :

Mrs Linda Fiddymment (chairperson)
Miss Alison West
Mrs Susan Franks
Mr James McGlashan
Mr Peter Tottman (appointed 27 March 2025)

STRUCTURE, GOVERNANCE AND MANAGEMENT

Type of governing document (eg trust deed, constitution)	<u>Constitution</u>
How the charity is constituted (eg trust, association, company)	<u>Charitable incorporated organisation</u>
Trustee selection methods (eg appointed by, elected by)	<u>Elected by the current Board</u>

Additional governance issues

Help in the Community was constituted in April 2016 as a Charitable Incorporated Organisation. The Trustees are held responsible for the organisation's finances, as well as setting the strategy and monitoring the performance against that strategy. Medway Foodbank is a Christian Organisation together with Trussell. Before anybody can become a Trustee, they must first be able to demonstrate in writing, the skills that the organisation has identified that it needs. A meeting of trustees and a prospective trustee is held and if agreement is reached on suitability the person will then be asked to join the Board. The Trustees are all volunteers. Medway Foodbank has two permanent, full time paid employees, one full time employee on a two year contract and six permanent part-time paid employees: Most staff are based at our unit on Medway City Estate with some working remotely. The food is normally distributed to those in need through the local foodbank centres; all these are operated by volunteers. There are now a total of 9 foodbank centres with the Harvest Centre in Strood having opened on 7th March 2024.

TRUSTEES' REPORT
For the Year Ended 31 March 2025

OBJECTIVES AND ACTIVITIES

Summary of the objects of the charity set out in it's governing document

The principal object of Help in the Community is: 'The relief and prevention of poverty, for the public benefit, in Medway and North Kent through: the provision of free emergency food; and partnership with other organisations working to prevent or relieve poverty.' Help in the Community is the overarching body for Medway Foodbank, which provides emergency food for those who are in need. We are part of the Trussell network and use their recognised system for distributing food.

Summary of the main activities undertaken for the public benefit in relation to these objects

Medway Foodbank works with a number of agencies around the Medway Towns who assess those who require food, and provides them with an e-voucher, which can be redeemed at one of nine foodbank centres, situated in churches in Strood, Rochester, Chatham, and Gillingham, as well as foodbank centres in The Net community Cafe in Walderslade, All Saints Community Project Trust in Chatham and MidKent College, Gillingham.

Additional details of objectives and activities

The constitution sets out the rules that trustees of the organisation are expected to follow. A copy of this is given to each incoming member, with an explanation as to what is expected. Help in the Community is dependent upon volunteers, especially within the warehouse and the food distribution centres. The Board and paid staff are highly appreciative of the hard work undertaken by the teams of dedicated volunteers, who give of their time voluntarily each week.

TRUSTEES' REPORT
For the Year Ended 31 March 2025

ACHIEVEMENTS AND PERFORMANCE

Summary of the main achievements of the charity during the year

In the year 2024-2025, Medway Foodbank provided 3 days of emergency food to 12,512 people in crisis, with nearly half of those in need being children. We have seen a decrease in numbers of 17% year on year, in the numbers we are supporting. This is still a marked increase compared with pre-Covid levels, with a 52% increase in the last 5 years. Clients of Medway Foodbank receive personal support and are signposted to organisations that can help them further to resolve their immediate issues and to increase resilience for the future. Positive stories from clients indicate this has helped them. We have continued our partnership with Citizen's Advice Medway to provide accessible advice for clients at our Foodbank Centres through jointly appointed Foodbank Advisers financed through a grant from Trussell.

Over this financial year, Medway Foodbank has received over 93,128kg of food donations and has distributed over 86,994kg to the needy. Over the last financial year that represents a 2.8% increase in food donations compared with the previous year. During 2024-25 the foodbank had to purchase 12,015kg of food stock to meet the demand. Funding has been received for these purchases from our various supporters and the Trustee Board consider this matter regularly at their meetings.

Over the last financial year, Medway Foodbank has received over 90560kg of food donations and has distributed over 100,197kg to the needy. Over the last financial year that represents a 1.0% decrease on the last financial year in food being donated. During 2023-24 the foodbank had to purchase 9637kg of food stock to meet the demand. Funding has been received for these purchases from our various supporters and the Trustee Board consider these matters regularly at their meetings.

FINANCIAL REVIEW

Brief statement of the charity's policy on reserves

It is the aim of the trustee board to ensure the charity's reserves to the point where it has three months expenses in reserve. This has been maintained and we are now looking to ensure the best use of our finances to secure our ability to meet the current needs particularly ensuring the continued stock of sufficient food to meet needs.

Details of any funds materially in deficit

There are no funds materially in deficit.

Further financial review details

The organisation's constitution states that 'The income and property of the CIO must be applied solely towards the promotion of the objects.' We are very grateful for all our donations from individuals, local businesses, charities and organisations.

TRUSTEES' REPORT
For the Year Ended 31 March 2025

OTHER OPTIONAL INFORMATION

Summary of other information the trustees' feel is relevant

It has been sad to see continued high foodbank usage over the last year. Medway Foodbank has continued to work with other charities and agencies to support those in need to help resolve their crisis. We have worked in partnership with Medway Citizens Advice Bureau to provide support to clients through their advisors and therefore maximise income whenever possible.

We can only achieve our work to help those in crisis with the help of our volunteers and the enormous support of local people, local businesses, charities and funders who provide us with the food and resources to continue our Mission. The charity is currently dealing with 52% increase in foodbank usage compared with five years ago.

TRUSTEES RESPONSIBILITY STATEMENT

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DECLARATION

This report was reviewed and approved by the Board of Trustees on 06/11/2025

And Signed On Behalf Of The Board By :

Linda Fiddymment

Linda Fiddymment (Nov 6, 2025 09:05:30 GMT)

Mrs Linda Fiddymment

Trustee of Help in the Community t/a Medway Foodbank

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

For the Year Ended 31 March 2025

I report to the trustees on my examination of the accounts of Help in the Community T/A Medway Foodbank for the year ended 31 March 2025.

Responsibilities and Basis of the Report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiners Statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2019.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

Mrs Linda Fiddymment
Trustee of Help in the Community t/a Medway Foodbank

The notes form part of these financial statements

CHARITY REGISTRATION NUMBER : 1166505

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2025

1 GENERAL INFORMATION

Help In The Community T/A Medway Foodbank is a charitable incorporated organisation, registered in England. The charity number is 1166505 and the charity's registered address is Unit 26, Riverside 1, Sir Thomas Longley Road, Strood, Kent, ME2 4DP. The charity's principal activities are the provision of three day emergency food parcels to those people in the Medway Towns suffering hardship and food poverty.

2 BASIS OF PREPARATION

2.1 Basis of Accounting

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Help In The Community T/A Medway Foodbank meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going Concern

There are no material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2025

3 ACCOUNTING POLICIES - INCOME

Recognition of Income

Income is included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and Donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Legacies

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Tax Reclaims on Donations and Gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Contractual Income and Performance Related Grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2025

3 ACCOUNTING POLICIES - INCOME (Continued)

Donated Goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. This valuation is determined by The Trussell Trust.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Donated Services and Facilities

Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Volunteer Help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2025

3.1 ACCOUNTING POLICIES - EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Redundancy Costs

The charity made no redundancy payments during the reporting period, or in the prior period.

Deferred Income

No material item of deferred income has been included in the accounts.

Creditors

The charity has creditors which are measured at settlement amounts less any trade discounts.

Provisions for Liabilities

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2025

3.2 ACCOUNTING POLICIES - ASSETS

Tangible fixed assets for use by charity

These are valued at cost less depreciation. The depreciation rates and methods used detailed in note 9.2

Stocks and work in progress

Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock. The valuation of stock held at the year end per kg is determined by The Trussell Trust.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Current Asset Investments

They are valued at fair value except where they qualify as basic financial instruments.

NOTES TO THE FINANCIAL STATEMENTS

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 March 2025

5 DONATED GOODS, FACILITIES AND SERVICES

	2025 £	2024 £
Donated stock	63,581	39,816
Use of property	-	-
Other	-	-
Total	63,581	39,816

Please provide details of the accounting policy for the recognition and valuation of donated goods, facilities and services.

Goods are donated to Help in the Community from members of the public. The goods are donated to distribute to people facing food poverty. The Trussell Trust are the overseeing charity authority that sets the stock valuation level. For the year ended 31 March 2025 stock has been valued at £2.77 / kg, and for the year ended 31 March 2024 the stock has been valued at £2.37 / kg, in accordance with The Trussell Trust guidance (copy available upon request).

Please provide details of any unfulfilled conditions and other contingencies attaching to resources from donated goods and services not recognised in income.

None

Please give details of other forms of other donated goods and services not recognised in the accounts, eg contribution of unpaid volunteers.

The charity benefits from contributions of unpaid volunteers to perform tasks such as bookkeeping, accounts production, social media marketing, health and safety consulting, administration, stock movement, stock distribution and centre management. Since these services are provided at no cost to the charity, no financial liability has been entered into these financial statements to represent them. However, absence of these volunteered services would result in costs to the charity in the future.

14 FAIR VALUE OF ASSETS AND LIABILITIES

Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.

The charity has minimal debtor relationships, so the exposure risk is low.

Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS 102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.

Not applicable.
