TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their report and financial statements for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

Objectives and aims

The objectives of SHARE are to provide basic aid, support and advice to:

- 1) Refugees who are in need, both locally and abroad.
- 2) People who are homeless across Cheshire and Flintshire (as defined by The Homeless Reduction Act 2017)

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Significant activities

Locally SHARE support homeless families and individuals, by providing basic aid, including warm clothing, bedding, household items, toiletries, sanitary products and food. This is predominantly delivered from the 'Share Shop' which acts as a drop-in centre, and also focuses on signposting, providing advice, support and basic care. The Share Warehouse also provides basic everyday items of life for individuals who finally find accommodation but have no resources to furnish and equip their new homes. SHARE also have an outreach service that provides this humanitarian aid from the 'SHARE Van' at night, to people sleeping on the streets of Chester, and signposts them to local services that can provide emergency accommodation. SHARE have fostered strong partnerships with local statutory and voluntary organisations and have established a collaborative group, to provide an integrated multi agency approach to empowering local homeless people to move their lives forward. In doing so, SHARE have successfully assisted many individuals to find accommodation and obtain help from mental health, substance abuse, housing, medical, debt, housing and benefits services. Share have been instrumental in developing local advocacy, diverted giving and Severe Weather Emergency Provision (SWEP) working groups. These groups continue to evolve, and Share play a vital role in developing these activities. The demands on Share services to the homeless population has increased significantly in the last year, as is reflected nationally, and consequently the current premises for delivering these services are wholly inadequate. It is the intention of the Share Board to find more appropriate accommodation for its services, which will also allow Share to expand its service, increase its provision meaningful daytime activities, and expand its collaborations to improve access to support services. The biggest identifiable risk to The Charity is the lack of stable accommodation for its services and this is therefore currently being evaluated and explored by The Board.

Since its creation SHARE have supported refugees by sending much needed humanitarian aid to refugee camps across Greece, France, Syria and Africa. This includes medical aid, clothing, tents, food, baby equipment, sewing machines, tools etc. This is achieved in part by partnering with other local charities to send aid in containers across Europe, which has successfully reduced the financial burden of transporting aid, and by timely responses to appeals to address specific urgent needs. SHARE continues to establish strong links with grass-root NGO's in these areas across Europe, to ensure that aid is targeted effectively, is timely, and is appropriate to meet the needs of the local refugee population. This has also ensured a reduction in resulting waste products. SHARE also continues to support and fund volunteers to travel and assist in these areas, to cement its relationships with the organisations that are delivering this aid at source and ensure that The Share Board can have confidence in the legitimate and effective distribution of its aid. Share has effectively supported empowering refugee projects, like sewing co-operatives, dignity centres and art projects. These ensure the mental wellbeing and longevity of the lives of refugees trapped within refugee camps.

Social Referral

SHARE accept referrals from local agencies and charities (Local councils, The Red Cross, Social Services, Housing Associations etc) of families and individuals who are in desperate need. These individuals are then brought to the SHARE Chester and Mold facilities by their referrer to be provide with all the basics of life - clothes, toys, toiletries, baby equipment and an extensive range of household items.

Impact measurement and performance indicators

While Share go some way to assessing its considerable social impact, with the gathering of accounts from service users and utilising the voices to shape and measure the success of its services, The Board have identified the need to improve its social accounting and identify ways to effectively and objectively measure the social impact of Share. This is a key target for The Trustees in the coming year.

Public Benefit

Share Trustees can confirm that they have complied with the duty in section 17 of The Charities Act, 2011, to have due regard to public benefit guidance published by The Commission. Significant activities that were undertaken by SHARE during the year that demonstrate public benefit are set out below:

Reduction of Social Isolation

The facilities at SHARE offer a fully inclusive environment, which offers a harbour to many individuals, volunteers and service users who would otherwise be socially isolated. This has been demonstrated across the local and international aid division of the charity.

Public Awareness and Education

SHARE have a very active role in increasing public awareness of the refugee crisis and the plight of the homeless population using educational opportunities, media articles, lobbying local councillors and MP's, public speaking, literature and Share's significant social media presence. This has been highly successful in the last year and Share's extensive lobbying activities have resulted in questions being asked on behalf of Share, at both local government level and in The House of Commons, regarding the rights of refugees and the winter provision for people who are homeless.

Volunteers

Split between its two locations across Mold and Chester, SHARE have approximately 120 regular volunteers, as well as support and assistance from many external groups (schools, private company volunteer schemes, and public-sector organisations). SHARE had over 2500 hours of volunteering within the period considered. SHARE has an open, supported and inclusive culture and welcomes volunteers of any age, ability, gender, or religious orientation. SHARE also provide volunteering placements for The Duke of Edinburgh Award Scheme, School Enrichment Programmes, supported work placements, and The Scouting Association. Volunteers are trained and supported to provide an enriched volunteering experience. The Trustees have identified the importance of evaluating and developing the 'volunteer journey' throughout the organisation to ensure the ongoing comfort, safety and development of its volunteers. This is another key target for The Board over the coming year.

Achievements and performance

Charitable activities

Many people, young and old, use their experiences at SHARE, and the consequent personal development, to move into paid employment. SHARE continue to establish, support and contribute to a wide variety of community forums concerned with social inclusion and community development. For example, Chester Voluntary Action, Flintshire Local Voluntary Council, Chester 'Outside-In' (multi-agency group), Chester West Homeless Working Group, Chester Homeless Advocacy Group, Flintshire Synergy Group (Local refugee support) and Chester City of Sanctuary Group. SHARE regard this as an important role as it allows SHARE to highlight the problems faced by refugees and people who are homeless, to influence local policy, to provide a voice for our most vulnerable service users, and to affect change and development of targeted services.

SUPPORTING HOMELESS, ASSISTING REFUGEES EVERYWHERE SHARE TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

Fundraising activities

The whole SHARE team continue to actively fundraise to provide financial longevity to The Charity and its services. SHARE have also partnered with local and national business (like White Stuff Ltd and Chester Racecourse Group) and community groups who provide some sponsorship of SHARE's activities. The work of SHARE is currently financially supported by donations from local organisations, the public and from sponsorship from local companies. Share have rented a new Charity 'Share Shop' in Chester City Centre. This aims to significantly increase the annual income of Share. The Trustees recognise that, to ensure the financial stability and robustness of Share and to continue to develop its services and to meet increasing demand, there is an urgent need to identify sources of grant funding or social enterprise funding. This is another key objective for The Board of Trustees in the company year.

Share continue to effectively utilise specific ringfenced appeals to assist funding for key aspects of the service - for example 'The Suspended Coffee' appeal.

Share continue to promote their 'buy-a-brick' appeal which aims to raise £115,000 to buy a house to provide supported accommodation for people who are homeless in Chester. This has been highly successful and is on track to achieve its target in the coming financial year.

Financial review

Following the SHARE Trustees review of its 'Reserve Policy' in March 2017, all monies donated to SHARE for a specific purpose, for example the SHARE 'Suspended Coffee Scheme' or its 'sponsor-a-sack-of-aid scheme', are ringfenced to be spent for that purpose alone.

Any general donations made to SHARE will be spent on SHARE's services to the homeless and refugees in equal amounts, with monies being retained and earmarked as appropriate in order to achieve this.

SHARE recognises and accepts its responsibilities as a charity, an employer, and a limited company to protect the financial viability and continuation of the organisation. Following the Charity Commission and NCO good practice guidelines, the SHARE Trustees have allocated some of this periods income towards a reserve. The purpose of maintaining adequate reserves is as follows:

To ensure cash flow (e.g cover delays in revenue funding).

To cover unforeseen circumstances.

To provide the opportunity attract / identify alternative funding.

To ensure that, should funding cease, the organisation would be able to fulfil all of its financial and legal obligations, when wound up.

The Board of Trustees are committed to reviewing the reserve annually. Unless or otherwise agreed, the Board will endeavour to achieve and maintain a minimum reserve equivalent to six months running costs of the organisation.

Future Developments

SHARE is committed to continue helping refugees and people who are homeless.

SHARE will continue to respond effectively and efficiently to requests for aid in refugee camps across Europe and improve its links with local and international agencies to facilitate the effectiveness of this.

SHARE will actively seek to provide more funding for provision of aid which will be purchased at source, thereby reducing the carbon footprint of the aid and contributing to the local economy.

SHARE will continue to actively fundraise to purchase and provide supported housing provision for the homeless and continue to provide humanitarian aid and help to people who are homeless.

SHARE will continue to develop its collaborative and partnership working to improve services for, and advocate for, both local people who are homeless and resettled refugees.

SHARE will endeavour to establish a better quality 'drop-in' provision and establish itself as an effective advocacy service for the homeless in Chester.

SHARE will endeavour to source funding for an overall operational manager, and its operational costs.

SHARE will continue its commitment to providing excellent training for its staff and volunteers, and to provide a safe and healthy working environment within SHARE, thereby improving the volunteer experience and the service SHARE offers.

SHARE will continue to promote its role in education and increasing public awareness of the refugee crisis and the plight of people who are homeless.

SHARE will continue to develop and improve its governance by collaboration, training and finding local sources of mentoring to facilitate this.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

Organisational structure

SHARE is governed by its Board of Trustees, which is responsible for setting the strategic direction of the organisation and the working policies of the charity. The Trustees carry the ultimate responsibility for the conduct of SHARE and for ensuring that the charity satisfies its legal and contractual obligations. The Board of Trustees have this year completed an independent skills evaluation. The resulting gap in desirable skills has been identified and The Board is actively recruiting members to ensure a full complement of skills. The Board of Trustees continues to seek funds to appoint an operational manager to manage the day to day operations of the charity in order to facilitate effective operations. This manager will have delegated authority, within the terms approved by The Trustees, for operational matters including finance, employment, and project and service development, and any other arising issues. The current Board of Trustees is independent of management.

SHARE has 2 members of staff. One full time position as the charity shop manager, and one half time position as the Homeless outreach manager. All other roles within Share are undertaken by its extensive team of volunteers.

SHARE continues to provide and source a range of training opportunities for its staff and volunteers. These focus predominantly on the health, safety and mental wellbeing of Share's volunteers and service users. Share intent to develop the education of its volunteers and service users by adding additional vocational skills, such as food hygiene, mental health first aid etc, and to ensure the knowledge base of its volunteer team about the extent and social impact of Share's services.

SHARE is committed to providing a safe environment for its staff and volunteers. Comprehensive risk and fire assessments are ongoing and further staff and volunteer training needs have been identified, setting an agenda for further training in the next year. Share continues to work with other organisations with which it shares its amenities, to ensure that health and safety obligations are met.

SHARE have reviewed and updated 'Code of Conduct', a grievance procedure and a disciplinary procedure which has been implemented across the charity.

The SHARE Board of Trustees have completed a strategic planning process to ensure the continuing longevity of the charity, to provide effective delivery of its services and to continue to develop relevant, targeted and timely services, while optimising the services SHARE are able to offer its service users. Share is increasingly recognising the importance of listening to its' service users and involving people with lived experience in its strategic planning. The Share Trustees are committed to increasing the involvement of people with lived experience in its decision-making process.

Induction and training of new trustees

Newly appointed Trustees are provided with comprehensive induction to SHARE through the provision of mentoring by established Trustees and provision of appropriate documentation.

Related parties

There are currently no related party transactions that require reporting. The Charity has a policy whereby Trustees are asked at the beginning of every Board Meeting for individuals to declare any interest in agenda items to be disclosed and discussed. This is then recorded.

Risk management

The Trustees have a duty to identify and review the risks to which the charity is exposed and to ensure that appropriate controls are in place to provide reasonable assurance against fraud, error, an unsafe environment, or detriment to the services or reputation of Share. A full and comprehensive programme of physical and theoretical risk management has been undertaken and this is currently shaping the charities policy for risk avoidance. This is an ongoing process which will be reviewed regularly by The Board.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022

Over the last year The Board of Trustees have undertaken and completed a thorough review of its governance, policies and procedures. This has included an independent review of its financial processes, its book-keeping and accounting services, and its banking services. The recommendations of this are currently being acted upon by The Board.

The Trustees have developed and are implementing risk assessments, health and safety policies, staff and volunteer code of conduct and inductions, equality and diversity policy, safeguarding policies, GDPR procedures and policies, grievance procedures, critical incident reporting, reserve policy etc. This process has identified key training needs and The Board are actively addressing these needs and continue to work to ensure due diligence and parity across the Charity. There is much still to be done to continue to ensure effective governance and this is priority for The Board of Trustees over the coming year.

The Trustees also recognise the critical need to establish a salaried operational manager for Share to facilitate the ongoing effective management of the charity and ensure the longevity of the charity.

The trustees' report was approved by the Board of Trustees.

SUPPORTING HOMELESS, ASSISTING REFUGEES EVERYWHERE SHARE INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SUPPORTING HOMELESS, ASSISTING REFUGEES EVERYWHERE

I report to the trustees on my examination of the financial statements of Supporting Homeless, Assisting Refugees Everywhere (the charity) for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

Charity information

Supporting Homeless, Assisting Refugees Everywhere is a charitable incorporated organisation (CIO) registered in England and Wales [charity number 1166530].

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

(Continued)

1.5 Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold property	Nil
Motor vehicles	22% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
