Chairman's Report

There has been no charity activity for the past 3 years due to Covid, family bereavements and the small amount of responders been unable to commit time and money to continue tasks within the charity.

It was decided to close the charity and to donate the assets to a similar charity that operates in Yorkshire known as Yorkshire 4x4.

The bank had closed our account because of none use and issued a cheque for the remaining balance which we are at present trying to get the bank to re issue to Yorkshire 4x4 as a donation.

Date 29/11/2022
