ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

Report of the Trustees for the Year Ended 31 December 2020

For the purposes of these financial statements, the directors have been referred to as Trustees of the charitable company. The Trustees and directors are pleased to present their report together with the audited financial statements for the year ended 31 December 2020.

Trustees of the Charity

The trustees who held office during the year were as follows:

Miss A Brice
Mr N Brice
Ms A Boxer
Ms D Cooper
Ms J Creamer
Ms L Norley
Mr T Phillips
Ms O Stamberger

OBJECTIVES AND ACTIVITIES

The objects of the Charity are, for the public benefit:

- The prevention of cruelty to, and relief of suffering of, animals and the care of rescued, unwanted, neglected or abandoned animals;
- The conservation of endangered animals and their environments;
- The advancement of education of the public in animal health and care; and
- To advance scientific research into alternative techniques and substitutes to replace the use of animals in medical and other research.

In line with its objects, the Foundation and its Trustees conduct its activities with regard to the Commission guidance on public benefit, its experienced team of staff following an agreed strategy and plan for the year ahead. Due to the nature of the work, the Foundation will respond to emergency situations and legislative developments, where we can positively intervene to help animals in need. Progress reports on these and other activities undertaken by the Foundation are provided to Trustees each quarter.

Objectives to evaluate the success of our activities are set on a project basis. For example, for a rescue, the successful conclusion of the project will be the relocation of the animal to a suitable sanctuary, including the new ADI Wildlife Sanctuary, with specific goals set to ensure the mission is successfully concluded. Once rescued, measures to improve the health and wellbeing of the animals include veterinary care, welfare and environmental enrichment to provide the ongoing care they need. We monitor the welfare of the rescued animals by requiring regular updates from various sanctuary partners, as well as our ADI Wildlife Sanctuary.

ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

ACHIEVEMENT AND PERFORMANCE

Our educational work during 2020 has created greater public awareness of the need to respect and protect individual animals, the other species sharing our planet, and our shared environment; this is done through social media, response to government consultations; educational materials and reports.

To facilitate "The prevention of cruelty to, and relief of suffering of animals and the care of rescued, unwanted, neglected or abandoned animals" ADI Foundation funds the ongoing care of over 80 wild animals at the ADI Wildlife Sanctuary in South Africa and partner sanctuaries in Europe and South America. Rescued from circuses, illegal wildlife trade and laboratory research establishments, they include endangered Andean bears, six species of monkeys, African lions, Bengal tigers and other wild animals. During the year, expenditure on food, veterinary treatment, shelter and care by the Foundation exceeded £223,682.

Large-scale rescues form part of our work. Following a ban on the use of animals in circuses in Guatemala, the related ADI non-profit organisation set up a temporary rescue centre in the country and worked with government officials to enforce the legislation. Twenty-one lions and tigers were rescued from circuses in the country during the year. The Foundation is providing financial assistance for the project and the animals' ongoing care. Three of the rescued tigers were relocated to a sanctuary in the US and all other animals relocated to the new ADI Wildlife sanctuary in South Africa, where the charity helped fund construction of habitats and animal care.

Following the 2018 purchase of land to build the ADI Wildlife Sanctuary in South Africa, the Sanctuary received a government operating permit to provide lifetime protection and care to all African predator species, plus Bengal tigers. The ADI Foundation Trustees decided to continue funding for development and animal care at the Sanctuary. At the end of March 2019, the Sanctuary welcomed 27 ex-circus lions we had previously rescued from Peru and Colombia, from another South African sanctuary where we had been providing financial support for their care. The Foundation plans to continue to support these rescued animals, now living in peace and security and in an environment as close as possible to living as nature intended.

ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

FINANCIAL REVIEW

In support of our objectives and financial commitments, the Foundation receives funding from the related non-profit organisations Animal Defenders International (ADI) and the National Anti-Vivisection Society (NAVS), which provide donations and grants to ADI Foundation. Donations and gift aid continues to increase, and with grants from other foundations, Foundation income is expected to steadily grow. The boards of each related organisation are committed to continue assisting in the growth and development of the ADI Foundation until the charity's income streams are fully developed.

The charity does not use the services of professional fundraisers; all fundraising activities are undertaken by staff, with assistance from volunteers. ADI Foundation seeks funds from supporters through postal and electronic communications.

At end of the year the charity only has unrestricted funds at its disposal. A restricted grant of £2,500 was received for the purchase and refurbishing of a baler at the Sanctuary, which is now in use.

The ADI Foundation operates within a low risk environment; the Foundation shares premises, equipment and staff with ADI non-profit and NAVS, and its contribution towards these costs is based on income. The charity does not have a lease or any fixed assets in its name in 2020 (although in 2021 the charity has leased office space). Insurance and maintenance of all fixed assets is maintained by ADI non-profit with the Foundation paying its share of these expenses. The ADI Foundation holds Trustee's indemnity insurance which provides sufficient cover in case of a claim.

The charity does not hold any assets that are expected to devalue or perish, with total cash funds at end of year, £50,704.84.

Reserves policy

At the end of the financial year the Charity has no restricted funds. Non-restricted funds, will be used for future projects and other activities enabling the Charity to fulfil its objectives.

Results

The Foundation's expenditure was less than its income during 2020 (£513,054 income against £493,754 expenditure); the financial year ended with a fund balance of £1,301, carried forward funds of 2019 were negative £17,999. The Foundation fulfilled its financial obligations with assistance from the related non-profit organisations, Animal Defenders International and National Anti-Vivisection Society.

Outlook for 2021

The focus for 2021 will be to meet objectives by:

- Funding the ongoing care of our rescued animals
- Contributing to education of the public on animals and their environment
- Assisting with further development of the ADI Wildlife Sanctuary including construction of night houses for the Guatemala animals, fencing for new enclosures, internet, webcams, schools' education centre, veterinary centre, equipment and general maintenance.
- Continue to grow our supporter base and income

The Lord Dowding Fund for Humane Research (LDF):

Work "To advance scientific research into alternative techniques and substitutes to replace the use of animals in medical and other research." is primarily conducted by the Charity through the LDF, a department of the ADI Foundation.

The specific objects of the LDF are to:

- Support and sponsor and fund better methods of scientific and medical research for testing products and curing disease, which replace the use of animals.

ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

- Fund areas of non-animal fundamental research which lead to the adoption of non-animal research methodology.
- Work to fund, promote and assist learning and educational training and processes for the purposes of replacing animals and living creatures in education and training for medical and scientific research.
- Promote and assist any research for the purpose of showing that work on animals is harmful or unnecessary to humanity.

As part of its work to promote the use of advanced scientific non-animal methods, the LDF collaborates with other charities funding education, promotion and research without the use of living animals. As a member of the Alliance for Human Relevant Science, the LDF aims to save human and animal lives through improved testing of medicines and other chemicals. In 2019, the LDF collaborated on a White Paper 'Accelerating the Growth of Human Relevant Life Sciences in the United Kingdom' on the economics of moving away from animal use and towards alternatives (completed and launched March 2020).

Through the LDF, the Foundation funded a project to help develop an innovative new model of the human airways to be used for testing the toxicity of e-cigarettes. With the potential to be used by regulatory bodies in place of animal testing, the multidisciplinary project brings together researchers from the fields of engineering, biology and health sciences, and will help train future scientists in advanced methods, to replace the use of animals.

In preparing the Trustees' report the Trustees have taken advantage of the exemptions allowed for small companies as set out in the Companies Act 2006.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charitable company was registered on 5 September 2014, reg. no: 09205984. The company received charitable status on 15 April 2016 with registered charity no: 1166558. Its registered office is: 26th Floor, Millbank Tower, Millbank, London SW1P 4QP and the Foundation is set to operate globally for its objectives (note: The charity moved its office to new location on 26th April 2021 at Vox Studios North, 1 Durham Street, London, SE11 5JH).

The charity is governed by a Board of Trustees who are responsible for the strategic direction and management of the charity as well as monitoring the achievements against charitable objectives. The Board meet quarterly and receive reports from officers on progress and financial performance. Three of the eight Trustees also serve on the board of the related non-profit organisations Animal Defenders International and the National Anti-Vivisection Society.

No Trustees have retired since our 2019 report. All Trustees are appointed as set out in the Memorandum of Association and are provided with the appropriate guidance documents and background information, with training offered as needed.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

The Trustees who held office at the date of approval of this report confirm that, so far as they are each aware, there is no relevant audit information of which the Charity company's auditors are unaware; and each Trustee has taken all the steps that he/she ought to have taken as Trustees to make himself/herself aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

Approved by order of the board of trustees on28/10/21..... and signed on its behalf by:

**ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION**

**STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 DECEMBER 2020**

The trustees (who are also the directors of Animal Defenders International Foundation for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that the report of the board is prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Section 1A FRS 102).

Financial statements are published on the charitable company's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements, which may vary from legislation in other jurisdictions. The maintenance and integrity of the charitable company's website is the responsibility of the Trustees. The Trustees responsibility also extends to the ongoing integrity of the financial statements contained therein.

In preparing the Trustees report the Trustee have taken advantage of the exemptions allowed for small companies as set out in the Companies Act 2006.

Approved by order of the board of trustees on28.10.21..... and signed on its behalf by:

.....
Ms J E A Creamer - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

Opinion

We have audited the financial statements of Animal Defenders International Foundation (the 'charitable company') for the year ended 31 December 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the trustees' Report.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the charitable company's industry and its control environment, and reviewed the company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory framework that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included the UK Companies Act and tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the charitable company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management, and external legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

1. CHARITY STATUS

The Charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding Nil towards the assets of the charity in the event of liquidation.

2. ACCOUNTING POLICIES

Statement of compliance

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

Animal Defenders International Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as a deferred income to be released.

**ANIMAL DEFENDERS INTERNATIONAL
FOUNDATION**

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 DECEMBER 2020

2. ACCOUNTING POLICIES - continued

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Fund structure

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

3. DONATIONS AND LEGACIES

	31/12/20	31/12/19
	£	£
Legacies and bequests	340,995	88,677
Grants	52,410	145,326
Subscriptions	119,626	166,865
Fundraising	23	12
	<u>513,054</u>	<u>400,880</u>

Grants received, included in the above, are as follows:

	31/12/20	31/12/19
	£	£
Grants - other agencies	<u>52,410</u>	<u>145,326</u>
