### **TRUSTEES' (DIRECTORS') REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2022**

#### **OBJECTIVES AND ACTIVITIES (Including Review of the year)**

Tibbs Dementia Foundation object is to provide services which promote the improved health of people affected by dementia and which provide relief, including care and support, to people with dementia and those who care for them.

Tibbs Dementia Foundation has from the 15<sup>th</sup> April 2016 taken over responsibility for the projects previously provided by Tibbs Dementia Services CIC and has continued as its principal activity to develop these services to benefit people with dementia and their carers within the local Bedford community and with increasing provision into Central Bedfordshire. Tibbs Dementia Foundation provides five core services:

1. "Musio 4 Memory" a creative musical space for carers and people with dementia drawing on the principles of music therapy and with opportunities for performance provided through regular group sessions, individual "at home" sessions, and group sessions in care homes.
2. Structured sessions designed to stimulate individuals with dementia, such as Activi-tea, Clear Voices and Cognitive Stimulation Therapy; and sessions to enable family carers to share their experiences with others helping to reduce isolation and opportunities to learn from others experiences, such as Encompass (carers support group) and 1-2-1 Counselling.
3. Challengers 4 Memory which include regular sessions of a range of fun, sociable, physically stimulating activities, including regular sessions of indoor bowls, walking football, a walking group, wellbeing session, circuit training and aerobics, yoga, and working on an allotment.
4. Information sessions offering opportunities for family carers and people with a diagnosis to develop their understanding of dementia and the support networks available.
5. Social activities through our drop in groups and Tibbs 4 Tea social outings.

Tibbs Dementia Foundation employs 7 full/part time employees, a number of contractors who support specific activities and over 60 unpaid volunteers without whom it would not be able to provide the range and quality of services provided. In the year to 31<sup>st</sup> March 2022, it is estimated that volunteers provided over 1000 hours of service to the charity.

In January 2022 the Charity was advised by Central Bedfordshire Council ("CBC") that it had won a three year contract to extend its services across Central Bedfordshire with commensurate grant funding provided by CBC. In 2022/23 Tibbs Dementia Foundation will steadily increase the number of services it provides across the region with the intention of providing a comprehensive service by the end of the financial year.

### **TRUSTEES' (DIRECTORS') REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2022**

#### **RISK REVIEW**

The trustees regularly undertake a wide ranging appraisal in order to identify major risks to which the charity is exposed. Steps are taken with a view to mitigating these risks as far as is reasonably possible. Insurance, staff training and consciousness raising is regarded seriously and policies are in place and regularly reviewed to counter these risks.

The trustees are aware that continued financial stability of the charity relies on grant funding and service contracts together with donations from the local community. The trustees believe that the time frames for which its grant income is agreed is reasonably assured and that expenditure, linked to grants are also managed within similar time frames.

Tibbs Dementia Foundation is aware of the implications of the Disability Discrimination Act in all of its activities. Trustees and their staff have been made aware of, and are required to implement, data protection principles in line with GDPR.

**TRUSTEES' (DIRECTORS') REPORT**  
**FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2022 (continued)**

**PUBLIC BENEFIT**

In compiling this report, the Trustees have given due regard to the public benefit guidance as issued by the Charity Commission. The trustees consider that the range of activities detailed above fulfill these requirements in that they benefit people with dementia and their carers throughout the geographical area in which this charity operates.

**FINANCIAL REVIEW**

The results for the year, as given in the Statement of Financial Activities, are considered satisfactory by the trustees.

In the year to 31<sup>st</sup> March 2022 the charity has been dependent upon grant funding from Bedford Borough Council, Central Bedfordshire Council, Beds & Luton Inequalities Fund, and the Harpur Trust which represented roughly 53% of the charity's income with the other 47% originating from client donations and third party fund-raising.

In the year to 31<sup>st</sup> March 2022 Tibbs Dementia Foundation was severely impacted by Covid-19 with reduced face to face services and a continuation of Zoom meetings and activities. As a result of Covid-19 the charities employees were furloughed on a full-time and subsequently part-time basis with the charity being able to access the HMRC Job Retention Scheme to support the employment costs. Staff returned to their regular working hours from 1<sup>st</sup> July 2021. Fund-raising activities were severely restricted and client contributions significantly reduced, however, this was offset by reduced operating costs. As a result the financial impact on the charity for the year ending 31<sup>st</sup> March 2022 was minimized thus enabling it to retain reserves so that it had the financial resources necessary to re-commence activities as Covid-19 restrictions were relaxed. The trustees believe that with the level of available reserves and careful planning and financial management the charity will be able to return to normal operating activities in 2022 as the Covid-19 restrictions have ended and we move towards delivering our hybrid range of services.

**RESERVES POLICY**

It is the policy of the trustees to ensure that the charity has adequate reserves to enable it to meet both its ongoing commitments in regard to general charitable activities, and its future funding requirements. The trustees ideally require as reserves a minimum of between three and six months expenditure in order to meet any contractual and winding up costs. The trustees consider the level of reserves as at 31<sup>st</sup> March 2022 to be sufficient for the present situation and requirements of the charity particularly after taking into account the length of already agreed grants and funding agreements, but will continue to review the overall position and policy at regular intervals.

As at 31<sup>st</sup> March 2022 the charity held reserves of £163,499.80.

**INDEPENDENT EXAMINERS REPORT TO THE MEMBERS OF  
TIBBS DEMENTIA FOUNDATION  
YEAR ENDED 31<sup>ST</sup> MARCH 2022**

I report on the accounts of the company for the year ended 31<sup>st</sup> March 2022.

**RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER**

The trustees (who are also the directors of Tibbs Dementia Foundation for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the company is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(6) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**BASIS OF INDEPENDENT EXAMINER'S REPORT**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the company and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

TIBBS DEMENTIA FOUNDATION (continued)  
YEAR ENDED 31<sup>ST</sup> MARCH 2022**

**INDEPENDENT EXAMINER'S STATEMENT**

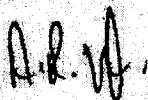

In connection with my examination no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006 and
- to prepare accounts which accord with the accounting records, comply with accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which in my opinion attention should be drawn in order to enable a proper understanding of the accounts to be reached.
