## **WETHERBY DISTRICT LIONS CHARITABLE INCORPORATED ORGANISATION (CIO)**

**Trustees Annual Report for the Period 1<sup>st</sup> July 2020 to 30<sup>th</sup> June 2021**

The trustees are pleased to present their annual report together with the consolidated financial statements for the twelve (12) months period ending 30<sup>th</sup> June 2021. This charity, 'Wetherby District Lions Club (CIO)', has operated as a 'Charitable Incorporated Organisation' in accordance with the Charity Commission guidance.

### **INTRODUCTION - Chair of Trustees**

"May you live in interesting times" is a Chinese curse which has been both applicable and inverted in the past year. COVID-19 restrictions continued and tightened during 2020/21 with the result that very little normal Lionistic activity could take place and the population locally and nationally suffered considerable hardship and tragedy. 'Lockdown' may have created boring times rather than interesting times but misery was never far away.

It was up to Wetherby Lion members to examine how they could contribute to helping the community endure and survive the pandemic. Led by the Town Council, the Lions joined forces with other local church and voluntary groups in creating a robust system to ensure support could be delivered to those most in need. Christmas festivities were virtually cancelled. Until a suitable vaccine could be developed the only options appeared to be 'lockdown' and continued isolation.

Although the Senior Citizens Christmas Party could not go ahead due to COVID-19 restrictions, 'Santa's sleigh' outings did still visit the neighbourhood in what proved to be a very successful and well received attempt to raise spirits over the less than festive season. In addition, as Santa was unable to visit local schools, Lion members organised video conference calls to allow pupils to see and talk to him. A competition preceded the event in which pupils were invited to name the reindeer towing the sleigh around Wetherby; the winning entries receiving prizes donated by supermarket Morrisons and local chocolates distributor, Bon Bons.

Once the COVID-19 vaccination serum became available, those Lion members who were able to volunteered their services at the local vaccination centre. Lion's gazebos were erected to provide shelter from the elements and wheelchairs loaned by ourselves were used to transport less mobile members from the car park to the clinic. Ultimately, nearly 14,000 vaccinations were given.

I am proud to say that "where there was a need, there was a Lion".

Requests for support from the Lions Club continue to be scrutinised by the designated committee and those community projects, apart from COVID-19 related, supported in the past year include assisting with the refurbishment of a local playground and planting trees as part of the climate change initiative.

General membership has remained stable with several members of the public expressing interest in joining Wetherby Lions. Unfortunately due to the enforced lack of activity their interest has waned but it is hoped that once 'lockdown' is eased we can commence an effective recruitment campaign

and they may return. Video conference meetings and quiz nights have been used to keep some members in touch and I look forward to starting normal face-to-face meetings involving all the membership in the not too distant future.

As always, as Chair of Trustees, I thank all of my fellow trustees, officers of the club, members and their families for their support and commitment to both Lions and the wider community over a very challenging year. I am also pleased to say that this thanks has been repeated many times by members of the public and community leaders who have recognised the valuable contribution the Lions have made during a very difficult period. . It must be remembered that trustees and members are all unpaid volunteers, just ordinary people doing extraordinary things, being pleased 'to serve' the community.

## MISSION – Vision and Values

Wetherby District Lions Club is inspired by and bases itself on its Mission, Vision, and Values to set up the guiding principles of how it operates. We understand that our performance and behaviour are guided as much by the spirit of the mission, vision and values as by the definition of them.

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

To be the global leader in community and humanitarian service.

To be committed, credible, compassionate and caring.

Lions became an international organization after being founded in 1917 in Chicago. Since then, we've earned high marks for both integrity and transparency. We're a well-run organisation with a steady vision, a clear mission as stated above, together with a long – and proud – **history**.

## VALUES – Our Core

### Commitment to **SERVICE**

We are responsive to the needs of Lions. We seek to understand their priorities, values and needs, and to empower their service. We are committed to our shared goal of community and humanitarian service.

### Dedication to **EXCELLENCE**

We are passionate about the causes Lions serve and the quality of our work. We go beyond what is expected, striving for excellence and continuous improvement in all we do.

### Appreciation for **DIVERSITY**

We create and foster a spirit of understanding among the people of the world, knowing that diversity is our strength. We appreciate individual and cultural differences, and we embrace the experiences and talents of others because together we are more.

### Dynamic **COLLABORATION**

We work as a team to improve the quality and relevance of our programs and initiatives. We welcome and encourage the participation of Lions, partners and colleagues, solving problems and meeting challenges together

### Personal and Professional **INTEGRITY**

We promote and live by the principles of good citizenship. We are dependable, honest and trustworthy professionals who are accountable for our actions and their results.

### Spirit of **INNOVATION**

We evolve to meet the changing needs of those we serve, embracing an environment of growth and creativity. We rigorously test and optimize ideas, and encourage the adoption of best practices globally.

## **STRUCTURE - Governance and Management**

### **Charity's objects**

- To raise and disburse charity and welfare funds according to the constitution of Lions Clubs International and the rules of the charity commissioners;
- To be involved in community activities and projects;
- To be active locally, nationally and internationally in respect of the aforementioned activities.

### **Type of governance document**

Charitable Constitution.

### **Constitution of Charity**

Charitable Incorporated Organisation - Association Model

### **Trustee selection methods**

Elected by members of Wetherby District Lions Club (CIO).

### **Additional governance issues**

All trustees give their time voluntarily and receive no remuneration or other benefit; they are responsible for the strategic development of the charity.

### **Training of trustees**

Trustees' personal needs are evaluated and appropriate training given. Advantage is taken of complementary governance seminars offered by local corporate organisations. The charity is also a member of the not-for-profit organisation 'Volunteer Action Leeds'. They offer a wide range of expertise and practical support for charitable organisations at minimal cost.

### **Charity's organisational structure**

Wetherby District Lions Club (CIO) was registered with the Charity Commission on 21<sup>st</sup> April 2016 using their 'Association' model. The charity's members are members of Wetherby District Lions Club, which is part of the Lions Clubs International (LCI) organisation and operates according to a typical constitution of a Lions Club adapted to the local needs of the Club. A trustee appointment shall be made for a term of three years or in the event of a vacancy in the office of a nominated trustee prior to the expiration of his term of office, for such period as the trustee whose place s/he has filled would have continued in office. When new trustees are appointed they are given information about the role of a trustees and charity law in a 'Trustee Induction Pack'. Local training courses are arranged for incoming and existing trustees.

### **Wider networks**

Being a member of LCI, Wetherby District Lions Club operates through their national and international organisation. In any case of international disaster relief and long-term recovery, this is managed

through the Lions Club International Foundation (LCIF) which allocates grants and donations to Lions Clubs in the disaster zone, thus ensuring good governance and an auditable trail of funds.

### **Major risks and the system and procedures to manage them**

LCI has a national structure in the UK and an international structure worldwide, headquartered in the USA; they provide advice, training and assistance in all aspects of fundraising and charitable activities. Nationally the organisation has office staff based in Birmingham to manage and support UK based members in their charitable pursuits.

## ACHIEVEMENTS - and Performance

### Summary of the objects of the charity set out in its governing document

The trustees shall hold the charitable fund and its income to apply them for any purpose which is charitable according to the law of England and Wales whether for the benefit of any individual or group of people or for the benefit of any other organisation established for charitable purposes, ('The Objects'), PROVIDED ALWAYS that the trustees shall not apply the charitable fund or any part thereof without first obtaining the approval, as defined in the Lions Club constitution, of the Lions Club at a Lions Club meeting. This is defined as a majority vote in favour, provided there is a quorum of members (50% of the Club's members).

### Summary of the main activities undertaken for the public benefit

In accordance with the Charities Act 2006, Wetherby District Lions Club (CIO) is required to confirm that the activities it undertakes to achieve its objectives are all carried out for the public benefit as described by the Charity Commission. In shaping these objectives for the past twelve months trustees have attended as many community events as resources allowed.

Due to the restrictions caused by COVID-19, this year has seen the cancellation of our major fundraising events. Whilst fully complying with the COVID restrictions, the club was able to operate the annual Santa's sleigh rides in Wetherby and the neighbouring village of Linton bringing a great deal of good cheer to everyone and providing much needed income which was enhanced by further donations from the public.

Additionally the following activities were able to go ahead:

- supporting several community activities including flower watering to assist the local 'Wetherby in Bloom' scheme;
- operating a 'free of charge' community wheelchair loan scheme;
- providing shelter and wheelchairs at the local COVID-19 Vaccination Hub together with car park marshalling.

Charitable funds that Club members have raised are disbursed to charities, groups and individual beneficiaries in the local, national and international community in accordance with the 'Grant Making Policy'. After due consideration by the Club's Grants & Community Service Committee, and agreed by a majority vote by Club members, they have donated grants to the following categories:

Cancer Care & Health;  
Child Welfare;  
Community;  
Disabled;  
Elderly;  
International Appeals;  
National Charities;  
Youth.

Specifically grant donations were awarded to a number of health related charities:

Young Live vs Cancer; Medic

Alert and Cash for Kids. A sizeable donation was made to Yorkshire Air Ambulance making the total donated over the last decade to over £37,000.

The Club has continued to target grants to the local community, donating to service organisations and active community groups (Wetherby Weir Preservation Society, Wetherby Arts Festival, Salvation Army, Wetherby Foodbank, Deepdale Community Centre, Wetherby Bandstand Trust) and local youth groups (boys and girls football and cricket clubs, Brownie and Scouts packs and primary schools). A significant grant was made to local carers in the form of meal vouchers so that they could relax a while with or away from their loved ones during the COVID-19 crisis.

Also supported are Lions linked projects as: Yorkshire Flood Appeal, regional holiday schemes and elderly peoples festive meals. Members gave service time and a grant to Wetherby in Bloom and a local youth enterprise scheme.

A number of national/international charities were assisted such as Royal British Legion; Heart Research UK, Water Aid and Lions International Foundation.

### Section D – Achievements and performance

The last twelve months has seen a reduction in the monies raised from the Club's annual events, due to the cancellation of these through the COVID-19 pandemic outbreak. The cancellation of the 'Great Yorkshire Bike Ride' and the associated loss of the income, has impacted significantly on the funding for many local and international charities as well as loss of support to the charity work of other Lions Clubs in the Yorkshire Region. However, this was off-set by a significant donation from Leeds City Council COVID-19 fund which we used to support Foodbank Hampers and meal voucher for family careers.

The charity continued to use 'online giving' as part of the portfolio with the use of 'Virgin Money Giving' online facilities. This scheme, together with direct application to HMRC for fundraising activities, has enabled Gift Aid to be claimed which has increased fundraising efforts by £873.01.

Additionally, the publicity and encouragement of our members and supporters to use our online shopping donation schemes 'Easyfundraising' and 'smile.amazon.co.uk' have also increased funds.

The Club continued to develop the website and social networking sites to publicise fundraising and charitable giving efforts. Commercial companies of Morrisons Supermarket, Manning Stainton Estate Agents and Franks Accountants have all provided support from their staff; indeed they have been a welcome resource attending at our community events.

#### [Performance Review](#)

During the year several detailed reviews of the charity's performance was undertaken to ensure the quality of delivery. Trustees used the 'Charity Governance Code' and the Charities Commission's 'Internal Financial Controls' documentation as a basis to undertake the reviews.

## FINANCIAL REVIEW

### The charity's policy on reserves

The Club's policy on reserves is not to hold a specific reserve fund and to husband its resources so that the Club is able to respond to requests for assistance as appropriate. Should a request of significance be received, which cannot be met from immediate Club funds, members will apply for emergency funds from LCIF; Structure - Governance and Management – Wider Networks refers. There are no significant legal or infrastructure obligations in the event that the charity needed to close.

Trustees have been conscious of the significant year-end balances in the former charity trust over the past years and have again worked hard to reduce this level during the year and achieved a reduction; see chart below.

Trustees set an objective of holding a £10,000.00 year-end balance, this has not been achieved, however it is heading in the right direction of travel.

Recognising the above position, trustees have endeavoured to maximise the situation without adopting a high risk investment strategy and have continued with a savings account with the Monmouth Building Society. Whilst the income from this account is currently small with interest rates at 0.5% per annum, it does realise a small income on the £16,536.48 currently deposited in the account.

### Risk management

The trustees have considered the risks affecting the charity and its activities as part of its planning process and have concluded that there is little to no exposure to direct financial risk as there are few specific liabilities to managing the Club, particularly on the closure of the charity. They have recognised however the economic downturn on charitable giving which has sharpened in the period

resulting in a lower funds being available to the Club; charitable grant giving has reduced accordingly and is expected to continue in the short term.

Trustees are constantly reviewing the skills of Trustees and regularly seek additional trustees from the organisation's members and community representatives and will continue to do so in the coming year.

### THE YEAR AHEAD

The charity will continue to support the people of Wetherby and the surrounding area by helping individuals and organisations in time of need as the Club has done for the last 55 years.

Specifically trustees will:

- consider the impact of the continuing COVID-19 pandemic outbreak on the operation of the charity in respect of the fundraising activities and membership retention and recruitment;
- review, before the end of the 2021 calendar year, the events that have been staged in the period and those that had to be cancelled due to COVID-19 restrictions and determine if these events should be repeated in the next financial year;
- continue to focus fundraising efforts within the local area and to incorporate contributions outside of Wetherby; namely the town of Tadcaster and the villages of Boston Spa, Bardsey and Scarcroft;
- continue to manage events with a multi-disciplinary community team;
- strive to increase membership by an organised professional approach showing due diligence and transparency throughout the process; particularly addressing membership diversity;
- develop further the use of social media to educate, inform and publicise the charity and its activities and ensure that all opportunities for the publicity and promotion of our services are maximised;
- continue our assessment of our charity against the 'Charity Governance Code for Small Charities', ensuring the high standards of governance which forms part of the principles and recommended practices are met;
- work towards diversity of the board of trustees and recruit new trustees with relevant skills and qualities.

### TRUSTEE DECLARATION

The work of the charity simply wouldn't be possible without our supporters, partners, volunteers and fundraisers, and trustees want to say 'thank you'. We do hope that we can return to some form of normality in the coming year and look forward to re-engaging with partners to support our events for the benefit of the local community
