Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

-Raising awareness of GROUP B STREP (GBS)
 -Offering financial and other support to those people who are suffering the effects of GBS with the aim of improving their health and well-being
 -Supporting the testing of pregnant women for GBS
 -Setting up of support groups for people who have/had suffered the effects of GBS

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The activities include fundraising and holding events to raise funds to source the GBS tests for pregnant women. The benefits to the public are that we fund and source the tests and provide them to the public so that it reduces the health impact on mothers and their children. The GBS test will give them a positive or negative result that they take to their midwife to be given the correct medication during childbirth. Any confidential information is used and destroyed as agreed with the individual as per the GDPR requirements.

Additional details of objectives and activities (Optional information)
