The trustees meet together as a body monthly and are responsible for all decisions taken in relation to running the community facilities and the activities provided by the charity.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the education of children and young people between the ages of 7-16 in Bournemouth in Turkish language and in English language, traditions and culture by the provision of a supplemental school.

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarised below, provide benefit both to those who uses our community centre and the wider community of Bournemouth and neighbouring cities.

CULTURAL ACTIVITIES:

Cooking and selling ethnic foods to raise funds: each week on Fridays the charity invites a voluntary chef to cook Turkish foods to raise funds for the Charity. This activity used to be done monthly, but it has become so popular then it was changed to weekly.

COMMUNITY ACTIVITIES

Our community centre hall and rooms provide a valuable educational and recreational resource to all in our local community. A wide range of activities are organised and take place from our community centre.

Turkish language courses: Turkish Consulate General in London appointed a Turkish language teacher to teach Turkish language and culture to pupils and adults at our association.

Supplementary school and homework support: at weekends and during school holidays a supervised homework club is supported and supervised by volunteers and over 35 children regularly attend the club.

Sport activities

The Charity organises sport events mainly in football and table tennis.

Fetes & Festivals: we have a little festival occasionally a few times yearly. Many people who are from different background attend to our festivals. Especially Turkish dishes are offered and presented to the visitors to taste including Turkish pastry, cakes, kebabs and local foods from different regions in Turkey. Many people are invited to this charity activity to buy and eat for fundraising. This is a really good cultural and social activity for the community spirit. During the festival, many people find a chance to speak and get to know each other while tasting good food. It is also good opportunity to learn about the culture and food while it is a collectively playing and entertaining event for all children together.

Picnic Events in the Parks: we organise picnic for all of its members with a cookout usually barbecue. Our picnic event has grown each year and is supported by so many from different nationalities, we reached hundreds. We are keen to see our picnic event expand to a festival.

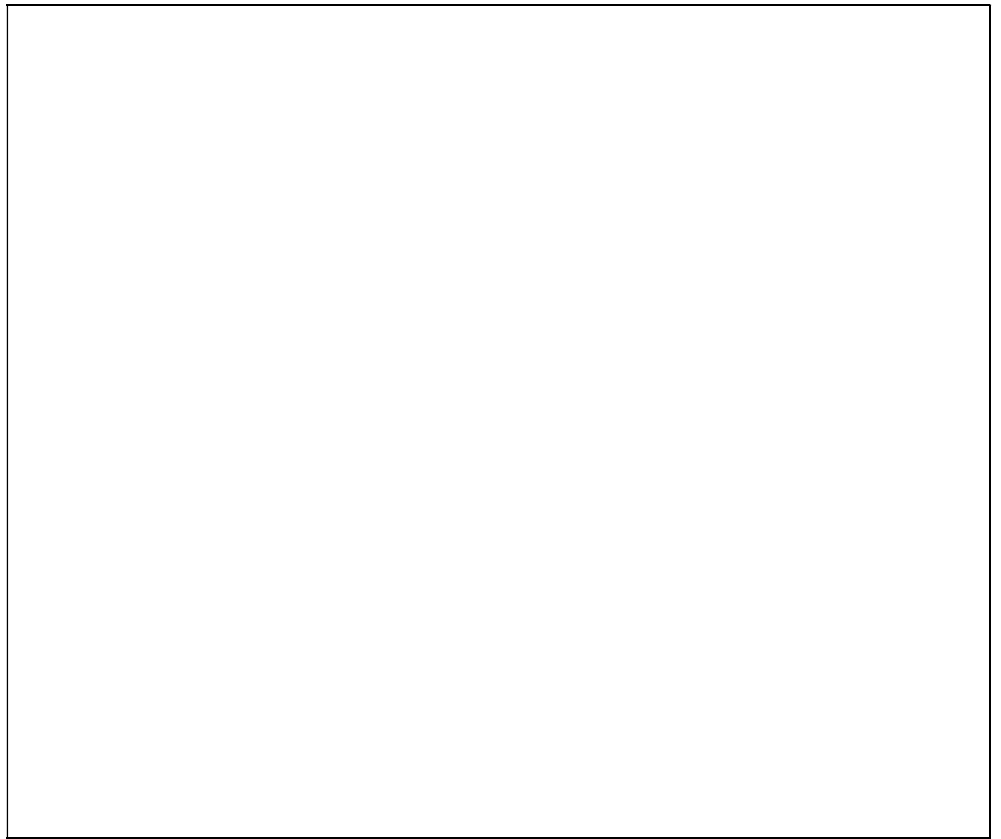

The picnics were a way of responding to our community desire to make more use of parks by bringing people together to share in activities in a pleasant green setting.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Volunteers are an important resource in community work. This year our Charity has achieved to reach over 450 Turkish speaking people in Bournemouth and surrounding cities. This helped us increase our number of volunteers who then helped us organise and conduct more charitable and fund-raising activities than last year. Volunteers are involved in most of our community activities and we have now over 25 people regularly giving their time.

Our language course and homework support sessions have proved to be very successful as we witnessed considerable improvements on some of the students who did not do well in the previous years.

We also promoted and supported the right of parents to home educate their children as an additional support to sustain success of their children.

Section E

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarised below, provide benefit both to those who use our community centre and the wider community of Coventry and neighbouring cities.

Coventry Education & Cultural Centre is a charity committed to the educational support and providing free complementary education programs for people in Coventry area. We champion and serve the primary goal advancing the education of the public in the subjects of English Language, Life in the UK and several ethnic languages.

The supplementary educational support out of school hours which is provided by our community members and teachers on a voluntary basis act as crucial information and advocacy points for adults as well as children in our region. The language courses we provide are designed to improve the level of English of those who struggle to communicate and educate. Our programs aim for raising aspirations and engagement that are essential components to remove the language barrier hence reducing failures in the classroom or at work.

Coventry Education & Cultural Centre will focus primarily on young people with the aim of advancing community development through language and cultural education.

Our Purposes and Our Aim

Coventry Education & Cultural Centre is being established to provide supplementary education, place and materials in Coventry area for young people who are struggling in formal education due to language barrier, tradition etc.

We provide the following:

Language courses: This will focus on developing language skills of young people who needs additional support in language skills. The language courses we provide are designed to improve the level of English of young people who struggle to communicate and educate.

Homework support: Some young people need support due to falling behind in their studies. Our volunteer teachers provide homework support and materials to those who are in need of supplementary study support.

Leisure and sport activities: People at every age group need leisure and sport activities to develop friendship and social skills that will improve their confidence in communicating to others. These extracurricular activities are essential part of the program to practice the language and communication skills young people develop at the classrooms. Sports, along with enhancing health and fitness, would enable people especially young people to use all their senses and by choosing sports in their lives, young people can not only become physically stronger but also emotionally tougher.

Our aim to:

- Raise the attainment of people, particularly those facing disadvantages
- Develop their essential skills
- Prepare young people for the world of work and further study

We do this by following:

- Commitment and inspiring pro-social friendships, strong interpersonal skills, and instill a sense of hope in the future.
- Responsibility and empowering young people in establishing goals and following through on commitments.
- Possibility of expanding the perspective of young people to make them aware of their competences.
- Supporting individuals and surrounding young people in a caring, inclusive learning environment.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the education of children and young people between the ages of 7-16 in Bournemouth in Turkish language and in English language, traditions and culture by the provision of a supplemental school.

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarised below, provide benefit both to those who uses our community centre and the wider community of Bournemouth and neighbouring cities.

CULTURAL ACTIVITIES:

Cooking and selling ethnic foods to raise funds: each week on Fridays the charity invites a voluntary chef to cook Turkish foods to raise funds for the Charity. This activity used to be done monthly, but it has become so popular then it was changed to weekly.

COMMUNITY ACTIVITIES

Our community centre hall and rooms provide a valuable educational and recreational resource to all in our local community. A wide range of activities are organised and take place from our community centre.

Turkish language courses: Turkish Consulate General in London appointed a Turkish language teacher to teach Turkish language and culture to pupils and adults at our association.

Supplementary school and homework support: at weekends and during school holidays a supervised homework club is supported and supervised by volunteers and over 35 children regularly attend the club.

Sport activities

The Charity organises sport events mainly in football and table tennis.

Fetes & Festivals: we have a little festival occasionally a few times yearly. Many people who are from different background attend to our festivals. Especially Turkish dishes are offered and presented to the visitors to taste including Turkish pastry, cakes, kebabs and local foods from different regions in Turkey. Many people are invited to this charity activity to buy and eat for fundraising. This is a really good cultural and social activity for the community spirit. During the festival, many people find a chance to speak and get to know each other while tasting good food. It is also good opportunity to learn about the culture and food while it is a collectively playing and entertaining event for all children together.

Picnic Events in the Parks: we organise picnic for all of its members with a cookout usually barbecue. Our picnic event has grown each year and is supported by so many from different nationalities, we reached hundreds. We are keen to see our picnic event expand to a festival.

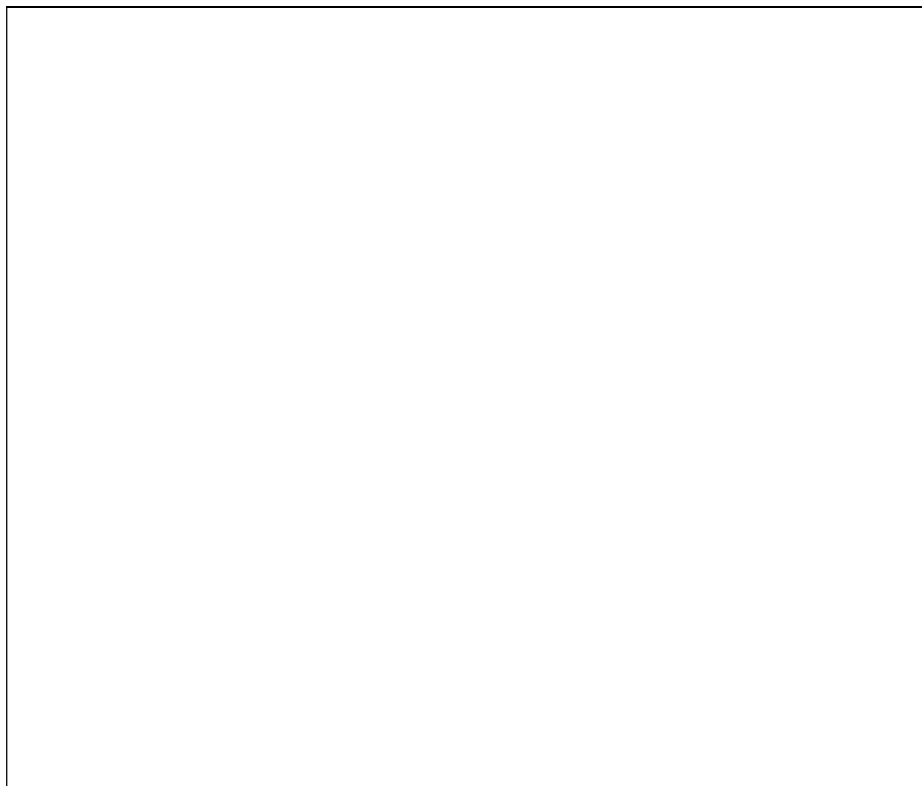

The picnics were a way of responding to our community desire to make more use of parks by bringing people together to share in activities in a pleasant green setting.
