Registered Charity No. 1166821

Annual Report and Accounts

31st March 2022

BIRMINGHAM SAMARITANS

12 MONTHS ENDED 31 MARCH 2022

ABOUT BIRMINGHAM SAMARITANS

The Samaritans organisation provides confidential emotional support 24 hours a day by telephone, e-mail, and on-line chat through a network of over 200 branches in the UK and Republic of Ireland, and also at festivals, in prisons, hospitals, schools and workplaces, and with the homeless. Birmingham Samaritans is one of those branches.

Our Vision:

Samaritans Vision is that fewer people die by suicide.

Our Mission:

Our mission is to make sure there's someone there for anyone who needs someone, to give people ways to cope and the skills to be there for others, and to campaign to make suicide prevention a national and local priority. Together we can make change that saves lives.

Our Values:

We have five core values

- ~ Listening - Exploring feelings alleviates distress and helps people to reach a better understanding of their situation and the options open to them
- ~ Confidentiality - If people feel safe, they are more likely to be open about their feelings
- ~ Non-judgemental - We want people to be able to talk to us without fear of prejudice or rejection
- ~ People making their own decisions wherever possible - We believe that people have the right to find their own solution and telling people what to do takes responsibility away from them
- ~ Human contact - Giving people time, undivided attention and empathy meets a fundamental emotional need and reduces distress and despair

BIRMINGHAM SAMARITANS

MESSAGE FROM THE DIRECTOR OF BIRMINGHAM SAMARITANS

Thank you for your interest in the Birmingham Samaritans, I do hope you find the report on our 59th year informative.

I was honoured to be asked by members of the branch to become the branch Director from March 2022.

I would like to thank the branch for putting their trust in me to lead the branch for the next 3 years. I would also like to pay particular thanks to every member of the branch leadership team who offer me such great support and guidance and continue to help us raise awareness and deliver our service to the community.

I am privileged to lead such an amazing group of volunteers who all give their time in different ways to support callers using various media, including online chat, which is currently being piloted and is proving a popular way for younger callers in particular to reach us for support.

I am pleased to say that we were able to continue to offer our core service all throughout the pandemic, answering over 20,000 calls from vulnerable callers and responding to over 10,000 emails. I would like to thank the training team for their proactive approach throughout this challenging period which allowed us to continue to recruit and train new volunteers throughout.

We are currently in the process of renovating the upstairs of our building; this will enable us to have 4 more listening booths, bringing our total number of listening booths in the branch to 9, which will help us to ensure we are able to offer our service to even more callers.

We have started to recommence some of our outreach activities. We recently attended the Brew Monday campaign at Birmingham New Street. We also attended Birmingham Pride and have now attended several outreach events to various organisations.

We want to further increase awareness of our service in the community and have some exciting publicity and outreach events in the pipeline. We are actively looking to work with other community groups and charities to raise awareness of what we are able to offer, as well as help us to better support our callers.

We firmly believe that we offer an essential service to the community by supporting callers who are going through a period of emotional distress. We could not offer our service without the kindness and generosity of our financial supporters who continue to provide the funds to enable us to operate and be there for our service users.

This coming year is an exciting year for our branch, as it will be our 60th year in Birmingham. We are hoping to mark this special event in some way and thank all our volunteers and stakeholders for all their ongoing support.

A handwritten signature in dark ink, appearing to be 'JW', written in a cursive style.

Jason Ward

Director

BIRMINGHAM SAMARITANS

12 MONTHS ENDED 31 MARCH 2022

OBJECTIVES, ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE IN THE PERIOD

Public Benefit

Birmingham Samaritans is a public benefit entity. In planning our activities for the year we have kept in mind the Charity Commission guidance on public benefit. Samaritans service is open to people who are suicidal, despairing or in distress. The branch provides a service for the benefit of people in Birmingham and the surrounding area and works with all Samaritans branches to provide 24 hour availability of the service across the UK. Samaritans does not charge anyone for the service provided.

Emotional Support

During the 12 months a considerable amount of work was undertaken by our 227 volunteers. 33,000 contacts were made to Birmingham branch by phone or email. We undertake outreach activities, including a partnership with Network Rail.

Prison Support

We select and train prisoners to work as Listeners in Birmingham Prison. Listeners provide emotional support to fellow inmates in distress. Our prison team supports Listeners through meetings in Birmingham Prison and, if required, attends the prison at any other time. Visits to the prison have now resumed following the pandemic.

Training

During the year we ran 6 courses for new volunteers, with each volunteer attending 7 initial training sessions. Also compulsory continuing development for our experienced volunteers took place during the year. We also have a system of ongoing mentoring for experienced volunteers.

Fund Raising

All fund raising is carried out by branch volunteers. Our thanks to those volunteers who have given up their free time to carry out this essential task as without them the branch would struggle to continue in existence.

Publicity and Outreach

Excellent publicity is central to both our outreach programme and volunteer recruitment. To this end we place publicity in community centres, hospitals, churches, health centres, libraries, and at railway stations. Our volunteers set up publicity stalls at local events when possible. We also play our part in local initiatives such as the Birmingham Suicide Prevention Plan.

BIRMINGHAM SAMARITANS

12 MONTHS ENDED 31 MARCH 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Trustees

The Trustees of Birmingham Samaritans comprise 9 members, including the Director, who chairs the Trustees and is an ex-officio member. Nominations for new elected trustees are taken prior to, or at, the Annual General Meeting and if necessary elections will take place. All Trustees receive training in their duties and responsibilities. The Trustees meet on a monthly basis.

The Director

Jason Ward became Director in March 2022, after wide consultation amongst the volunteers within the branch, and also with the involvement of the Samaritans Regional Director. The Director is responsible for and has authority over the day-to-day conduct and management of the work of the branch. This enables the branch's objectives to be pursued without undue restriction, provided always that the Director acts in accordance with policies determined by the Trustees and the wider Samaritans organisation.

The Leadership team

The Director allocates duties within the Branch. This is achieved by the appointment of a team of Deputy Directors in addition to the Trustees.

The Deputy Directors meet on a monthly basis. Joint meetings of the full leadership team (Trustees and Deputy Directors) are held every 4 months. 9 Deputy Director roles cover recruitment, training, volunteer support, rota, communication, prisons, leaders, outreach, and special projects. Different individual trustees take responsibility for overseeing facilities, health and safety, IT support and risk management.

Risk management

The Trustees regularly review the risks to which the branch is exposed and actions to mitigate their potential impact are in place.

The risk register is fully reviewed every 4 months. Risks are classified into governance, operations, finance and external working and the likelihood and impact of the risks are considered, both before and after controls.

The Trustees have taken out a comprehensive insurance policy to protect against a wide variety of risks. This policy also includes Trustee Indemnity Insurance.

The leadership team have every confidence in the quality of the services that the branch continues to provide and that they continue to represent excellent value for money. Throughout the year the leadership team monitors all aspects of the work undertaken.

BIRMINGHAM SAMARITANS

12 MONTHS ENDED 31 MARCH 2022

FINANCIAL REVIEW

Principal funding sources

Our principal funding sources include Birmingham City Council, numerous grant donating trusts and individual donations. We would like to thank everyone who has made financial contributions to enable us to continue to support our callers.

Income and Expenditure

During the year we decided not to seek grants from charitable trusts for at least 12 months as our reserves were very high. As a result our income during the year was much lower than usual. Our expenditure was also lower than the previous year and overall our funds fell by approximately £20,000.

Reserves Policy

The Trustees have reviewed the charity's needs for reserves in line with the guidance issued by the Charity Commission and have decided that we should aim to hold a minimum level of reserves of £100,000. This is to enable continuity of service should a material financial risk occur. The major risks considered in determining our target reserves were uncertainty over future income levels, unexpected costs in connection with our building, and fluctuations in the value of our investments.

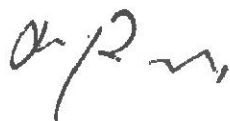

Investment policy

Just over one-third of our target minimum reserves are invested in a high return charitable fund consisting of equities. This investment can be volatile but has given very good returns over the 30 year period for which we have held it, and increased in value again over the 12 month period. The fund also generates good investment income.

Results for the year

This year we have been very fortunate to have received the continued support of our donors, particularly Birmingham City Council, who have guaranteed their funding until September 2023.

Our future plans include refurbishment of our first floor to build a second duty room so that we can accommodate an increased number of volunteers on shift, and to improve our training facilities. We also plan to further improve our car park area. We designated £50,000 towards this work of which we have spent £7,377 so far. After allowing for this and a further small designation to allow us to respond to potential future events impacting on Birmingham our reserves at 31st March 2022 (excluding fixed assets) were £141,531.

David Rutter, Treasurer

BIRMINGHAM SAMARITANS
12 MONTHS ENDED 31 MARCH 2022

STATEMENT OF TRUSTEES' RESPONSIBILITIES IN RESPECT OF
THE ACCOUNTS

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently,
- observe the methods and principles in the Charities SORP,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare accounts on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the constitution. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor/ Examiner

A resolution for the re-appointment of Jerroms will be proposed at the next annual general meeting

Approved by the Board of Trustees on 12 July 2022

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
BIRMINGHAM SAMARITANS

I report on the accounts of the charity for the 12 months ended 31 March 2022 which are set out on pages 9 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 (2) of the Charities Act 2011 (the 2011 Act), and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

BIRMINGHAM SAMARITANS
NOTES TO THE ACCOUNTS
FOR THE 12 MONTHS ENDED 31 MARCH 2022

1 Principal Accounting Policies

(a) Basis of Accounting

The financial statements have been prepared under the historic cost convention and in accordance with FRS 102, the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS102, and applicable charity law in the UK. The accounts are prepared on a going concern basis.

(b) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the objectives of the charity.

Restricted funds can only be used for particular restricted purposes within the objectives of the charity. Restrictions arise when specified by the donor or grant-maker.

Designated funds are unrestricted funds that have been set aside by the trustees for specific purposes

(c) Income

All income is included in the SOFA when the charity is legally entitled to the income, there is reasonable certainty of receipt and the amount can be quantified with reasonable accuracy. The following specific policies apply to categories of income:-

- donations - these are accounted for when received
- legacies - entitlement is the earlier of the charity receiving the final estate accounts or the legacy being received; no value is included where the legacy is subject to a life interest held by another party
- donated goods/services - these are included at the value to the charity, where this can be quantified
- grants - where these are related to performance and specific deliverables they are accounted for as the charity earns the right to consideration by its performance; where income is received in advance, its recognition is deferred and included in creditors; where entitlement occurs before income is received the income is accrued; all other grants are accounted for as income in the SOFA as soon as received.

(d) Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category. The following specific policies apply to categories of expenditure:-

Raising funds - expenditure on raising funds includes direct fundraising costs such as the cost of purchase of goods for sale plus an apportionment of postage, stationery and photocopying costs.

Premises - premises costs comprise rent and rates, light and heat, repairs and maintenance, cleaning, and depreciation, and are detailed in note 5 to the accounts.

Depreciation - depreciation is calculated on a straight-line basis so as to write off the cost of tangible fixed assets over their estimated useful lives as follows -

- Long leasehold property - over the remaining life of the lease which ends in 2087
- Furniture & Fixtures - 5 years
- Equipment - 3 years

All fixed assets purchased prior to 1 July 2013 are capitalised; for assets purchased since 1 July 2013 only those costing more than £1500 are capitalised

BIRMINGHAM SAMARITANS
NOTES TO THE ACCOUNTS (Continued)
FOR THE 12 MONTHS ENDED 31 MARCH 2022

1 Principal Accounting Policies (continued)

(e) Investments

Investments are included at closing market mid-market value on the balance sheet date. Any realised and unrealised gains and losses on revaluation or disposal are combined in the Statement of Financial Activities.

(f) Debtors

Debtors are measured at their recoverable amounts or, in the case of prepayments, as the amount the charity has paid in advance for goods and services it will receive.

(g) Creditors

Creditors are measured as the amounts owed by the charity, including amounts owed for goods and services received but not paid for by the balance sheet date.
