Structure, Governance and Management

Luton worship Centre is governed by a constitution which was adopted on 1st March 2016 and the day-to-day management of the charity is carried out by Trustees or volunteers.

There are four Trustees currently who are relied on for the day-to-day management of the charity with the Chairman also acting as the administrator. The charity also has members who are relied on running the meetings on a weekly basis. The Trustees are accountable to the members by way of an Annual General Meeting.

Trustees are appointed by the Chairman in consultation with the other Trustees.

Additional Governance issues

We have several policy documents in place and among them is the policy for the protection of vulnerable children and adults.

We partner with Luton churches Together for opportunities for ministry and improvement of the welfare of the residents in need of physical, spiritual or material things.

Luton Worship Centre has leased its current office from The Diocese of St Albans. The charity's operations and weekly activities are performed from this location.

Objectives and activities

Luton Worship Centre opens its doors to members of the public who are able to meet each Sunday of the year to hear the Word of God being taught and to socialise with other members after the services. In addition to the Sunday service the charity facilitates mid-week meetings as well.

Activities include: creation of forums for teaching from the bible, entertainment, a forum for socialising through meeting new people and Youth empowerment. The premises multipurpose hall has been and continues to be used for training young people on skills for life which include: employability, security and provision of social healthcare. These courses are facilitated by external agencies.

Guidance of Public Benefit

The Trustees have paid close attention to ensure that activities and spending of the charity only focus on needs that fall within the guidance issued by the charity commission on public benefit.

Contribution made by volunteers

Unpaid volunteers and Trustees have made a significant contribution in the operations of Luton Worship Centre in the last financial year. Successful completion of the activities of the charity has been made possible by their hard work.

Achievements and Performance

During this financial year the charity raised £18,200 from donations, offerings and hall hire. Fund raising for Evangelism continued this year and was up 22% compared to last year. The total amount raised for Evangelism was £11,166. These funds are set aside and used to fund evangelical outreaches. In the past year, there has been outreaches to United Arab Emirates (UAE), Thailand, and Italy. These outreaches have been very successful and have seen people turn to Christ and turn their lives around.

Last summer, there was a Youth outreach which involved the youth showcasing their creative flair through Arts and Crafts. This was well attended and was very popular among the youth. The church also had a fun day for children aged 5 – 17yrs at Gullivers Land, a theme park in Milton Keynes.

Policy for holding reserves

As reserves are required to cover unplanned emergency repairs and other expenditure, Trustees recommend an unrestricted fund of about £3,000 to be held at any given time to cater for maintenance and emergency repairs. General building repairs and garden maintenance took place last year.
